Stafford,2014-06-11 Modern church leaders need to cultivate innovative and creative leadership skills as they navigate today's post Christian world and as their congregations look to them for insight and guidance Gil Stafford takes a fresh look at this vital need drawing upon his experience as a college coach university president and parish priest and interweaving them with ancient spiritual practices found within the discipline of spiritual direction Personal anecdotes help the reader envision their own life transforming pilgrimage as they develop into the type of adaptive leader that churches need in today's rapidly changing world This book challenges church leaders to foster sacred safe space holy listening silence and wisdom storytelling in order to create a

discerning church community These techniques of spiritual direction can be applied to every aspect of the church from small group studies to conducting parish business Gradually the leader will be able to delegate some of his responsibilities to the congregation liberating them to be leaders and rescuing him from trying to be all things to all people Subverted Sue Ellen Browder, 2015-07-01 Contraception and abortion were not originally part of the 1960s women's movement How did the women's movement which fought for equal opportunity for women in education and the workplace and the sexual revolution which reduced women to ambitious sex objects become so united In Subverted Sue Ellen Browder documents for the first time how it all happened in her own life and in the life of an entire country Trained at the University of Missouri School of Journalism to be an investigative journalist Browder unwittingly betrayed her true calling and became a propagandist for sexual liberation As a long time freelance writer for *Cosmopolitan* magazine she wrote pieces meant to soft sell unmarried sex contraception and abortion as the single woman's path to personal fulfillment She did not realize until much later that propagandists higher and cleverer than herself were influencing her thinking and her personal choices as they subverted the women's movement The thirst for truth integrity and justice for women that led Browder into journalism in the first place eventually led her to find forgiveness and freedom in the place she least expected to find them Her in depth research her probing analysis and her honest self reflection set the record straight and illumine a way forward for others who have suffered from the unholy alliance between the women's movement and the sexual revolution *Cosmic Chastity in an Age of Technocratic Lust: A Song of Three Popes* Jeremiah Barker, 2023-04-12 This book arises from the conviction that the ways in which John Paul II and Benedict XVI were confused as allies with American conservatism is as misleading unclear and confusing as any misapprehension of Francis's genuine orthodoxy As the author does not have a stake in reacting against a liberal Catholicism that he sees dying out anyway the bigger threat in his view sociologically for the North American church is falling into a right wing tribalism and Francis resists precisely that First Things editor R R Reno highly critical of Francis has called for a redemption of hints and suggestions of a cogent argument in the Francis message Jeremiah Barker reappropriates Reno's call as a call to draw out or highlight what he takes to be the underlying rationale of the Francis message That underlying rationale he compellingly argues is strikingly identical to that of the two previous popes Barker who has learned much from Reno is in fact inspired by Francis's call and teaching and it is the aim of this book to draw out what inspires him and to identify what he hopes Reno and fellow John Paul II Catholics don't miss in the Francis message the theological ethical and spiritual core of his social teaching which Francis shares with that of John Paul II and Benedict XVI

Holy Solitude Heidi Haverkamp,2017-12-31 Our faith is full of heroes who experienced God powerfully in solitude From Hagar and the Hebrew prophets to Jesus in the wilderness to Francis of Assisi and Catherine of Siena we see how escape from the toil and temptations of daily life can open our eyes ears minds and hearts to the still small voice of God In the vast desert or a tiny room solitude frightening for some and a welcome reprieve for others is far from an antisocial self indulgence but rather is an opportunity for transformation and empowerment to serve God's people ever more deeply While most of us can't take weeks or even a few days for private retreat *Holy Solitude* offers readers thoughtful inspiration and practical devotional activities such as taking a solitary bus ride or baking a loaf of bread for a neighbor Daily reflections introduce readers to figures in both Scripture and Christian history whose stories of discernment and discipline are a guide for our own spiritual practices as we seek to know God more fully and follow Christ more faithfully

Sounding Solitude Sr. Mary Paul Cutri, OCD,2010 Solitude is not foreign to anyone It is a universal reality that permeates all our experiences But why write a book about it One answer God God is the One we seek in solitude Solitude which is a listening to God a being with God an attentiveness to God's word and wisdom and a being in love with God is worth the journey into it Persons who enter into solitude and taste its fruits will no longer see as they saw before Solitude offers another way of seeing When we are open to discover and to receive the mystery of solitude purifies the sight the seeing the beholding of each person When solitude brings us to God God brings us into new vision This book is directed to all who seek God and who long to see God and to know God's ways more truly This book is for those who are so eager to be transformed in Christ that they are willing to wade into the waters of solitude This book invites you to an exploration that begins with the desires to pray to pray because the hunger for God pursues you to pray because you believe the value of prayer Solitude is a milieu of prayer it beckons us to seek God Prayer will lead you into the solitude God wants for you Prayer opens the door to a solitude which will open you to God Once you read this book solitude will not be a solitude of emptiness love will be near
