Selected Writings Marguerite de Navarre, 2008-11-15 Marguerite de Navarre 1492-1549 was the sister and wife to kings and a pivotal influence in sixteenth century France An astute politician and diligent humanist she was a champion of gender equality and the evangelical reform movement which recognized that the clergy was more concerned with maintaining the church's power than ministering to the faithful As the years passed and the glitter of life at court waned however Marguerite came to realize her true vocation writing Selected Writings brings together a representative sampling of Marguerite's varied writings most of it never before translated into English enabling Anglophone readers to enjoy the full breadth of her work for the first time From verse letters and fables to mythological pastoral tales from spiritual songs to a selection of novellas from the Heptameron the wide range of works included here will reveal Marguerite de Navarre to be one of the most important writers male or female of sixteenth century France **Selected Writings** Saint Alfonso Maria de' Liguori, 1999 This volume of the acclaimed Classics of Western Spirituality TM is a significant one It offers new translations of a representative selection of the spiritual writings of Alphonsus de Liguori 1696-1787 saint bishop religious founder the Redemptorist Congregation and doctor of the church The late Frederick M Jones principal editor of this volume and author of an acclaimed biography of Alphonsus has written an exceptional introduction that outlines this saint's life with particular emphasis on the political sociological and intellectual climate of Bourbon Naples in which he lived wrote and ministered The writings presented here demonstrate the wide range of his work and its relevance to Christian life and spirituality in our own day o Spiritual Writings o Spiritual Direction o Devotional Writings o Prayer o Moral Theology o Letters Alphonsus devotional writings had an enormous impact on the practices of Catholic piety right up to Vatican II In addition he played an influential role in the development of moral theology This collection of his works fills a demand for an English translation of Alphonsus

major spiritual works Among the interested readers will be members of the Redemptorist order theology students and students of 18th century Italian church history and society

The Collected Works of St. Teresa of Avila Vol 2 Saint Teresa (of Avila), Kieran Kavanaugh, Otilio Rodriguez, 1976 This volume contains two of Teresa's most popular works The Way of Perfection and The Interior Castle Shortly after writing The Book of Her Life for her confessor St Teresa wrote The Way of Perfection at the request of her nuns who were eager to learn about prayer and contemplation Throughout this work she teaches her nuns about prayer and also teaches us Toward the end of her life after she had experienced both the spiritual betrothal and spiritual marriage Teresa wrote The Interior Castle her own panoramic view of her relationship with God from the lowest stages to the highest Teresa here demonstrates her great gift for writing about that relationship and attracting us to explore the possibility of pursuing it Along with these two classics Volume Two also includes one of Teresa's minor works her Meditations on the Song of Songs

Selected Works, Vol. 2 Alford Edersheim, 2015-11-29 You are about to embark upon a simple and impartial account of Judaism on the one hand and a perusal of the Gospels on the other constituting one of the most convincing proofs of the Divine origin of the Christian religion and of its organic connection with that of the Old Testament Again it is impossible to read the Gospel narrative in the light of Jewish history without feeling that the notions and circumstances to which it alludes are exactly those of the time in which Jesus Christ lived and taught on earth They apply to that period and to that period only The notions the modes of speaking the opposition and its very manner to which the New Testament refers are exactly those of that period If a copy of the Gospels were put into the hands of an impartial Jewish historian he could not fail to discover that the events there chronicled must have taken place exactly at the time when according to Christian belief Jesus walked among men This is the legacy of A Edersheim

Selected Poetry and Prose Chiara Matraini, 2009-05-15 Chiara Matraini 1515 1604 was a member of the great flowering of poetic imitators and innovators in the Italian literary heritage begun by Petrarch cultivated later by the lyric poet Pietro Bembo and supplanted by the epic poet Torquato Tasso Though without formal training Matraini excelled in a number of literary genres popular at the time poetry religious meditation discourse and dialogue In her midlife she published a collection of erotic love poetry but later in life her work shifted toward a search for spiritual salvation Near the end of her life she published a new poetry retrospective Mostly available in only a handful of rare book collections her writings are now adeptly translated here for an English speaking audience and situated historically in an introduction by noted Matraini expert Giovanna Rabitti

Selected Poetry and Prose allows the poet to finally take her place as one of the seminal authors of the Renaissance next to her contemporaries Vittoria Colonna and Laura Battiferra also published in the Other Voice series

Selected Poems and Translations Madeleine de l'Aubespine, 2008-09-15 Madeleine de l'Aubespine 1546 1596 the toast of courtly and literary circles in sixteenth century Paris penned beautiful love poems to famous women of her day The well connected daughter and wife of prominent French secretaries of state l'Aubespine was celebrated by her male peers for her erotic lyricism and

scathingly original voice Rather than adopt the conventional self effacement that defined female poets of the time l Aubespine s speakers are sexual dominant and defiant and her subjects are women who are able to manipulate rebuke and even humiliate men Unavailable in English until now and only recently identified from scattered and sometimes misattributed sources l Aubespine s poems and literary works are presented here in Anna Klosowska s vibrant translation This collection which features one of the first French lesbian sonnets as well as reproductions of l Aubespine s poetic translations of Ovid and Ariosto will be heralded by students and scholars in literature history and women s studies as an important addition to the Renaissance canon *Selected Works Vol. 1* Alford Edersheim,2015-11-29 You are about to embark upon a simple and

impartial account of Judaism on the one hand and a perusal of the Gospels on the other constituting one of the most convincing proofs of the Divine origin of the Christian religion and of its organic connection with that of the Old Testament Again it is impossible to read the Gospel narrative in the light of Jewish history without feeling that the notions and circumstances to which it alludes are exactly those of the time in which Jesus Christ lived and taught on earth They apply to that period and to that period only The notions the modes of speaking the opposition and its very manner to which the New Testament refers are exactly those of that period If a copy of the Gospels were put into the hands of an impartial Jewish historian he could not fail to discover that the events there chronicled must have taken place exactly at the time when according to Christian belief Jesus walked among men This is the legacy of A Edersheim *Selected Philosophical and Scientific Writings* Emilie Du Châtelet,2009-09-15 Though most historians remember her as the mistress of Voltaire Emilie Du Ch telet 1706 49 was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton s Principia Mathematica that is still the standard edition of that work in French Had she been a man her reputation as a member of the eighteenth century French intellectual elite would have been assured In the 1970s feminist historians of science began the slow work of recovering Du Ch telet s writings and her contributions to history and philosophy For this edition Judith P Zinsser has selected key sections from Du Ch telet s published and unpublished works as well as related correspondence part of her little known critique of the Old and New Testaments and a treatise on happiness that is a refreshingly uncensored piece of autobiography making all of them available for the first time in English The resulting volume will recover Ch telet s place in the pantheon of French letters and culture
