twelfth century writers the difficulties that arose when they attempted to recapture the certainty that characterized the Consolation and the survival of aspects of this literary mode in later Latin and vernacular literature **The Unity of the Proslogion** John Bayer, 2021-09-20 Interpretations of Anselm's Proslogion range between the extremes of rationalism and fideism because of the challenge of unifying its philosophical and devotional aspects In this book Bayer argues that a monastic interpretation or an interpretation that takes seriously the intellectual significance of our existential commitments offers a powerful compromise Through an extensive study of Anselm's spirituality especially as it is manifested in his letters and homiletic works coupled with a profound study of Anselm's philosophy of language in the De grammatico and Monologion Bayer aims to reveal the Anselmian unity of life and thought and thereby also the harmony between faith and reason In this way he defends the Proslogion as a unified and probative argument
