Imagining Seattle is a study of social values in urban governance and the relationship of environmentalism race relations and economic growth in contemporary Seattle *The Hustle* Doug Merlino,2010-12-21 The experiment was dreamed up by two fathers one white one black What would happen they wondered if they mixed white players from an elite Seattle private school famous for alums such as Microsoft's Bill Gates and black kids from the inner city on a basketball team Wouldn't exposure to privilege give the black kids a chance at better opportunities Wouldn't it open the eyes of the white kids to a different side of life The 1986 season would be the laboratory Out in the real world hip hop was going mainstream Larry Bird and Magic Johnson ruled the NBA and Ronald Reagan was president In Seattle the team's season unfolded like a perfectly scripted sports movie the ragtag group of boys became friends and gelled together to win the league championship The experiment was deemed a success But was it How did crossing lines of class race and wealth affect the lives of these ten boys Two decades later Doug Merlino who played on the team returned to find his teammates His search ranges from a prison cell to a hedge fund office street corners to a shack in rural Oregon a Pentecostal church to the records of a brutal murder The result is a complex gripping and at times unsettling story An instant classic in the vein of Michael Apted's Up series The Hustle tells the stories of ten teammates set before a background of sweeping social and economic change capturing the ways race money and opportunity shape our lives A tale both personal and public The Hustle is the story a disparate group of men finding or not finding a place in America **Race and Retail** Mia Bay,Ann Fabian,2015-08-04 Race has long shaped shopping experiences for many Americans Retail exchanges and establishments have made headlines as flashpoints for conflict not only between blacks and whites but also between whites Mexicans Asian Americans and a wide variety of other ethnic groups who have at times found themselves unwelcome at white owned businesses Race and Retail documents the extent to which retail establishments both past and present have often catered to specific ethnic and racial groups Using an interdisciplinary approach the original essays collected here explore selling and buying practices of nonwhite populations around the world and the barriers that shape these habits such as racial discrimination food deserts and gentrification The contributors highlight more contemporary issues by raising questions about how race informs business owners ideas about consumer demand resulting in substandard quality and higher prices for minorities than in predominantly white neighborhoods In a wide ranging exploration of the subject they also address revitalization and gentrification in South Korean and Latino neighborhoods in California Arab and Turkish coffeehouses and hookah lounges in South Paterson New Jersey and tourist capoeira consumption in Brazil Race and Retail illuminates the complex play of forces at work in racialized retail markets and the everyday impact of those forces on minority consumers The essays demonstrate how past practice remains in force in subtle and not so subtle ways *Musical Performance and the Changing City* Fabian Holt,Carsten

Wergin,2013-09-02 A contribution to the field of urban music studies this book presents new interdisciplinary approaches to the study of music in urban social life It takes musical performance as its key focus exploring how and why different kinds of performance are evolving in contemporary cities in the interaction among social groups commercial entrepreneurs and institutions From conventional concerts in rock clubs to new genres such as the flash mob the forms and meanings of musical performance are deeply affected by urban social change and at the same time respond to the changing conditions Music has taken on complex roles in the post industrial city where culture and cultural consumption have an unprecedented power in defining public policies and marketing strategies Further changes in real estate markets and the penetration of new media have challenged even fairly modern music cultures At the same time new music cultures have emerged and music has become a driver for cultural events and festivals channeling the dynamics of a society characterized by the social change media intensity and the neoliberal forces of post industrial urban contexts The volume brings together scholars from a broad range of disciplines to build a shared understanding of post industrial contexts in Europe and the United States Most directly grounded in contemporary developments in music studies and urban studies its broad interdisciplinary range serves to strengthen the relevance of urban music studies to fields such as anthropology sociology urban geography and beyond Offering in depth studies of changing music culture in concert venues cultural events and neighborhoods contributors visit diverse locations such as Barcelona Berlin London New York and Austin

Brand Hollywood Paul Grainge,2007-10-31

From the growth in merchandising and product placement to the rise of the movie franchise branding has become central to the modern blockbuster economy In a wide ranging analysis focusing on companies such as Disney Dolby Paramount New Line and in particular Warner Bros Brand Hollywood provides the first sustained examination of the will to brand in the contemporary movie business Outlining changes in the marketing and media environment during the 1990s and 2000s Paul Grainge explores how the logic of branding has propelled specific kinds of approach to the status and selling of film Analyzing the practice of branding the poetics of corporate logos and the industrial politics surrounding the development of branded texts properties and spaces including franchises ranging from Looney Tunes to Lord of the Rings and Harry Potter to The Matrix Grainge considers the relation of branding to the emergent principle of total entertainment Employing an interdisciplinary method drawn from film studies cultural studies and advertising and media studies Brand Hollywood demonstrates the complexities of selling entertainment in the global media moment providing a fresh and engaging perspective on branding s significance for commercial film and the industrial culture from which it is produced

Old and New Media after Katrina Diane Negra,2016-02-10 Ten years after Hurricane Katrina this thoughtful collection of essays reflects on the relationship between the disaster and a range of media forms The assessments here reveal how mainstream and independent media have responded sometimes innovatively sometimes conservatively to the political and social ruptures Katrina has come to represent The contributors explore how Hurricane Katrina is positioned at the intersection of numerous

early twenty first century crisis narratives centralizing uncertainties about race class region government and public safety Looking closely at the organization of public memory of Katrina this collection provides a timely and intellectually fruitful assessment of the complex ways in which media forms and national events are hopelessly entangled **Nirvana** ,

Everything But the Coffee Bryant Simon,2009 Simon knows more about Starbucks and about why so many Americans find perfection in their lattes than anyone He connects our deepest desires to be good smart ethical consumers with our equally strong yearning to consume in an authentic way Our coffee Simon shows is us Sharon Zukin author of *Naked City*

Musician in the Museum Charles Fairchild,2021-01-14 In recent years popular music museums have been established in high profile locations in many of the presumed musical capitals of the world such as Los Angeles Liverpool Seattle Memphis and Nashville Most of these are defined by expansive experiential infrastructures centered around spectacular high tech displays of varying sizes and types Through over the top acts of display these museums influence and reflect the values and priorities in the public life of popular music This book examines the phenomenon of the popular music museum outside the typical and familiar frames of heritage and tourism Instead it looks at these institutions as markers of the broader entertainment industry in the era of its rise to global dominance It highlights the multiple manifestations of power as read across a range of institutions and material forms and discusses how this contributes to shaping the experience of popular culture **Alice in Chains** , **Remaking the American Dream** Vinit Mukhija,2022-12-20 The redefinition of the single

family house the urban landscape and the American Dream Sitting squarely at the center of the American Dream the detached single family home has long been the basic building block of most US cities In *Remaking the American Dream* Vinit Mukhija considers how this is changing in both the American psyche and the urban landscape In defiance of long held norms and standards single family housing is slowly but significantly transforming through incremental additions of second and third units Drawing on empirical evidence of informal and formal changes *Remaking the American Dream* documents homeowners quiet unpermitted modifications conversions and workarounds as well as gradual institutional alterations to once rigid local land use regulations Mukhija s primary case study is Los Angeles and the role played by the State of California findings he contrasts with the experience of other cities including Santa Cruz Seattle Portland Minneapolis and Vancouver In each instance he shows how and asks why homeowners are adapting their homes and governments are changing the rules that regulate single family housing to allow for accessory dwelling units ADUs or second units Key to Mukhija s research is the question of why the idea of single family living is changing and what this means for the future of US cities The answer this book suggests heralds nothing less than a redefinition of American urbanism and the American Dream

Difficult Women on Television Drama Isabel Pinedo,2021-02-15 *Difficult Women on Television Drama* analyses select case studies from international TV dramas to examine the unresolved feminist issues they raise or address equal labor force participation the demand for sexual pleasure and freedom opposition to sexual and domestic violence and the need for

intersectional approaches Drawing on examples from *The Killing Orange* is the *New Black Big Little Lies* Wentworth Outlander Westworld Being Mary Jane Queen Sugar Vida and other television dramas with a focus on complex female characters this book illustrates how female creative control in key production roles direct authorship together with industrial imperatives and a conducive cultural context indirect authorship are necessary to produce feminist texts Placed within the larger context of a rise in feminist activism and political participation by women the growing embrace of a feminist identity and the ascendance of post feminism this book reconsiders the unfinished nature of feminist struggle s and suggests the need for a broader sweep of economic change This book is a must read for scholars of media and communication studies television and film studies cultural studies American studies sociology of gender and sexualities women and gender studies and international film media and cinema studies

Foo Fighters , *Historical Dictionary of Popular Music* Norman Abjorensen,2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The *Historical Dictionary of Popular Music* contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music

1989 Joshua Clover,2009 Joshua Clover finally puts the lie to the tiresome cliché that writing about music is like dancing about architecture He shows definitively that when the time is right architecture is precisely what people do dance about Greil Marcus author of *Lipstick Traces* *What a Girl Wants?* Diane Negra,2009-06-02 From domestic goddess to desperate housewife *What a Girl Wants* explores the importance and centrality of postfeminism in contemporary popular culture Focusing on a diverse range of media forms including film TV advertising and journalism Diane Negra holds up a mirror to the contemporary female subject who finds herself centralized in commodity culture to a largely unprecedented degree at a time when Hollywood romantic comedies chick lit and female centred primetime TV dramas all compete for her attention and spending power The models and anti role models analyzed in the book include the chick flick heroines of princess films makeover movies and time travel dramas celebrity brides and bravura mothers Runaway Bride sensation Jennifer Wilbanks the sex workers flight attendants and nannies who maintain such a high profile in postfeminist popular culture the authors of postfeminist panic literature on dating marriage and motherhood and the domestic gurus who propound luxury lifestyling as

a showcase for the achieved female self
