Selected Prose Poets On Poetry:

On Poetry and Craft Theodore Roethke, 2001-01-01 Roethke's prose teems with fierce intelligence and outrageous quoteable quotes

Complete Poetry and Selected Prose Walt Whitman, 1959 An anthology of Walt Whitman's poetry and some of his prose works includes introductions and prefaces to some of the poems

Evolution of the Bridge Maxine Chernoff, 2004 Evolution of the Bridge Selected Prose Poems collects work from Maxine Chernoff's previous volumes written over the past thirty years. It features such classics as *The Last Aurochs*, *A Vegetable Emergency Utopia*, *TV Store*, *New Faces of 1952* and provides the reader with ample evidence that Maxine Chernoff continues to be one of the most significant practitioners of the prose poem in America today. As Michael Benedikt, editor of *The Prose Poem: An International Anthology*, said of her work: Underlying all of Maxine Chernoff's prose poems is the possibility of magic. Writing in the fabulist mode, she explores the bizarre in everyday life and questions the very rules of engagement with language, social norms, and politics. The reader is jolted out of his complacency by the lens of her writing. If the world could look through Maxine's eyes for even five minutes every day, there would be no need whatsoever for the pompous self-righteousness that currently spoils the polis. Her views of human life are wise and corrective tales that cure by correcting perspective.

Andrei Codrescu: Her abiding interest in the prose poem has led to a collection that not only shows what she has done to revitalize the form but also where it may go from here. Witness the new prose poems in the section collected from *World Poems 1991-2001*. As Rachel Loden notes: The absurdist playlets cum vaudeville skits are some of the best fun ever vouchsafed to a poetry book. Each of these routines is a valiant attempt to limn the shape of human logic, a project that turns out to be both daunting and curiously satisfying. What's left is the spine of language and the rippled furrows of the human brain. And perhaps Groucho Marx and Margaret Dumont at war in a sort of paradise.

Ethan Paquin, referring to the same dialogue-based prose poems, states that these comedic scenes are remarkable for their transcendence of comedy. It is as if the speakers were engaged in the world's final debate. The only question is: Which world?

Selected Prose and Prose-Poems Gabriela Mistral, 2010-01-01 The first Latin American to receive a Nobel Prize for Literature, the Chilean writer Gabriela Mistral (1889-1972) is often characterized as a healing maternal voice who spoke on behalf of women, indigenous peoples, the disenfranchised children, and the rural poor. She is that political poet and more a poet of philosophical meditation, self-consciousness, and daring. This is a book full of surprises and paradoxes. The complexity and structural boldness of these prose poems, especially the female erotic prose pieces of her first book, make them an important moment in the history of literary modernism in a tradition that runs from Baudelaire, the North American moderns, and the South American postmodernistas. It's a book that will be eye-opening and informative to the general reader as well as to students of gender studies, cultural studies, literary history, and poetry. This Spanish-English bilingual volume gathers the most famous and representative prose writings of Gabriela Mistral, which have not been as readily available to English-only readers as her poetry. The pieces are grouped into four sections: Fables, Elegies, and Things of

the Earth includes fifteen of Mistral's most accessible prose poems *Prose and Prose Poems from Desolaci n Desolation* 1922 presents all the prose from Mistral's first important book *Lyrical Biographies* are Mistral's poetic meditations on Saint Francis and Sor Juana de la Cruz *Literary Essays Journalism Messages* collects pieces that reveal Mistral's opinions on a wide range of subjects including the practice of teaching the writers Alfonso Reyes Alfonsina Storni Rainer Maria Rilke and Pablo Neruda Mistral's own writing practices and her social beliefs Editor translator Stephen Tapscott rounds out the volume with a chronology of Mistral's life and a brief introduction to her career and prose

On the Poet and His Craft Theodore Roethke, 1965 Overview One of the virtues of good poetry is the fact that it irritates the mediocre Theodore Roethke was one of the most famous and outspoken poets and poetry teachers this country has ever known In this volume of selected prose Roethke articulates his commitments to imaginative possibilities offers tender advice to young writers and zings darts at stuffed shirts lightweights and fools

Sir Philip Sidney Philip Sidney, 1983 An anthology grounded in the historic and aesthetic context of a crucial figure in 16th century English literature

C. Day-Lewis Cecil Day Lewis, 2017 A selection of the prose writings of the poet and novelist Cecil Day Lewis 1904-72 poet laureate and Oxford professor of poetry who published more than twenty volumes of poetry in his lifetime

Robert Duncan Robert Duncan, 2019-10-22 This volume in the *Collected Writings of Robert Duncan* series gathers a far reaching selection of Robert Duncan's prose writings including most of his longer and more well known essays along with other prose that has never been widely available Ranging in original publication dates between 1940 and 1985 the forty one titles reveal a great deal about Duncan's life in poetry including his impressions of poets whose work he admires both contemporaries and precursors Evocative and eclectic this work delineates the intellectual contexts and sources of Duncan's poetics and opens a window onto the literary communities in which he participated

Blood, Bread, and Poetry: Selected Prose 1979-1985 Adrienne Rich, 1994-07-17 That Adrienne Rich is a not only a major American poet but an incisive compelling prose writer is made clear once again by this collection in which she continues to explore the social and political context of her life and art Examining the connections between history and the imagination ethics and action she explores the possible meanings of being white female lesbian Jewish and a United States citizen both at this particular time and through the lens of the past

Selected Prose of James Clarence Mangan James Clarence Mangan, 2004 That Mangan is Ireland's foremost Romantic poet is by now a commonplace The poetry of this self proscribed Out and Outer may have contributed to the picture of an eccentric genius writhing in romantic agony far removed from the daily throng But there was a public side to this private poet In reality from the age of 28 with his publication of the politically engaged *The Two Flats Our Quackstitution* this poet remained in constant dialogue with the wider reading public Prose afforded the poet his podium And much of his mature poetry is contained within prose articles In prose Mangan taught thought deliberated parodied and afforded glimpses of himself which were hidden from his poetic alter ego In his *German and Oriental Anthologies* he opened up a world of literature to his Irish readers Articles like *A Sixty*
