Secret Weapon Kevin D. Freeman, 2012-01-16 A New York Times bestseller Who's really to blame for America's catastrophic financial meltdown and devastating national recession Contrary to what the Occupy Movement might tell you it's not just greedy Wall Street executives though they certainly earned their share of scorn It's not just failed regulation even though Washington has failed miserably both Republicans and Democrats to protect us As one of America's top financial professionals reveals in this shocking new book the failures of Wall Street and Washington have opened us up to economic warfare with our foreign enemies exploiting our lurking financial weaknesses In *Secret Weapon* Kevin D Freeman unveils how all the evidence including motive means and opportunity points to America's foreign enemies as deliberately pushing our economy over the brink

The Secret Weapon Against Terrorism Daniel Ogwen, 2007-10 In this book Ogwen is not seeking God's best answer for terrorism but God's personal intervention He points out the difference it makes when God Himself shows up in the hearts of both the terrorist and the terrorized God's law for example is perfect His best Psalm 19:7 but some religious people almost executed a woman based on their understanding of this law All this changed when instead of God's best God Himself showed up John 8:3-11 The books that have been written on terrorism are basically descriptive and informative In this book however Ogwen compellingly turns the light on to the prescriptive and transformative *Secret Weapon Against Terrorism* He maintains Our greatest desire is to bring back civility sanity and security so that we can travel work and gather in social places without fear We don't seek to understand terrorism more than we long to stop it This book therefore doesn't describe the problem it prescribes the solution In the morning hours of January 22nd 1989 Ogwen stumbled on what he had been unknowingly seeking something that would quench the sensual cravings in his life He met Christ and was sensationally saved Since then he has passionately pursued God's pleasure Ogwen believes that God spoke to him saying I am going to give you My best But he answered and said Lord I need more than Your best I need You Personally That was Ogwen's quest The result as he puts it God didn't just give me His best He gave me Himself in the person of Christ Ogwen holds Bachelor of Education Moi University Kenya and M Phil in Mass Communication and Media Studies University of Bergen Norway He is married to Laura Caroline and they are blessed with two boys Victor and Jim Jif and a girl Baraka

England's Secret Weapon Amanda Field, 2012-07-19 England's *Secret Weapon* explores the way Hollywood used Sherlock Holmes in a series of fourteen films spanning the years of World War II in Europe from *The Hound of the Baskervilles* in 1939 to *Dressed to Kill* in 1946 Basil Rathbone's portrayal of Holmes has influenced every actor who has since played him on film TV stage and radio yet the film series has until now been neglected in terms of detailed critical analysis The book looks at the films themselves in combination with their historical context and examines how the studio updated Holmes and recruited him to fight the Nazis steering a careful course between modernising the detective and making sure he was still recognisable as the old Holmes in clothes locations and behaviour

The Secret Weapon of Africa Yao Foli Modey,2014-08-13 It was in the middle of the harmattan season and the weather was hot and humid The scorching rays of the sun had sucked the moisture out of every plant in the land and had turned the green leaves into dark yellow in color Many of the leaves had fallen to the ground and had begun to decompose into dark loamy soil rich fertile land innocent and untouched And that was the way it was in ancient times That was the way it was until the Oburoni slave traders arrived on the continent and changed everything imposing their greed and guns on the inhabitants The dry humid air left many people panting for breath and sweating profusely The women complained bitterly the children suppressed their discomfort but the men simply ignored the weather because they had bigger problems on their minds They'd been thinking about the death and the devastation that the Oburoni intruders these uninvited aliens had unleashed on the land
