doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism **Sacred Divorce** Kathleen E. Jenkins,2014-06-12 Even in our world of redefined life partnerships and living arrangements most marriages begin through sacred ritual connected to a religious tradition But if marriage rituals affirm deeply held religious and secular values in the presence of clergy family and community where does divorce which severs so many of these sacred bonds fit in Sociologist Kathleen Jenkins takes up this question in a work that offers both a broad analytical perspective and a uniquely intimate view of the role of religion in ending marriages For more than five years Jenkins observed religious support groups and workshops for the divorced and interviewed religious practitioners in the midst of divorces along with clergy members who advised them Her findings appear here in the form of eloquent and revealing stories about individuals managing emotions in ways that make divorce a meaningful even sacred process Clergy from mainline Protestant denominations to Baptist churches Jewish congregations Unitarian fellowships and Catholic parishes talk about the concealed nature of divorce in their congregations Sacred Divorce describes their cautious attempts to overcome such barriers and to assemble meaningful symbols and practices for members by becoming compassionate listeners delivering careful sermons refitting existing practices like Catholic annulments and Jewish divorce documents gets and constructing new rituals With attention to religious ethnic and class variations covering age groups from early thirties to mid sixties and separations of only a few months to up to twenty years Sacred Divorce offers remarkable insight into individual and cultural responses to divorce and the social emotions and spiritual strategies that the clergy and the faithful employ to find meaning in the breach At once a sociological document an ethnographic analysis and testament of personal experience Sacred Divorce provides guidance strategies and answers to readers looking for answers and those looking to heal *Debating Divorce in Italy* M. Seymour,2006-12-11 The popular referendum of 1974 which affirmed Italy s recently won divorce law is widely regarded as a turning point in modern Italian history but the long story behind that struggle has remained largely unfamiliar Using the debates over divorce as a lens this book is a study of the quest to modernize Italy Italians and Italian marriage **The 2015 Synod** Geoffrey Robinson,2015-04-01 The October 2014 session of the Synod of Bishops looked at the modern family through a pastoral lens focusing in particular on situations where there seemed to be a conflict between church doctrine and pastoral need Two subjects rose to prominence the situation of lesbian gay bisexual or transgender persons and the situations of Catholics whose marriage has failed and who have later remarried In this contribution to the Synod scheduled for October 2015 Bishop Geoffrey Robinson contends that if the second session of the Synod is to find answers it must first look seriously at the church teachings involved to see whether they might allow some room to move in finding pastoral solutions That is what he offers here *What God Has Joined Together* Robert H. Vasoli,1998-04-16 The recent controversy over Joe Kennedy s annulment gave only a glimpse of American Catholicism s open secret that contrary to official Catholic doctrine American

churches grant annulments wholesale freely declaring marriages nonexistent so that one or both partners can remarry in the church The United States is home to only 6% of the world's Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law He shows for instance how they often help petitioners manufacture grounds for annulment which are justified with specious psychological reasoning that are counter to the letter and spirit of canon law Indeed it may even be alleged that lack of emotional maturity at the time of the wedding can invalidate marriages that have lasted 30 years The result has been a tidal wave in 1968 the American church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican's highest marriage tribunal more than 90% are overturned This revealing look at annulment weaves painstaking analysis with a wealth of evidence as it illuminates the degree to which the U S Church has gone its own way since Vatican II on what constitutes valid marriage [How to Understand & Petition for Your Decree of Nullity: A Little Book with Big Help](#) Rose Sweet, 2012-03 You CAN understand annulment You just need a little help You never wanted this to happen but now you're civilly divorced There's no such thing as Catholic divorce because in God's eyes a valid marriage can never be broken But sometimes what looks like a marriage from the outside can be fatally flawed from the beginning Only God can see deeply into the human heart He knows how human frailty and weakness and inabilities of some people to enter into marriage freely and fully despite their best attempts After careful study of such an attempted union the Church may be able to declare that no valid marriage bond was created And this book will help you understand the process Regardless of your situation the Church is here to help and you don't have to be a priest or canon lawyer to understand the basics This little book with big help dispels the common myths and misunderstandings about marriage divorce and annulments and is helpful for Divorced men and women who are considering if they have grounds for an annulment Those who need help completing their formal petition for a Decree of Nullity annulment Lay or religious ministers who work with the separated and divorced Parish priests and deacons involved in divorce ministry Those who counsel divorced Catholics Anyone who wants to know more about what the Church really teaches about divorce I was afraid of the annulment process at first but found it incredibly healing and even freeing I learned so much about myself and was able to forgive my ex spouse and ask for forgiveness as well Patty I had no idea of what the Church really taught about marriage and divorce I thought I did but I was blown away when I learned the truth Going through the annulment process actually made me hunger to know more of my Catholic faith Jim **Committed Worship** Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The

chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion

Tomorrow's Church Today Michael Kelly, 2016-09-20 In his last interview the late Italian Cardinal and former Archbishop of Milan Carlo Maria Martini said the need for deep reform in the Catholic Church was urgent and long overdue because the Church is 200 years behind the times The reference to 200 years clearly points to the watershed in European life that the French Revolution and the Enlightenment became Vatican II was one attempt to meet the challenge of relevance to our times But its best efforts have been on ice since the late 1970s Now a new opportunity arrives in the pontificate of Jorge Mario Bergoglio And the movement he has initiated is evangelical in source and comprehensive in reach But as many observers have pointed out it will not be lasting if it does not lead to sustainable structural change to reform that accompanies renewal In Tomorrow's Church Today five highly qualified commentators focus on what lies ahead for the Church to be reformed if it is to meet the challenges of the 21st Century o A theologian and historian Massimo Faggioli who targets how ministry and leadership can be reshaped authentically for our times o A journalist and radio host for the Australian Broadcasting Corporation the ABC Geraldine Dougue writes a candid piece on how she would advise Pope Francis on the state of the Church o A reporter and analyst with 30 years experience of moves and machinations in the Etenrnal City Robert Mickens o A bishop with a lifetime of experience of ministering to the divorced and remarried and the benefit of legal and biblical scholarship to support his approach Geoffrey Robinson o A biblical scholar who examines much of what s taken for granted in the governance of the Church and exposes where it is left wanting Antony Campbell and o A bishop whose forced resignation exposes the deficiencies of a system of governance devoid of basics due process and respect for natural rights But the Catholic Church is not its clerics scholars and commentators It is the baptised Geraldine Doogue is a celebrated Australian broadcaster and commentator whose Introduction speaks for and from the experience of the mass of Catholics
