Selected Short Stories Seren:

The Cambridge History of the English Short Story Dominic Head, 2016-11-14 The Cambridge History of the English Short Story is the first comprehensive volume to capture the literary history of the English short story Charting the origins and generic evolution of the English short story to the present day and written by international experts in the field this book covers numerous transnational and historical connections between writers modes and forms of transmission Suitable for English literature students and scholars of the English short story generally it will become a standard work of reference in its field

The Dragon Has Two Tongues Glyn Jones, 2018-05-15 First published in 1968 The Dragon Has Two Tongues was the first book length study of the English language literature of Wales Glyn Jones 1905-95 was one of Wales's major English language writers of fiction and poetry and the book includes chapters dealing with the work of Dylan Thomas Caradoc Evans Jack Jones Gwyn Thomas and Idris Davies all of whom the author knew personally This first hand knowledge of the writers coupled with the shrewdness of Glyn Jones's critical comments established The Dragon Has Two Tongues as a classic and invaluable study of this generation of Welsh writers It also contains Glyn Jones's own autobiographical reflections on his life and literary career his loss and rediscovery of the Welsh language and the cultural shifts that resulted in the emergence of a distinctive English language literature in Wales in the early decades of the twentieth century This edition of The Dragon Has Two Tongues was edited by Tony Brown who discussed the book with Glyn Jones before his death in 1995 with unique access to the author's proposed revisions and manuscript drafts and it was first published by the University of Wales Press in 2001

A Companion to the British and Irish Short Story David Malcolm, Cheryl Alexander Malcolm, 2009-01-30 A Companion to the British and Irish Short Story provides a comprehensive treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women's writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain

Literature of Nature Patrick D. Murphy, Terry Gifford, Katsunori Yamazato, 1998 First Published in 1999 Routledge is an imprint of Taylor Francis an informal company

Disreputable Pleasures Mike Huggins, J. A. Mangan, 2004-08-26 Challenging the respectable image of Victorian society this irreverent revisionist collection explores the sinful side of middle class Victorian leisure highlighting the problematic relationship between public respectability and private pleasure

Selected Short Stories Gwyn Thomas, 1988 **Olderr's Fiction Index**, 1990 *In the Shadow of the Pulpit* M. Wynn Thomas, 2009-10-15 Ranging from the nineteenth century to the present this book explores several central aspects of the ways in which the English language poetry and fiction of Wales has responded to what was for a crucial period of a century or so the dominant culture of Wales the culture of Welsh Nonconformity In the introduction the author reflects on why no sustained attempt has hitherto been made to investigate one of the formative cultural influences on modern Anglo

Welsh literature the Nonconformist inheritance The importance of addressing this strange and significant cultural deficit is then explained and a preliminary attempt made to capture something of the spirit of Welsh Nonconformity The succeeding chapters address and seek to answer such questions as What exactly did the Welsh chapels believe and do Why have the English language writers of Wales from Caradoc Evans and Dylan Thomas to R S Thomas and the authors of today been so fascinated by them How accurate are the impressions we've been given of chapel life and chapel people in the English language poetry and fiction of Wales The answers offered may alter our views both of the Welsh Nonconformist past and of Welsh writing in English One of the ideas advanced is that many of Wales most important writers went to war with the preachers in their texts and that their work is therefore the site of cultural struggle Theirs was a war in words waged to determine who would have the last word on modern Welsh experience *In the Criminal's Cabinet* Val Stevenson, Todd Swift, 2004

Fury of Past Time Daryl Leeworthy, 2023-05-25 Leeworthy set out to write a biography which fully reflects the complexity of Thomas life especially foregrounding the political character of Gwyn's character and creative output but he does so much more expanding the reader's knowledge by giving us not just the life but also the times This punchy portrait of a real Welsh literary heavyweight hits home with the brutal realism of Thomas jabbing prose and mordant wit Jon Gower Nation Cymru *Fury of Past Time* is a model of its kind An immense amount of research has gone into this biography which will be the standard work on Gwyn Thomas for many years to come It deserves to be read by those who already admire the fiction and will be an invaluable introduction for anyone coming to his writing for the first time John Barnie A review from www.gwales.com with the permission of the Books Council of Wales Leeworthy knows his subject intimately sympathises with him entirely and locates him globally in such a way as to leave the reader with no doubt as to his importance as a writer *Fury of Past Time* is destined to be the definitive work on the Rhondda Runyon for many years to come Bethan Jenkins Wales Arts Review Gwyn Thomas was born the last of twelve children into a Rhondda mining family in 1913 After a childhood marked by the strikes of the 1920s he went off to study Spanish at Oxford University and in Madrid where he met the poet Federico Garc a Lorca and witnessed the turmoil which would lead to the Spanish Civil War On his return amidst the economic mire of the 1930s and his own burgeoning teaching career in Barry in the 1940s he picked up his pen and began to write For more than forty years until his death in 1981 as novelist screenwriter master of the short story and prizewinning playwright Gwyn Thomas delivered compelling and comedic portraits of his world of South Wales His creative genius earned enduring fame on both sides of the Atlantic and on both sides of the European Cold War divide As a provocative and insightful broadcaster he embraced the possibilities of radio and television whilst leaving his hosts and guests alike in fits of knowing laughter This landmark biography enriched with unrivalled access to private papers and international archives tells the remarkable story of one of modern Wales's greatest literary voices **The Fiction of Emyr Humphreys** Linden Peach, 2011-01-15 For over half a century Emyr Humphreys's work as a novelist short story writer poet dramatist and

television producer has been extraordinarily impressive This pioneering and stimulating book considers Humphreys's fiction from a range of contemporary critical perspectives and stresses its relevance to the 21st century Drawing on the work of leading modern cultural and literary theorists such as Jacques Derrida and Homi Bhabha psychoanalytic critics such as Melanie Klein and Jacqueline Rose and gender theorists such as Judith Butler Linden Peach brings fresh perspectives to the content structure and developing nature of Humphreys's work employing for example historicist post historicist new geography psychoanalytic and feminist and postfeminist frameworks Through detailed readings which highlight subjects such as gender identity contested masculinities war pacifism strangeness and otherness problematic father and daughter relationships and cultural discourse in complex linguistic environments Peach suggests that Humphreys's work is best understood as dramatic dissident and or dilemma fiction rather than by the term Protestant novelist which Humphreys used to describe himself at the outset of his career Stressing how Humphreys came to see himself as more of a protesting novelist Peach examines how the dilemmas around which his fiction is based originally linked to Humphreys's definition of himself as a protestant writer increasingly become sites in which controversial and often dark themes are explored This approach to Humphreys's work is pursued through exciting readings of some of Humphreys's best and lesser known works including *A Man's Estate* *A Toy Epic* *Outside the House of Baal* *the Best of Friends* *salt of the Earth* *Unconditional Surrender* *The Gift of a Daughter* *Natives* *Ghosts* and *Strangers* *Old people are a Problem* *The shop* and *The Woman at the Window*

The Oxford Companion to Modern Poetry in English Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry

Roald Dahl Damian Walford Davies, 2016-08-15 Published to mark the centenary of Roald Dahl's Welsh birth *Roald Dahl Wales of the Unexpected* breaks new ground by revealing the place of Wales in the imagination of the writer known as the world's number one storyteller Exploring the complex conditioning presence of Wales in his life and work the essays in this collection dramatically defamiliarise Dahl and in the process render him uncanny Importantly Dahl is encountered whole his books for children and his fiction for adults are read as mutually invigorating bodies of work both of which evidence the ways in which Wales and the author's Anglo Welsh orientation demand articulation throughout the career Recognising the impossibility of constructing a monolithic Welsh Dahl the contributors explore the compound and nuanced ways in which Wales signifies across the oeuvre *Roald Dahl Wales of the Unexpected* takes Dahl studies into new territory in terms of both subject and method showing the new horizons that open up when Dahl is read through a Welsh lens *Locating Dahl* in illuminating new textual networks resourcefully offering fresh angles of entry into classic Dahl texts rehabilitating neglected Dahl texts and analysing the layered genesis of seemingly familiar works by excavating the manuscripts this innovative volume brings Dahl home in order to render him invigoratingly unhomely The

result is not a parochialisation of Dahl but rather a new internationalisation

The Anglo-Welsh Review, 1986

The Complete Short Stories and Famous Essays of Mark Twain Mark Twain, 1928

Creative Writing Guidebook Graeme Harper, 2008-10-08 Graeme Harper is quite possibly the best person in the country to edit this book Richard Kerridge Bath Spa University College UK The Creative Writing Guidebook is the key text for learning creative writing Packed full of useful advice exercises and readings it sets out an informative and inspiring introduction to writing creatively Taking a practical workshop approach to creative writing this comprehensive guidebook includes introductions to genres of writing including the novel poetry screenwriting new media and non fiction workshop exercises suitable for each genre a wide range of examples and suggestions for further reading and discussions of cross genre issues such as point of view character setting and voice Written by internationally renowned experts this is the definitive textbook on creative writing for students Contributors include Catherine Dent Ken Dancyge Adrienne Finlay Graeme Harper Gill James Jeri Kroll Oliver Mayer Graham Mort William S Penn Hazel Smith and Silas Zobel

The Female Gothic D. Wallace, A. Smith, 2009-11-12 This rich and varied collection of essays makes a timely contribution to critical debates about the Female Gothic a popular but contested area of literary studies The contributors revisit key Gothic themes gender race the body monstrosity metaphor motherhood and nationality to open up new critical directions

Nightwatch William Scammell, 2008 Some time before his death in 2000 the poet William Scammell began to put together a collection of his critical essays and reviews to which he gave the title Night Watch Many of these pieces had first appeared in such prestigious places as The Independent on Sunday Listener London Magazine Poetry Review and TLS whose editors rightly saw in Scammell one of the sharpest most entertaining and independent minded critics of his generation Although Scammell died before the collection could assume final shape this has now been supplied by his son Ben and by Scammell's friend the poet and translator Christopher Pilling Night Watch contains invaluable commentaries on major writers such as Heaney Hughes and Larkin as well as more general considerations of the state of contemporary poetry and criticism all of them illuminated by Scammell's flashing wit

[New Welsh Short Stories](#) Francesca Rhydderch, 2015-04-14 Nineteen compelling and varied short stories by writers born or living in Wales With widely differing approaches to form and style this is a confident selection of superb new stories from up and coming established and award winning writers

Short Plays with Great Roles for Women Suzette Coon, 2019-11-05 Short Plays with Great Roles for Women is an antidote to the traditional underrepresentation of women on stage by offering twenty two short plays that put women right at the centre of the action The push for more women's roles has gathered force over the last few years and this collection is part of that movement with rich intelligent roles for women of all ages and backgrounds This anthology offers a vital slice of life addressing relevant and diverse topics such as a young Islamic woman coming out to her religious mother black women's navigation of the natural hair movement bullying in a small town American school social media addiction and the trials and tribulations of family life Plays from award winning playwrights are supported by original

production details and playwrights afterwords forming a broad and comprehensive collection of complete texts that offer full character journeys Appealing to aspiring performers playwrights directors and students Short Plays with Great Roles for Women is an essential resource for actor training assessments showcases show reels short films and theatre performances
