Old Testament Bible Feelings Sockology:

New Testament Bible Feelings , Learn about feelings with the help of New Testament Bible characters and Coleman s sock buddies Francis Takes a Tumble ,2003 When Francis the playground bully takes a tumble off the jungle gym everyone including Coleman ignores his moans That is until Cole s sock buddies tell how the Good Samaritan took care of his enemy **Lunchtime Life Change** ,2003 Zack Coleman s neighbor friend won t share with anyone Not even with Coleman When Coleman is tempted to get back at his friend the sock buddies tell the story of a biblical guy named Zack okay his real name is Zacchaeus Sockariah and the sock crew tell Coleman how Zacchaeus changed when Jesus was nice to him With this story in mind Coleman makes some changes of his own **Hide and Sink** ,2002 While running through the house Coleman accidentally knocks over the fishbowl No one witnesses the disaster so Coleman decides he can put Goldie back into her bowl and nobody will notice But Sockariah Coleman s gym sock turned counselor reminds him of how Jonah did just what Coleman was doing It doesn t take long for his sock buddy to convince Coleman that he needs to tell his parents the truth and face the consequences for disobeying *Beauty and the Booster* Damon J. Taylor,2002 Coleman is impatient with Shelby s fear of a booster shot but his sock buddies remind him of Esther a girl who was extremely brave and stood up when God needed her to

Children's Books in Print, 2007 ,2006 Bible Feelings Damon J. Taylor,2003-06-25 Learn about feelings with the help of Old Testament Bible characters and Coleman s sock buddies Coleman has a huge God given imagination and he uses it to learn Adapted from back cover **The Publishers Weekly** ,2002 **Bible Feelings** Damon J. Taylor,2002 All kids love learning emotions by mimicking the faces that portray them Bible Feelings shows simple expressions like happy sad and surprised from the New Testament stories of Jesus Each emotion is illustrated through the story of one of the people Jesus touched while on earth Anger in the Old Testament Bruce Edward Baloian,1992 This work focuses on the Old Testament texts which speak of human and divine anger Texts recording human and divine anger are exegeted for the purpose of finding a coherent psychology and theology of both The acquired themes are then juxtaposed looking for the common or contrasting aspects that could lead to an underlining theological vantage point An Introduction to Wisdom and Poetry of the Old Testament Donald K. Berry,1999-01-01 Written for pastors with a relatively elementary knowledge of the Old Testament Includes accounts of how this portion of the Bible has been interpreted throughout history Easily incorporated into individual sermons **Wrestling with the Violence of God** M. Daniel Carroll R.J. Wilgus,2015-10-16 The prevalence of evil and violence in the world is a growing focus of scholarly attention especially violence done in the name of religion and violence found within the pages of the Old Testament Many atheists consider this reason enough to reject the notion of a supreme deity Some Christians attempt to exonerate God by reinterpreting problematic passages or by prioritizing portrayals of God s nonviolence Other Christians have begun to respond to violence in the Old Testament by questioning the nature of the text itself though not rejecting belief in a good God Wrestling with the Violence of God Soundings in the Old Testament is

a response to these challenging issues The chapters in this volume present empathetic holistic and methodologically responsible readings of the Old Testament as Christian Scripture Contributors from different nationalities religious traditions and educational institutions come together to address representative biblical material that depicts violence Chapters address explicit portrayals of divine violence human responses to violence of God and violence in the world alternative understandings of supposedly violent texts and a hopeful future in which violence is no more Rather than attempt to offer a conclusive answer to the issue this volume constructively contributes to the ongoing discussion

The Suffering of God ,1984-10-01 In this comprehensive and thought provoking study Terence Fretheim focuses on the theme of divine suffering an aspect of our understanding of God which both the church and scholarship have neglected Maintaining that metaphors matter Fretheim carefully examines the ruling and anthropomorphic metaphors of the Old Testament and discusses them in the context of current biblical theological scholarship His aim is to broaden our understanding of the God of the Old Testament by showing that suffering belongs to the person and purpose of God

Irony in the Old Testament Edwin Marshall Good,1965 **Old Testament Wisdom** James L. Crenshaw,1981 This expanded edition of Crenshaw s popular book takes stock of the wealth of new material produced by contemporary interpreters to provide an invaluable asset for anyone wishing to understand the rich and complex legacy of wisdom literature

Devotional Studies of Old Testament Types Fred Wight,2014-03-03 THE MATERIAL in these studies has been given as lessons in Bible study classes or sermons preached from the author s pulpit through the course of many years It has been brought together in this form that it might be a help to busy pastors and Bible teachers in their preparation of messages and that it might be of practical and devotional value for all Bible students and Christian workers who want to understand the rich teaching of Old Testament types The author does not claim to have exhausted the possible types of the Old Testament in these studies But he has endeavored to deal with some sections of Scripture that without the typical approach would find little of practical application for the Christian today For this reason the chapter dealing with types in Leviticus has been made the longest chapter in the book We trust that that book of the Bible will mean more to the reader after studying this chapter The study of the Tabernacle in the Wilderness from the typical viewpoint has always been a joy to the hearts of Bible students But the author has discovered that a study of the typical truths of Solomon s Temple is equally valuable and precious We suggest that Bible teachers give more attention to this neglected subject These studies are of necessity fairly brief Many Scriptures have been included that throw light on the particular subject But the material herewith presented should be suggestive and wise students of Scripture can add other details to what has been given May the Lord use these studies to help many to understand and make practical application of Old Testament truth to the lives of modern day Christians

Old Testament Story and Christian Ethics Robin A. Parry, 2005-06-02 Christian use of the Old Testament has tended to focus on law and wisdom literature and to marginalize narrative materials This book restores story to its rightful place in Old Testament ethics and aims to set out parameters within which Christian ethical reappropriations of Old Testament narratives can take place The argument begins by examining recent philosophical studies of the role of story in the ethical life Special attention is paid to the work of Paul Ricoeur Martha Nussbaum and Robert C Roberts Then the theological foundations are laid by demonstrating the importance of narrative for Old Testament ethics and of the biblical metanarrative for Christian interpretation Genesis 34 is examined as a detailed case study to exemplify the fruits of the method for Christian readers The study considers reception history feminist interpretation discourse analysis and canonical context to shed new light on the terrible story of the rape of Dinah
