**James Merrill**

## **Selected Poems 1946 1985:**

*Selected Poems, 1946-1985* James Ingram Merrill, 1993      *Selected Poems, 1946-1985* James Merrill, 1992 It is a testament to the breadth of James Merrill's influence that one can without ruffling too many feathers declare him the greatest living American poet Few writers approach his exquisite knowledge of the English language its beauty and oddity he breathes vigor into our most common words and even fewer have managed to combine a sense of elegance with the momentous intellect and feeling that Merrill brings to his poems David Leavitt      *Selected poems, 1946-1985* ,1993

**Selected Poems of James Merrill** James Merrill, 2008-10-28 This volume brings together the best of Merrill and dazzles at every turn This balanced and compact selection will be an ideal introduction to his work for both students and general readers and an instant favorite among his familiars James Merrill himself once called his body of work chronicles of love and loss and in twenty books written over four decades he used the details of his own life comic and haunting exotic and domestic to shape a portrait that in turn mirrored the image of our world and our moment Includes poems from the domestic rupture of *The Broken Home* to the universal connections of *Lost in Translation* from the American storyteller of *The Summer People* to the ecologically motivated satirist of *Self Portrait in a Tyvek™ Windbreaker Log* Then when the flame forked like a sudden path I gasped and stumbled and was less Density pulsing upward gauze of ash Dear light along the way to nothingness What could be made of you but light and this      **A Whole World** James Merrill, 2021-04-06 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The selected correspondence of the brilliant poet one of the twentieth century's last great letter writers I don't keep a journal not after the first week James Merrill asserted in a letter while on a trip around the world Letters have got to bear all the burden A vivacious correspondent whether abroad where avid curiosity and fond memory frequently took him or at home he wrote eagerly and often to family and lifelong friends American and Greek lovers confidants in literature and art about everything that mattered aesthetics opera and painting housekeeping and cooking the comedy of social life the mysteries of the Ouija board and the spirit world and psychological and moral dilemmas in funny dashing unrevised missives composed to entertain himself as well as his recipients On a personal nemesis the ambivalence I live with It worries me less and less It becomes the very stuff of my art on a lunch for Wallace Stevens given by Blanche Knopf It had been decided by one and all that nothing but small talk would be allowed on romance in his late fifties I must stop acting like an orphan gobbling cookies in fear of the plate's being taken away on great books they burn us like radium with their decisiveness their terrible understanding of what happens Merrill's daily chronicle of love and loss is unfettered self-critical full of good gossip and attuned to the wicked irony the poignant detail a natural extension of the great poet's voice      **I-writing** Karen Surman Paley, 2001 In this ethnographic study of the teaching of writing Karen Surman Paley reveals the social significance of first person writing and the limitations of a popular taxonomy of composition studies Paley looks critically at the way social constructionists have created an Other in the field of composition studies and named it

expressivist Paley demonstrates the complexity of approaches to teaching writing through an ethnographic study of two composition faculty at Boston College a program that some would say is expressivist She prompts her colleagues to consider how family experiences shape the way students feel about and treat people of races religions genders and sexual preferences other than their own Finally she suggests to the field of composition that practitioners spend less time shoring up taxonomies of the field and more time sharing pedagogies

Books Promiscuously Read Heather Cass White, 2021-07-06 The critic and scholar Heather Cass White offers an exploration of the nature of reading Heather Cass White's Books Promiscuously Read is about the pleasures of reading and its power in shaping our internal lives It advocates for a life of constant disorderly time consuming reading and encourages readers to trust in the value of the exhilaration and fascination such reading entails Rather than arguing for the moral value of reading or the preeminence of literature as an aesthetic form Books Promiscuously Read illustrates the irreplaceable experience of the self that reading provides for those inclined to do it Through three sections Play Transgression and Insight which focus on three ways of thinking about reading Books Promiscuously Read moves among and considers many poems novels stories and works of nonfiction The prose is shot through with quotations reflecting the way readers think through the words of others Books Promiscuously Read is a tribute to the whole lives readers live in their books and aims to recommit people to those lives As White writes What matters is staying attuned to an ordinary unflashy mutely persistent miracle that all the books to be read and all the selves to be because we have read them are still there still waiting still undiminished in their power It is an astonishing joy

What Is It Then between Us? Eric Murphy Selinger, 2018-10-18 Tracing the solitude of the American self the difference between idolatrous and companionate affection and the dream of an America of love Eric Murphy Selinger shows how such concerns can shape a poet's most intimate decisions about genre and form His lucid elegant prose illuminates not only well known love poets including Emily Dickinson and William Carlos Williams but also more unexpected figures notably Wallace Stevens and Mina Loy Like the poets he discusses Selinger refuses to view love reductively Rather he takes the impulse to debunk love as part of his subject whether it crops up in Puritan theology or contemporary literary theory As he details Whitman's courtship of his readers weighs the restorations of romance in H D and Ezra Pound and demonstrates the bonds between poets as disparate as Robert Creeley and Robert Lowell Selinger establishes love poetry as an essential American genre

International Who's Who in Poetry 2005 Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is

supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes      *The Book of Ephraim* James Merrill,2018-04-03 For the first time in a stand alone edition the acclaimed poet s classic poem about his communication with Ephraim a guiding spirit in the Other World is here introduced and annotated by poet and Merrill scholar Stephen Yenser *The Book of Ephraim* which first appeared as the final poem in James Merrill s Pulitzer winning volume *Divine Comedies* 1976 tells the story of how he and his partner David Jackson JM and DJ as they came to be known embarked on their experiments with the Ouija board and how they conversed after a fashion with great writers and thinkers of the past especially in regard to the state of the increasingly imperiled planet Earth One of the most ambitious long poems in English in the twentieth century originally conceived as complete in itself it was to become the first part of Merrill s epic *The Changing Light at Sandover* 1982 the multiple prize winning volume still in print Merrill s supreme tribute to the web of the world and the convergence of means and meanings everywhere within it is introduced and annotated by one of his literary executors Stephen Yenser in a volume that will gratify veteran readers and entice new ones      **The Changing Light at Sandover** James Merrill,2011-08-02 A welcome return to paperback James Merrill s most famous and celebrated work      **Yeats as Precursor** S. Matthews,2000-01-27 As both a late Romantic and a modern W B Yeats has proved to be perhaps the most influential poet of the early twentieth century In this original study Steven Matthews traces through close readings of significant poems the flow of Yeatsian influence across time and cultural space By engaging with the formalist criticism of Harold Bloom and Paul de Man in their dialogues with Jacques Derrida he also considers Yeats s significance as the founding presence within the major poetry criticism of the century      *World War II in Asia and the Pacific and the War's Aftermath, with General Themes* Loyd Lee,1998-10-23 A companion to *World War II in Europe Africa and the Americas* this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature      *Against Oblivion* Ian Hamilton,2012-02-14 Ian Hamilton s last book published posthumously in 2002 is a typically brilliant revisiting of the concept of Samuel Johnson s classic *Lives of the English Poets* wherein Hamilton considers 45 deceased poets of the

twentieth century offering his personal estimation of what claims they will have on posterity and against oblivion Examples of each poet's verse accompany Hamilton's text making the book both a provocative primer and a kind of critical anthology The affective power of this book lies in its understatement and its understanding of what we might care about From a century of Manifestoes and Movements Hamilton works as a corrective for the local and particular his idea of poetry of what made greatness in poetry emerges intact from each measured sentence His criticism always pointed you towards all that he could find that was true in a piece of writing Tim Adams Observer *The New American Poetry, 1945-1960* Donald Allen, 1999 Donald Allen's prophetic anthology had an electrifying effect on two generations at least of American poets and readers More than the repetition of familiar names and ideas that most anthologies seem to be about here was the declaration of a collective intelligent and thoroughly visionary work in progress the primary example for its time of the anthology as manifesto Its republication today complete with poems statements on poetics and autobiographical projections provides us again with a model of how a contemporary anthology can and should be shaped In these essentials it remains as fresh and useful a guide as it was in 1960 Jerome Rothenberg editor of *Poems for the Millennium* The New American Poetry is a crucial cultural document central to defining the poetics and the broader cultural dynamics of a particular historical moment Alan Golding author of *From Outlaw to Classic Canons in American Poetry* [Encyclopedia of American Poetry: The Twentieth Century](#) Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

**Collected Prose** James Merrill, 2004 Sample Text [Swings And Shadows](#) Anne Harvey, 2011-06-30 Anne Harvey traces the patterns of the early years through such varied themes as toys night time theatre and school The book reflects many moods and emotions so that every reader will find something to their taste and discover the new and excitingly familiar as well as the classic half remembered favourite This outstanding collection includes work by renowned poets such as William Blake Charles Causley Percy Shelley W H Auden John Betjeman Roger McGough and William Wordsworth that will delight everyone from nine to ninety *The Cambridge Introduction to American Poetry since 1945* Andrew Epstein, 2022-12-15 Contemporary American poetry can often seem intimidating and daunting in its variety and complexity This engaging and accessible book provides the first comprehensive introduction to the rich body of American poetry that has flourished since 1945 and offers a useful map to its current landscape By exploring the major poets movements and landmark poems at the heart of this era this book presents a compelling new version of the history of American poetry that takes into account its

variety and breadth its recent evolution in the new millennium its ever increasing diversity and its ongoing engagement with politics and culture Combining illuminating close readings of a wide range of representative poems with detailed discussion of historical political and aesthetic contexts this book examines how poets have tirelessly invented new forms and styles to respond to the complex realities of American life and culture      **The American Play** Marc Robinson, 2009-01-01 In this brilliant study Marc Robinson explores more than two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O'Neill Stein Wilder Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens Jean Toomer Djuna Barnes and many others Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in American literature dance and visual art The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visibility He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama

Getting the books **Selected Poems 1946 1985** now is not type of inspiring means. You could not forlorn going taking into consideration book addition or library or borrowing from your links to retrieve them.
