Selected Novels And Stories:

A CRITICAL STUDY OF THE SELECT NOVELS OF SALMAN RUSHDIE Dr. Abhibunnisha Begum, 2019-03-26 Indian writing in English is the term which denotes the original creative writings by Indians. It is the literature originally written in English by writers including the expatriate Indian writers like Salman Rushdie. India's contribution to world literature especially of the twentieth century has been mostly in the field of fiction in English. The novels reflected realistic picture of the period to which the novelist belongs. Diasporic Consciousness in the select novels of Chitra anarjee Divakaruni Dr. P.

Prasanna Kumari, 2018-09-14 The story of the Indian English novel is about the story of changing India. There was a time when education was a rare opportunity and speaking English was not considered necessary. The stories were already there spread all over the subcontinent in the myths in the folklore and the umpteen languages and cultures that gossiped, conversed, laughed and cried. India has always been a land of stories. **A CRITICAL ANALYSIS OF HUMAN**

PREDICAMENT IN THE SELECT NOVELS OF CHAMAN NAHAL Dr. Rakoti. Srinivasa Rao & Dr. V.B. Chithra, 2023-06-26 Within the pages of this book lies a captivating journey that delves into the origin and development of the English novel, the realm of Indian English Writing and the profound literary contributions of the renowned author Chaman Nahal. Nahal's insightful work sheds light on the rift that emerged due to the insulating attitudes of the ruling class, unravelling the impact on both sides of this colonial encounter. As the narrative unfolds, the book meticulously traces the gradual encroachment of materialism within society, leading to a gradual erosion of spirituality. The multifaceted themes explored within these pages paint a vivid tapestry of human emotions and experiences: Love, affirmation, vanity, absurdity, existential questions of life and death, and the haunting memories of a traumatic partition are intricately woven into the fabric of Nahal's narrative. Through his novels, Nahal imparts a powerful message urging readers to embrace life in its entirety. From the joyous celebrations to the tumultuous adversities, Nahal reveals that life is worth embracing even in the face of its most challenging moments. His words resonate with an affirmative psychological orientation, guiding readers to manage their emotions in a way that fosters a sense of dignity and forges a path filled with hope. Within the pages of this exceptional book, readers will find themselves captivated by Nahal's mastery of storytelling and his ability to craft characters that resonate deeply within the human psyche. It is a book that leaves an indelible mark on the reader's soul, a testament to the enduring power of words and their ability to illuminate the depths of the human experience. **Select Novels**, 1865 **From Brown to Bunter** P. W.

Musgrave, 2015-08-27 Originally published in 1985, this is a fascinating account of the life cycle of a minor literary genre: the boys' school story. It discusses early nineteenth-century precursors of the school story, didactic works with such revealing titles as *The Parents Assistant*, and goes on to examine in detail the two major examples of the genre: Hughes's *Tom Brown's School Days* and Farrar's *Eric*. The slow development of the genre during the 1860s and 1870s is traced, and its institutionalisation by Talbot Baines Reed is, for example, described. Many similar works

were subsequently published for adults and adolescents and the author shows how they differ from the originals in being critical in tone and written to a formula in plot and style This development is discussed in relation to the changing social structure of Britain up to 1945 by which time to life of the genre was almost ended Selected Reference Books New York State Library. School,1899 Rabindranath Tagore's Ideational Challenges Bidyut Chakrabarty,2022-12-30 Rabindranath Tagore s Ideational Challenges is an analytical attempt to show that Rabindranath Tagore in his own unique style raised some troublesome sociocultural issues that constrained the attainment of the politico ideological objectives that the nationalists espoused His creative texts were not merely literary articulation of the issues but were powerful responses to the prevalent conceptual parameters on which humanity rested Although the poet did not appear to have made such a claim his writings dealt with politico ideologically innovative ideas about human diversity that naturally flourished in the Indian subcontinent By approaching the pertinent sociocultural and politico ideological issues from a literary perspective the poet seemingly refashioned the dominant views on humanity The selected novels and short stories in this book represent a distinct voice explicit in the politico ideological message Keeping this in view each chapter is an articulation of the views that Rabindranath championed while contributing to ushering in a new vision based on his perception of well entrenched sociocultural values of the time **Masterpieces of British Modernism** Marlowe A.
