gap between the school achievement of poor children and those who are better off has been so difficult to close Doris Enwistle Karl Alexander and Linda Olson show why the first grade transition how children negotiate entry into full time schooling is a crucial period They also show that events over that time have repercussions that echo throughout children s entire school careers Currently the only study of this life transition to cover a comprehensive sample and to suggest straightforward remedies for urban schools Children Schools and Inequality can inform educators practitioners and policymakers as well as researchers in the sociology of education and child development

How School Leaders Contribute to Student Success Kenneth Leithwood,Jingping Sun,Katina Pollock,2017-03-15 While considerable evidence indicates that school leaders are able to make important contributions to the success of their students much less is known about how such contributions are made This book provides a comprehensive account of research aimed at filling this gap in our knowledge along with guidelines about how school leaders might use this knowledge for their own school improvement work Leadership practices known to be effective for improving student success are outlined in the first section of the book while the remaining sections identify four paths along which the influence of those practices flow to exercise an influence on student success Each of the Rational Emotional Organizational and Family paths are populated by conditions or variables known to have relatively direct effects on student success and also open to influence by effective leadership practices While the Four Path framework narrows the attention of school leaders to a still considerable number conditions known to contribute to student success it leaves school leaders the autonomy to select for improvement efforts the sub set of conditions that make the most sense in their own local circumstances The approach to leadership described in this book provides evidence based guidance on what to lead and flexibility on how to lead for purposes of improving student learning
