Motel Nirvana is Melanie McGrath s first published book **The Long Exile** Melanie McGrath,2009-03-12 In 1952 the Canadian government forcibly relocated three dozen Inuit from their flourishing home on the Hudson Bay to the barren arctic landscape of Ellesmere Island the most northerly landmass on the planet Among this group was Josephie Flaherty the unrecognized half Inuit son of filmmaker Robert Flaherty director of Nanook of the North In a narrative rich with human drama Melanie McGrath follows three generations of the Flaherty family Robert Josephie and Josephie s daughters to bring this extraordinary tale of deception and harsh deprivation to life *Fundamentalism in America* Philip Melling,2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millenialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing *Fundamentalism in America* provides a vital and compelling account of the present state of religious and nationality identity in the United States **Nirvana FAQ** John D. Luerksen,2014-03-01 Nirvana FAQ traces the band from its genesis to its end Founded by friends Kurt Cobain and Krist Novoselic Nirvana had a rocky start and a succession of drummers but by the end of 1990 its debut album Bleach had garnered international attention and the group s sixth drummer Dave Grohl had joined the fold Following its mentors Sonic Youth to Geffen Records Nirvana had hoped for modest success Instead came unexpected wealth and fame on the strength of 1991 s Nevermind and its iconic breakthrough single Smells Like Teen Spirit Success didn t sit well with Cobain who began to numb the stresses of rock stardom with heroin Despite 1993 s hit album In Utero Cobain s unhappiness became increasingly apparent His suicide in April 1994 shocked the music world and put an end to a band at the height of its popularity Nirvana FAQ answers such questions as What guitar teacher did Cobain and Novoselic have in common Where did Cobain record his first demo What was the cause of his first arrest How was second guitarist Jason Everman hired and fired What was the name of Grohl s first band and where did he meet Cobain and Novoselic Who is Teen Spirit about How did Nirvana s war with Guns N Roses begin And more Mind is the Ride Jet McDonald,2019-05-16 When Jet McDonald cycled four thousand miles to India and back he didn t want to write a straightforward account He wanted to go on an imaginative journey The age of the travelogue is over today we need to travel inwardly to see the world with fresh eyes Mind is the Ride is that journey a pedal powered antidote to the petrol driven philosophies of the past The book takes the reader on a physical and intellectual adventure from West to East using the components of the bike as a metaphor for philosophy which is woven into the cyclist s experience Each chapter is based

around a single component and as Jet travels he adds new parts and new philosophies until the bike is built the ride to India is completed and the relationship between mind body and bicycle made apparent **White Heat** M.
