

SELF-ACTUALIZATION AND THE RADICAL GOSPEL

LOUIS ROY

Self Actualization And The Radical Gospel

Louis Roy

Self Actualization And The Radical Gospel:

Self-Actualization and the Radical Gospel Louis Roy, 2002 Can today's Christians reconcile a belief in self actualization with the extreme ethical demands of the New Testament The author argues that they can although not easily and that the felt uneasiness between two concerns self fulfillment and self gift may constitute a healthy tension The book uncovers both the pitfalls of self actualization and the misleading interpretations that have disfigured the radical Gospel It highlights the stages developmental factors views of human life successes and failures which play a considerable role in a person's journey It brings psychological philosophical biblical theological and pastoral clarifications to bear on the issues **BOOK JACKET**

Self-actualization and the Radical Gospel ,2002 **Dying and the Virtues** Matthew Levering, 2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying process beginning with the fear of annihilation and continuing through repentance and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one's familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death **Mystical Consciousness** Louis Roy, O.P., 2012-02-01 This book offers a philosophical account of ordinary consciousness as a step toward understanding mystical consciousness Presupposing a living interaction between meditation and thinking the work draws on Western and Japanese thinkers to develop a philosophy of religion that is friendly to the experience of meditators and that can explore such themes as emptiness nothingness and the self Western thinkers considered include Plotinus Eckhart Schleiermacher Heidegger Brentano Husserl Sartre and Lonergan and Japanese thinkers referenced include Nishitani Hisamatsu and Suzuki All employed centering prayer Zen or other forms of mental concentration Particular emphasis is placed on the work of twentieth century Catholic philosopher Bernard Lonergan whose writings on consciousness can inform an understanding of mysticism **The Three Dynamisms of Faith** Louis Roy, 2017-12-15 Fr Roy shows how The Three Dynamisms of Faith are lived in today's culture and how they are systematically related sometimes in alliance and sometimes in apparent opposition Having led the reader to a plausible answer to the human condition in Catholicism in his final chapter he discusses some classic issues that result possible tensions between meaning and truth between feelings and insight and about the role of religious experience in becoming attuned to Christian revelation **Methodologies in Systematic Theology** Louis Roy, 2024-06-21 For readers eager to seek an improved understanding of the Good News this book provides a way of better construing the Christian message It begins with the church fathers continues with the medieval thinkers and covers modernity's doubters who published critiques of faith and elaborated new conceptions of faith It thus surveys the various theological methods that were employed

over two thousand years of Christian experience The principal theologians and philosophers that are presented here are Augustine Thomas Aquinas Schleiermacher Lonergan Ric ur Congar and Geffr The author also presents several modern authors nuanced assessments of historicity which fashioned and are still fashioning a large variety of cultures This sense of history has allowed scholars to appreciate both the particular and the permanent in religious studies that convey meanings The originality of the author of this volume consists in combining a competence in systematic interpretations with an expertise in pastoral theology In addition readers will find in these pages a living ecumenical dialogue characterized by correct construals of those others whose understandings of religion may appear as contradicting one s own views *Toward a catholic Christianity* Michael H. McCarthy, 2017-12-22 Critical belonging has been an essential feature of Christianity since its origin but the forms it assumes understandably differ with the specific challenges Christians rise to meet throughout history During the past two thousand years these challenges have covered a broad spectrum epistemic moral political economic religious and spiritual In our global society all of these challenges seem to be occurring at once Since no individual can meet all of them adequately *Toward a catholic Christianity* tries to show how by working collaboratively the people of God can credibly meet them together In this way the diversity and unity within the Roman Catholic community are explicitly acknowledged and affirmed For if that community is to become authentically Christian it will need to become more genuinely catholic **Coherent Christianity** Louis Roy, 2018-01-08 Throughout this book Louis Roy illustrates his conviction that Christianity consists in the most profound experience to which human beings are invited by God This experience involves meaning and truth hope and love suffering and joy solidarity and critique It is a space of freedom where diverse persons seek the light and make their decisions interacting with the intellectual and affective resources of their culture Faith is understood as a personal and communal adventure a sequence of real life experiences The book proposes an articulate and coherent vision of the Christian faith It surveys the complementary dimensions of Christian experience It points to various paths traveled by different people It offers an actualization for our time that is a road map that is at the same time flexible and in keeping with truth It engages in a dialogue with psychology and with non Christian views for example on meditation and on reincarnation The book is addressed to a large audience of educated readers who are likely to be very interested in its biblical philosophical psychological sociological interreligious and pastoral components Its originality consists in bringing together the interactions between several disciplines in a practical way Get Real Michael Hickey, 2012-02-16 From the Preface *Get real* was a slang term that became popular in the 1960 s when Michael Hickey was growing up in East Boston It implied that someone wasn t in touch with reality and had to change their way of thinking or living If you put on the television today all you might find is one of the hundreds of so called reality TV shows More often than not these reality shows are illusions of reality because the real persons utilized as actors performers are seemingly coached to act in certain ways by the directors judges or producers who really control the reality Nonetheless reality TV is a modern phenomenon

people watch it constantly and that does indicate a high degree of the public's interest in some concept of reality. As for mystery, it seems we are approaching an age where there will be the death of mystery and we will have only reality. Hickey believes this is because the vast majority of the populace doesn't view reality in the context of mystery. They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality. Hickey's goal is that *Get Real* will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint. Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality.

Engaging the Thought of Bernard Lonergan Louis

Roy, 2016-04-01 Bernard Lonergan 1904-1984 was a Canadian Jesuit philosopher, theologian, and humanist who taught in Montreal, Toronto, Rome, and Boston. His groundbreaking works *Insight: A Study of Human Understanding* (1957) and *Method in Theology* (1972) attempt to discern how knowledge is advanced in the natural sciences, the human studies, the arts, ethics, and theology. In *Engaging the Thought of Bernard Lonergan*, Louis Roy stresses the empirical aspect of Lonergan's cognitional theory in relation to the role of meaning, objectivity, subjectivity, and historical consciousness. Rather than introducing every facet of his philosophy and theology, Roy delivers a balanced account of Lonergan's achievements in fifteen discrete studies delving into the implications of his cognitional theory for religious experience, theology, education, truth, classicism, relativism, and ethics. Discussing aspects of Lonergan's thought that are seldom examined, these fifteen studies represent, criticize, and develop the ideas of one of the most important thinkers of the twentieth century. Demonstrating the richness of one scholar's contributions to contemporary culture, *Engaging the Thought of Bernard Lonergan* presents a thoughtful analysis and a significant advance in Lonergan studies.

Embracing Desire Louis Roy,

2019-07-10 In this book, Louis Roy criticizes two different attitudes concerning our desires: either we are wary of our desires because of their potentially negative effects, or we try to satisfy as many of them as we can. Both attitudes focus on desires without examining the issue of desire. The solution is neither to suspect nor to multiply our various desires, but rather to intensify desire. Once desire has intensified, we can accept our desires and identify some of them as priorities for us to fulfill. We will then proceed not only with motivation but also with detachment, and therein lies the key to happiness. Any human being wishes to be granted personal value as a unique individual worthy of respect. And we long to be desired by the person or persons we desire. Moreover, because of our infinitude, we are able to wonder if an infinite being, whom we respect without reserve, can find us desirable. The author explores this basic concern and describes the relationship of mutual desire between Jesus and his first disciples. Thus, this book will appeal to educated readers interested in spirituality, psychology, literature, catechesis, and pastoral ministry.

Law & Gospel in Action Mark C. Mattes, Mark C. Mattes, John T. Pless, 2019-04-09 Mark Mattes' hope is not only to secure believers' consciences in Christ but also to reclaim theological and social turf which mainline Protestants have too quickly ceded to various secular agendas. The collected essays engage the reality of believers' death and resurrection in Christ and how that

bears upon the life of faith while also attending to a wide range of relevant theological topics such as scriptural authority apologetics a critique of contemporary mainline Protestant and Evangelical Catholic ethics a critique of Lutheran Reformed ecumenism and the church's mission and outreach The collection concludes with several sermons based on Old Testament lessons seeking to show how the theology embedded in the essays can be used for proclamation **Pondering the Passion** Philip A. Cunningham, 2004-10-22 This collection is must reading for anyone seeking a deeper understanding of Christ's Passion Teaching Women's Studies in Conservative Contexts Cantice Greene, 2016-01-13 Women's Studies is a field that inspires strong reactions both positive and negative inside and outside of the classroom The field partly due to its activist origins is often associated with liberal ideology and is therefore chided by students and others who identify as conservative The goal of this book is to introduce conservative perspectives into the issues of gender sexuality race and power that are topics of teaching and discussion in women's studies courses The book also aims to provide examples of pathways by which conservative students and scholars can engage the field of women's studies not as opponents but as contributors Contributors including administrators activists scholar teachers artists and ministers come together in this collection to engage in writing and response and to add their approaches to teaching and administering women's studies on their campuses *Angelic Troublemakers* A. Terrance Wiley, 2014-01-02 *Angelic Troublemakers* is the first detailed account of what happens when religious ethics political philosophy and the anarchist spirit intermingle Wiley deftly captures the ideals that inspired three revered heroes of nonviolent disobedience Henry Thoreau Dorothy Day and Bayard Rustin Resistance to slavery empire and capital is a way of life a transnational tradition of thought and action This book is a must read for anyone interested in religion ethics politics or law **The Desiring Self** Walter E. Conn, 1998 This volume explores the two movements in the journey to transcendence The first is the drive to be an integrated and powerful self The second is to leave that behind and move beyond the self into relationship The two movements are inextricably joined separation and attachment autonomy and relationship Humans are pulled simultaneously by the urge to be and to be for *The Desiring Self* is an explanation and a practical guide to the process of self transcendence Using case studies as well as insights from psychology and theology it takes readers through the steps of understanding themselves as incarnate integrated and yet transcendent beings bent on discovering their true selves as known by God It is a book to be read and relished by pastoral counselors spiritual directors readers exploring the confluence of psychology and religion and all persons on the journey of self transcendence BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Elenchus of Biblica**, 2002 American Book Publishing Record, 2004 Unexpected Destinations Wesley Granberg-Michaelson, 2011-06 From Billy Graham to a Trappist monastery from Capitol Hill to the helm of the Reformed Church in America Wesley Granberg Michaelson's personal pilgrimage has covered the length and breadth of Christianity in America Now drawing upon forty years of his own spiritual journals this elder statesman of the church crystallizes his wide

ranging experiences into a sharp lively memoir Unexpected Destinations reveals a unique encounter with evangelical piety Catholic contemplative spirituality Reformed theology Pentecostal practice and ecumenical efforts an encounter that dares to envision unity between all these strands of Christianity It provides fresh historical insights into the evangelical subculture of the 1970s sheds new light on how denominations today grapple inwardly with such issues as homosexuality and missional renewal and poignantly relates the joy and pain of one man s spiritual life journey Cloud of Witnesses: Daily Meditations on Faith, Suffering, and Joy Roger Ball, 2025-08-10 In every generation God has raised up men and women whose words illuminate the path of faith Their writings steeped in Scripture tested by trials and radiant with divine truth have become beacons for pilgrims on the journey toward Christ Cloud of Witnesses gathers these voices into a forty day devotional offering timeless wisdom for the modern day believer Whether you face doubt persecution or the quiet ache of daily surrender these witnesses remind us we are not alone Their testimonies forged in the furnace of suffering and joy call us to fix our eyes not on their faithfulness but on the Faithful One who sustained them all

Eventually, you will entirely discover a other experience and completion by spending more cash. yet when? get you admit that you require to get those every needs as soon as having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more a propos the globe, experience, some places, in the same way as history, amusement, and a lot more?

It is your entirely own times to put it on reviewing habit. among guides you could enjoy now is **Self Actualization And The Radical Gospel** below.
