Socialism or Barbarism? Rosa Luxemburg,2010-11-15 Rosa Luxemburg 1871 1919 was one of the most brilliant and passionate minds drawn to the revolutionary socialist movement An outstanding social and economic theorist of the twentieth century and a dedicated political activist she proved willing to go to prison and even give her life for her beliefs Providing an extensive overview of her writings this volume contains a number of items never before anthologized Her work was broad in scope tackling capitalism and socialism globalization and imperialism history war and peace social struggles trade unions political parties class gender race the interconnection of humanity with the natural environment The editors provide an extensive and informative introduction outlining and evaluating her life and thought This is the best introduction to the range of Rosa Luxemburg s thought **Political Judgments** Dick Howard,1996 Against the backdrop of the radical change in political conditions since the 1989 revolutions in Eastern Europe noted philosopher and political theorist Dick Howard asks what is modern politics Returning to the historical problems posed by the French and American Revolutions Howard examines the ways that philosophy has tried to understand the contemporary political dilemma He then puts his theory to the test by looking at political problems in Eastern Europe in the European Union and in the United States This collection of essays many available in English for the first time will be useful to philosophers sociologists and political scientists

Thinking Systematics Murray E.G. Smith,Tim Hayslip,2025-02-14T00:00:00Z Thinking Systematics TSS is conceived as a toolkit for the mind designed to improve how we think about the world analyze information and pursue our goals Smith and Hayslip make a compelling argument that individual thinking and collective decision making are being systematically constrained within limits imposed by outmoded forms of cognition and the determination of privileged elites to perpetuate an unsustainable status quo The dialectical reasoning advocated in this wide ranging book aims to overcome those limits and to allow a much more profound understanding of the human condition in the 21st century Mainstream problem solving focuses almost exclusively on scientific technological fixes on one side and moral cultural remedies on the other But to comprehend our world adequately far more serious attention must be given to the specifically social economic and political arrangements shaping our lives Once embraced by growing numbers of people TSS strategies methods and habits of thought can contribute significantly to a new common sense one adequate to meeting the immense challenges facing humanity in our era

Classical Sociological Theory Bert N. Adams,R A Sydnie,2002-01-29 This is an eminently lucid readable and comprehensive survey of classical sociological theory Adams and Sydnie provide thoughtful summaries and assessments of the works of dozens of social thinkers By significantly broadening the cannon and devoting special attention to call gender and race they bring theory up to date even as they take seriously the rich legacy of the past I have never read a more exciting

introduction to the theories of our discipline Mustafa Emirbayer University of Wisconsin Madison A concise yet surprisingly comprehensive theory text given the range of ideas historical context and theorists discussed Unlike other books of the type Classical Sociological Theory focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life

The American Worker and the Absurd Truth about Marxism Alan Johnson,2023-03-20 In 1906 Werner Sombart famously quipped that the ship of American socialism had crashed on the reefs of roast beef and apple pie Why did socialism never take ground in the USA This volume opens with the first English translation of Karl Kautsky s 1906 long essay The American Worker an extended response published in Die Neue Zeit to Sombart s 1905 essay Why Is There No Socialism in the United States Other essays and reviews are each marked by an effort to come to terms with the fact that Friedrich Engels s optimism that History would take care of class consciousness in the USA has been proven misplaced Originally published as issue 4 of Volume 11 2003 of Brill s journal Historical Materialism For more details on this journal please click here

Revolutionary Democracy Soma Marik,2018-03-09 In this wide ranging and insightful work Soma Marik defends the legacy of the Bolshevik Revolution arguing against many of its detractors that the early communist regime was centrally concerned with both the liberation of women and the expansion of democracy Soma Marik teaches Women s Studies and History at Jadavpur University
