**Dr. Howie Knoff**

## **School Behavior And School Discipline:**

*School Discipline and Self-discipline* George G. Bear, 2010-06-03 All school psychologists and educators who work with children in primary and secondary settings should read this book It provides a comprehensive guide to the theory and benefits of addressing challenging behaviors while actively promoting self discipline and prosocial behavior Bear presents up to date evidence based techniques in this user friendly guide Amber L Evenson MS EdS school psychologist Proviso Area for Exceptional Children Special Education Cooperative Maywood Illinois      *A New Model of School Discipline* David R. Dupper, 2010-03-25 David Dupper presents a transformative new model of school discipline that is preventive proactive and based on relationships      *School Discipline, Classroom Management, and Student Self-Management* Howard M. Knoff, 2012-06-12 An integrated comprehensive approach to positive behavioral supports and interventions This book provides a pragmatic easy to follow blueprint for Positive Behavior Support Systems PBSS implementation that integrates academics instruction and achievement with discipline behavior management and student self management Award winning author Howard M Knoff provides guidance on Implementing a schoolwide discipline and safe schools program Teaching students interpersonal social problem solving conflict prevention and resolution and emotional coping skills Guiding professional development staff and student buy in and evaluation Strengthening parent and community outreach and involvement Included are charts to post in classrooms worksheets and action items Research based case studies demonstrate how PBSS activities create positive climates pro social interactions and effective management approaches      **The School Discipline Fix: Changing Behavior Using the Collaborative Problem Solving Approach** J. Stuart Ablon, Alisha R. Pollastri, 2018-08-21 A complete guide to a paradigm shifting model of school discipline Disruptive students need problem solving skills not punishment Traditional school discipline is ineffective and often damaging relying heavily on punishments and motivational procedures aimed at giving students the incentive to behave better There is a better way Dr Ablon and his co author Dr Pollastri have been working with schools throughout the world to refine the Collaborative Problem Solving CPS approach creating a step by step program for educators based on the recognition from research in neuroscience that challenging classroom behaviors are due to a deficit of skill not will This book provides everything needed to implement the program including reproducible assessment tools to pinpoint skill deficits in areas like frustration tolerance and flexibility that are at the root of students challenging behaviors Whether you are a teacher counselor coach or administrator the CPS approach to school discipline will provide you with a new mindset an assessment process and an effective intervention plan for each of your challenging students You will walk away with strategies that are immediately actionable with the students in your life      *Student Discipline Strategies* Oliver Clinton Moles, 1990-01-01 Almost a third of public school teachers have considered leaving teaching because of student misbehavior When asked what were the greatest problems facing their local schools respondents to Gallup polls have cited discipline first almost every year back to the early 1970s Discipline problems

may range from crimes in schools such as robbery and drug dealing committed by students or intruders to lack of respectful behavior toward teachers and classmates and the spectrum from crimes to disrespect is discussed in the chapters of this ground breaking volume This collection by leading scholars should be useful to social scientists educational researchers educators and school administrators all those who need to understand how specific and manipulable features of schools classrooms and their surrounding environments affect the course of student behavior and prospects for sustained improvement in the discipline climate in schools The information in these chapters provides many practical ideas as well as some cautions for trying new approaches to make schools more orderly learning environments for all students **School**

**Behavior and School Discipline** Eve E. Gagne,1982-09-28

**Discipline in the Secondary Classroom** Randall S.

Sprick,2013-03-05 A teacher s success throughout the school year is largely determined by the events of the first few weeks of school In his highly successful book Discipline in the Secondary Classroom more than 100 000 copies sold classroom management guru Randall Sprick offers practical strategies for beginning the school year organizing the classroom for success and establishing rules and behavior expectations for students He also provides scores of helpful tips gathered from successful classroom teachers or gleaned from the latest educational research Discipline in the Secondary Classroom is a treasure trove of practical advice tips checklists reproducibles posters and ready to use activities that will save teachers time and help them become more effective educators Both new and seasoned teachers will find this book invaluable for designing a management plan that prevents problems motivates students and teaches them to behave responsibly Discipline in the Secondary Classroom includes nine chapters that cover everything from creating a vision for classroom behavior to modifying a student behavior plan as the school year progresses Also included is a DVD featuring Dr Sprick teaching two core topics from within the book How to finalize your classroom management plan and communicate it to students How to reinforce positive behavior in students rather than react to negative behavior **Closing the School Discipline Gap**

Daniel J. Losen,2014-12-01 Educators remove over 3 45 million students from school annually for disciplinary reasons despite strong evidence that school suspension policies are harmful to students The research presented in this volume demonstrates that disciplinary policies and practices that schools control directly exacerbate today s profound inequities in educational opportunity and outcomes Part I explores how suspensions flow along the lines of race gender and disability status Part II examines potential remedies that show great promise including a district wide approach in Cleveland Ohio aimed at social and emotional learning strategies Closing the School Discipline Gap is a call for action that focuses on an area in which public schools can and should make powerful improvements in a relatively short period of time Don't Suspend Me!

Jessica Djabrayan Hannigan,John E. Hannigan,2016-06-17 Learn how alternative discipline methods can create long term change Suspensions don t work They don t improve behavior and they don t address the social emotional needs of students There are better alternative discipline methods that can create positive meaningful long term changes in the behavior of

challenging students Aligned with educational law Don't Suspend Me gives educators the tools they need to apply these alternative methods Readers will find A toolkit with alternative strategies to use for the most common behavior challenges Case study examples and testimonials from educators in the field Worksheets and exercises for the major discipline incidents that occur in schools Answers to commonly asked questions Rules in School Kathryn Brady, Mary Beth Forton, Deborah Porter, 2011 Join the thousands of teachers in schools nationwide who have used this positive approach to discipline to establish calm safe classrooms in which students can do their best learning The approach to discipline presented in this book helps children develop self control understand how positive behavior looks and sounds and come to value such behavior With many examples from their own classrooms three experienced teachers offer practical techniques to help you establish clear expectations for behavior from day one teach students how to articulate their learning goals create classroom rules that connect to those goals use techniques such as Interactive Modeling to teach positive behavior reinforce positive behavior with supportive teacher language and quickly stop misbehavior and restore positive behavior so that children retain their dignity and continue learning *Implementing Effective School-wide Student Discipline and Behavior Management Systems*: Dr. Howie Knoff, 2009-02-02 Today's school wide Positive Behavioral Support approaches are more specific integrated effective and comprehensive than ever before This Electronic Book E Book describes the components and specific elements of Project ACHIEVE's evidence based Positive Behavioral Self Management System PBSS that addresses the prevention intervention and intensive needs of challenging students and is fully consistent with NCLB and IDEA Project ACHIEVE is a national award winning school improvement program that has been designated as an evidence based through two federal agencies for example the Department of Health teaching teachers the instructional self management skills that they need to run positive effective classrooms that consistently hold students accountable for their behavior and that result in student learning and behavioral growth and c teaching school staff organizational self management skills so that they develop the systemic approaches needed for identifying resources and building capacity to independently sustain successful building wide services for the prevention strategic intervention and intensive support needs of all students The six critical components that make up the PBSS then are presented in detail a the Stop b the development of grade level and building wide accountability systems c how to increase staff and student consistency d the analysis of Special situations e behavioral situations that occur in the common areas of a school and or that involve peer mediated teasing taunting bullying harassment and physical aggression e crisis prevention intervention and response and f the importance of home and community outreach Finally the E Book focuses specifically on Special Situations and Special Situation Analyses There are two types of Special Situations Setting specific and Student or Peer specific The Setting specific Special Situations involve the common or public areas of a school the hallways bathrooms cafeteria playground media center library buses and other school gathering places The Student or Peer

specific Special Situations involve the continuum from teasing to taunting to bullying to harassment to physical aggression or fighting Clearly these %u201Csetting%u201D and %u201Cstudent%u201D situations are critical to a PBSS as they can positively contribute to a school%u2019s positive climate or they can negatively interfere with the classroom climate making it more difficult for students to be completely engaged and focused on academic achievement In order to develop strategic interventions for these negative special situations this E Book describes how to conduct a %u201CSpecial Situations Analysis%u201D%u2014a systematic data based problem solving process that links Problem Identification to Functional Assessment Problem Analysis to Intervention and to Formative and Summative Evaluations The Functional Assessment Problem Analysis domains discussed will include a Student Characteristics Issues and Factors b Teacher Staff Characteristics Issues and Factors c Environmental Characteristics Issues and Factors Physical Plant and Logistics d Incentives and Consequences and e Resources For Student specific Special Situations the Peer Group is added to the analysis In the end this E Book describes a functional effective and comprehensive school wide system that maximizes students%u2019 academic achievement creates safe school environments and positive school climates increases and sustains effective classroom instruction and parent involvement and collects data to demonstrate student and building outcomes This E Book describes the necessary components of a PBSS and provides an in depth and practical step by step approach to the Special Situation Analysis demonstrating its explicit link with the strategic interventions that help schools to decrease or eliminate these issues%u2014thus increasing their positive and productive school climates and classroom settings     Practical School

Discipline Ray Coppock Beery,1916     **The Educator's Guide to Assessing and Improving School Discipline**

**Programs** Mark Boynton,Christine Boynton,2007-12-15 Blending research with teacher developed strategies this book helps teachers better understand students cultural differences and turn educational challenges into educational opportunities

*Promoting Effective Discipline in School and Classroom* Donald R. Grossnickle, Frank P. Sesko,1985 This practical self help guide approaches the topic of student discipline from the practitioner s perspective Chapter 1 prescribes a teamwork approach to schoolwide and classroom discipline involving a schoolwide commitment to mutual respect among students and staff and positive classroom management by teachers Chapter 2 offers as practical advice 40 brief simple truths about school discipline Chapter 3 presents a three part systems approach to designing a comprehensive discipline program and outlines 23 essential discipline program components Chapter 4 Establishing a Positive Approach identifies guiding principles and specific steps toward promoting a more disciplined learning environment in schools Chapter 5 outlines responsibilities of teachers and administrators in designing a preventive discipline program and provides two illustrative case studies Chapter 6 presents a schoolwide model for establishing a preventive approach while Chapter 7 is an extensive discussion of discipline intervention by administrators and counselors Chapter 8 provides a case study of the steps taken by a Chicago area high school in launching a schoolwide climate improvement project focusing on effective discipline Nine appendixes provide

sample documentation and administrative instruments for various aspects of a school discipline program TE **School Discipline and Safety** Suzanne E. Eckes, Charles J. Russo, 2012-09-06 Written and signed by experts in the field this volume in the point-counterpoint Debating Issues in American Education reference series tackles the topic of school discipline and safety providing readers with an illustrated overview of the subject as well as resources for further study *Improving School Discipline* Willis J. Furtwengler, William Konnert, 1982 **Judging School Discipline** Richard Arum, 2005-09-30 Reprimand a class comic restrain a bully dismiss a student for brazen attire and you may be facing a lawsuit This is an account of how decades of mostly well intended litigation have eroded the moral authority of teachers and degraded the quality of American education Disruptive Student Behavior in the Classroom Kevin J. Swick, 1985 The purpose of this research report is to explore practices that teachers can use to respond to behavior problems in their classes Preliminary discussion focuses on understanding the context of student behavior and identifying student behavior problems early Positive responses to student behavior problems are discussed in terms of the following tips use a preventive approach establish fair limits set a positive example restore order when a problem occurs avoid delegating classroom management problems to others whenever possible locate the real problem change the classroom environment when necessary provide alternatives to undesirable behavior help students understand the consequences of their behavior make provisions for a time out help students modify their behavior use group counseling procedures to promote positive behavior avoid reinforcing negative behavior invite students to succeed in the classroom and know how to deal with pathological behavior Five teacher behaviors modeling designing interacting responding and assessing are discussed as ways of introducing students to a way of life in the classroom Concluding discussion concerns the influence of leadership style on student behavior the relations between curriculum and student behavior problems and student behavior problems and the community Nearly 120 references are cited RH Student Discipline Ben Brodinsky, 1980 *Student Discipline* Philip M. Brown, 2016-02-03 The foundation for a safe school rests on the creation of a healthy school climate a caring community where students feel safe and relationships facilitate prosocial growth as well as academic learning A balance of structure and support is essential and requires an organized schoolwide approach that is practiced by all school personnel Codes of student conduct that rest on core ethical values rather than just rules and punishment are a start Recognizing that teachers are moral educators and schools model expectations for citizenship undergirds the prosocial school From PBIS and restorative justice to mindfulness and the importance of play from academic integrity to peer group support we examine the science and evidence informed programs that support a prosocial approach to school discipline Eight schools from across the country that have struggled and learned to be beacons of prosocial school approaches are highlighted through summaries and links to their stories Proactive responses to the U S Department of Education's Guiding Principles on School Discipline are provided by education law experts from the National School Climate Center and the New Jersey Principals and Supervisors Association

## Decoding **School Behavior And School Discipline**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
