In Love and Struggle Stephen M. Ward, 2016-09-12 James Boggs 1919 1993 and Grace Lee Boggs 1915 2015 were two
largely unsung but critically important figures in the black freedom struggle Born and raised in Alabama James Boggs came
to Detroit during the Great Migration becoming an automobile worker and a union activist Grace Lee was a Chinese
American scholar who studied Hegel worked with Caribbean political theorist C L R James and moved to Detroit to work
toward a new American revolution As husband and wife the couple was influential in the early stages of what would become
the Black Power movement laying the intellectual foundation for racial and urban struggles during one of the most active
social movement periods in recent U S history Stephen Ward details both the personal and the political dimensions of the
Boggses lives highlighting the vital contributions these two figures made to black activist thinking At once a dual biography

of two crucial figures and a vivid portrait of Detroit as a center of activism Ward's book restores the Boggsses and the intellectual strain of black radicalism they shaped to their rightful place in postwar American history

Winds and Seafoam: A Poetic Symphony of the Shores Pasquale De Marco, 2025-05-23 In *Winds and Seafoam: A Poetic Symphony of the Shores* we embark on a literary voyage to explore the depths of the ocean and the depths of our own hearts. Through a collection of evocative poems, this book captures the essence of the sea in all its moods and manifestations. Prepare to set sail on a journey of discovery where each chapter unveils a different facet of the ocean's allure. From the tranquil shores where waves gently kiss the sand to the tempestuous storms that unleash the sea's raw power, these poems paint vivid pictures with words immersing you in the beauty and wonder of the marine world. Let the wind carry your imagination to distant lands where seafarers navigate treacherous waters in pursuit of adventure and dreams. Wander along windswept beaches where the salty breeze whispers tales of love, loss, and the enduring spirit of the human heart. Descend into the depths where ancient shipwrecks hold secrets of forgotten civilizations and coral reefs teem with vibrant life. The ocean is a mirror to our own souls, reflecting our hopes, our fears, and our deepest longings. In these poems, you'll find solace in the face of life's challenges, inspiration to dream big, and a renewed appreciation for the interconnectedness of all living things. The sea's vastness humbles us while its beauty ignites our passions and awakens our souls to the infinite possibilities that lie within. As you delve into the chapters of this book, you'll discover the healing power of the ocean, the wisdom it holds, and the endless possibilities it represents. Join us on this literary voyage and together let's explore the depths of the sea and the depths of our own hearts. With its lyrical language and evocative imagery, *Winds and Seafoam* is an ode to the ocean's majesty and a celebration of the human spirit. It is a book that will transport you to a place of serenity, ignite your passions, and awaken your soul to the infinite beauty and wonder of the world around us. The Roses of Love Bloom in My Christianity and Neurosurgery Patients Ramsis F. Ghaly MD, 2022-04-26 This is my 16th book in a series of books under the heading of Christianity and the Human Brain. It is about my continuing love to our Lord Savior Jesus Christ and for my special passion for Neurosurgery. I am grateful I am able to fully commit to Neuroscience and my Neurosurgery patients. It is the collection of roses of love on our journey that transforms where we are in the planet earth into a heavenly garden. Two decades ago I felt compelled to begin sharing the synopsis of my journey as a committed Christian Neurosurgeon and Anesthesiologist actively practicing patients care in America close to four decades. Indeed, as many have experienced, our journey is full of stories that put demand on us for the coming new generations to write about. As our deep faith in Christianity opens our own eyes to see, our ears to hear, our minds to reflect, and our hands to write, my greatest honor is to take the reader through more of my roses of love journey in my life in Medicine with Neurosurgery patients, Residents, and Trainee in Christmas through my Deep Spiritual Reflections, personal views, and healthcare matters with living examples. The book contains eleven sections distributed in 89 chapters covering topics including love and Roses.
