Demonic Invasion: Therese Abdoush,2015-05-04 The scope of this book is to humbly contribute to the spreading of the Word of God particularly to making the important and complex subject of Satans work in the world and its effects on the daily life of the people easy to understand and to simplify the means and weapons available to us to counter the devils plans and activities

**The Alluring Brightness of His Glory** R. L. Coursey,2016-12-29 The real problem of the hour is not that we view our problems as insurmountable nor that we fail to view our God as insuperable in the midst of all these problems but primarily that we fail to count our God as inestimable even above our need to solve all of these problems It is the failure to perceive the supreme glory of Christ that moves the church to promote counterfeit offers that compete with His glory and moves men to receive a counterfeit Christ whose highest value consists not of His own excellency but of His willingness to bestow upon us that which our earthly carnal and temporal nature counts most excellent This magnetic pull of the world upon our affections will only cease by a God ward attraction It is in the face of Jesus Christ that the brightness of the glory of God shines forth He alone is the brightness of His glory And unless we exalt Him to preeminence we know nothing of that glory
