## **Selected Poems 1968-1998 John Wood:**

*Selected Poems, 1968-1998* John Wood, 1999-01-01 Selected Poems 1968-1998 represents thirty years of John Wood's work offering his readers a most comprehensive view of an unusual mind and spirit that is at once eloquent and humorous. In poems that range from narratives, lyrics, and elegies to odes, satires, and even a mini epic, his work whips language into intense emotion. Recalled memories tumble with sense and grace. The homely and the visionary intertwine as the often stark realities of human experience are infused with love and light. The prospering genius of these poems is that they seek not so much to redeem or reclaim what is lost but to redirect perspectives with a generous sweep of possibilities. Wood's craft as a wordsmith gives us a voice that powerfully interprets what it means to be human and alive. John Wood holds professorships in both photographic history and English literature at McNeese State University in Lake Charles, Louisiana, where he is also director of the Master of Fine Arts Program in Creative Writing. He is the author of three previous books of poetry and seven books of art and photographic criticism. His books have won the Iowa Poetry Prize twice, the American Library Association's Choice Outstanding Academic Books of 1992, and the New York Times Book Review Best Photo Books of 1995. *Selected Poems: 1968-1998* (p) John Wood, 1999.
