HARDCORE SELF DEFENSE is totally unlike any other martial arts book you've ever read It is the result of a lifetime of experience by one who walks the Warrior's Path Jam packed with useful information no space is wasted with filler material like training methods foreign terminology or photographs of the author pretending to spar No this book gets right to the point and tells you the best ways to defend oneself as well as commonly taught nonsense that will not work against a real opponent This book is heavy on combat psychology and weaponscraft and is intended for those who are truly serious about protecting themselves and their loved ones Be warned this book is NOT FOR THE MEEK **Human Rights and Personal**

Self-defense in International Law Jan Arno Hessbruegge,2017 While an abundance of literature covers the right of states to defend themselves against external aggression this is the first book dedicated to the right to personal self defense in international law Dr Hessbruegge sets out in careful detail the strict requirements that human rights impose on defensive force by law enforcement authorities especially police killings in self defense The book also discusses the exceptional application of the right to personal self defense in military led operations notably to contain violent civilians who do not directly participate in hostilities The author establishes that international law gives individuals the right to forcibly resist human rights violations that pose a serious risk of significant and irreparable harm At the same time he calls into question prevailing state practice which fails to recognize any collective right to organized armed resistance even when it constitutes the last resort to defend against genocide or other mass atrocities *Self Defense: The Art of Real Street Fighting*

Techniques (The Ultimate Guide to Beginner Martial Arts Training Techniques) Doris Amaya,2021-11-17 This book contains proven steps and strategies on how to defend yourself and any person in any place situation and time by applying only limited knowledge and ordinary items as weapons The modern world is not always safe for people There will always be those who will try to take the money belongings or even the lives of others Women are also at risk of being raped and most of them were killed trying to defend themselves For such reasons various military organizations police departments and martial arts schools formulated self defense techniques Here are some things that you are going to learn Hand to hand self defense Vulnerable point self defense Ground control self defense Joint lock self defense Common self defense mistakes to avoid And much much more Self defense Will reassure and make you feel freer safer and less vulnerable It is packed with sensible and practical advice on how to avoid danger whether you are in the street in the home at work or travelling It suggests strategies you can use when faced with potentially difficult or dangerous situations and in the unlikely event that your prevention techniques fail it tells you what you should do if you are attacked **Knack Self-Defense for Women** Chris
