

Redditch At War

by Alan Foulds and Ray Saunders

Redditch At War

RJ Shavelson

Redditch At War:

Redditch at War Alan W. Foxall, Raymond John Saunders, 2004 From the time of the Civil War when the town barely existed to the Luftwaffe bombing raids of World War Two Redditch has had a long history of conflict In 1794 the Worcestershire Yeomanry was formed originally with the intention of putting down workers riots in nearby industrial towns such as Redditch Just over a hundred years later the Yeomanry of Redditch and District returned home to an unusually cool reception following their victory in the Boer War The outbreak of War World One was greeted with enthusiasm by the town as a flood of volunteers rushed to join up Until late 1915 Redditch hosted continuous recruiting meetings and parades and the local workforce became so severely depleted that the issue was eventually raised in the House of Parliament Sadly many of the town s young men never returned home Chamberlain s declaration of war in 1939 brought an influx of evacuees to Worcestershire and the industrial life of the town changed dramatically Redditch became a significant contributor to war production as new factories sprang up and old factories were switched to war work in an effort to meet the increasing demands of the War Office Consequently the town was considered a viable target by the Luftwaffe and suffered severe bomb damage during the Blitz When peace was eventually declared the town celebrated with street parties carnivals and much rejoicing Through a fascinating collection of photographs the authors have created a vivid image of life on the home front during both World Wars when rationing military parades air raids and munitions work became a part of daily life The book offers glimpses of familiar places during periods of intense social upheaval presenting a compelling history of Redditch at War

British Infantry Battalion Commanders in the First World War Peter E. Hodgkinson, 2016-04-15 Recent studies of the British Army during the First World War have fundamentally overturned historical understandings of its strategy and tactics yet the chain of command that linked the upper echelons of GHQ to the soldiers in the trenches remains poorly understood In order to reconnect the lines of communication between the General Staff and the front line this book examines the British army s commanders at battalion level via four key questions i How and where resources were found from the small officer corps of 1914 to cope with the requirement for commanding officers COs in the expanding army ii What was the quality of the men who rose to command iii Beyond simple overall quality exactly what qualities were perceived as making an effective CO and iv To what extent a meritocracy developed in the British army by the Armistice Based upon a prosopographical analysis of a database over 4 000 officers who commanded infantry battalions during the war the book tackles one of the central historiographical issues pertaining to the war the qualities of the senior British officer In so doing it challenges lingering popular conceptions of callous incompetence as well more scholarly criticism that has derided the senior British officer but has done so without a data driven perspective Through his thorough statistical analysis Dr Peter Hodgkinson adds a valuable new perspective to the historical debate underway regarding the nature of British officers during the extraordinary expansion of the Army between 1914 and 1918 and the remarkable yet often forgotten British

victories of The Hundred Days **Review of Industrial and Trade Conditions in Foreign Countries by American Consular Officers** ,1916 Decisions Great Britain. Industrial Court,1920 **Worcestershire's War** Maggie Andrews,Adrian Gregson,John Peters,2014-09-15 Capturing the experiences of the people of Worcestershire in the First World War in their own words from prisoners of war to those on the Home Front **Who's who in Architecture** ,1923

Histories, Memories and Representations of being Young in the First World War Maggie Andrews,N. C. Fleming,Marcus Morris,2020-10-08 This book seeks to place children and young people centrally within the study of the contemporary British home front its cultural representations and its place in the historical memory of the First World War This edited collection interrogates not only war and its effects on children and young people but how understandings of this conflict have shaped or been shaped by historical memories of the Great War which have only allowed for several tropes of childhood during the conflict to emerge It brings together new research by emerging and established scholars who through a series of tightly focussed case studies introduce a range of new histories to both explore the experience of being young during the First World War and interrogate the memories and representations of the conflict produced for children Taken together the chapters in this volume shed light on the multiple ways in which the Great War shaped disrupted and interrupted childhood in Britain and illuminate simultaneously the selectivity of the portrayal of the conflict within the more typical national narratives *The Industrial Court (The Industrial Courts Act, 1919)* Great Britain. Industrial court,1920 **Daily Consular and Trade Reports** ,1915 *Women's War Work* Great Britain. War Office,1916 Supplement to Commerce Reports ,1916 *The Export World and Commercial Intelligence* ,1926 **National Union Gleanings** ,1900 **Commerce Reports** United States. Bureau of Foreign and Domestic Commerce,1916 **England's Lost Transport Heritage from the Air** Allan Brodie,2025-03-21 Britain was the first country in the world to industrialise and alongside new means of production came novel forms of transport including steam trains and steamships in the 19th century and jet aircraft and hovercrafts in the middle of the 20th century Aerofilms flying across the country from 1919 onwards recorded the country s complex infrastructure of road rail and maritime transport that was in place between the wars and the company was evolving alongside and was part of the new aviation industry that was being created While flying across the country Aerofilms remarkable photographers also recorded how Britain communicated with its imperial territories The collection includes images of the country s vast merchant fleet of liners and cargo vessels as well as the flying boats that formed an international network before jets came to dominate the sky Aerofilms were there to record the first flight of the ill fated airship R101 Much of this interesting transport history that the company s photographers witnessed has now disappeared or has been relegated to being museum exhibits This book uses Aerofilms photographs to tell the story of England s lost transport heritage from Roman roads to supersonic Concorde Fairlie's Secret War John Riddell,2022-08-04 During the Second World War the Royal Navy s vitally important Anti submarine Experimental Establishment was secretly moved from Portland in Dorset to the

Ayrshire village of Fairlie to escape German bombing on the south coast For the next six years it occupied the boatyard of yacht builder William Fife on the Firth of Clyde During this time highly confidential world leading research on the acoustic detection of submarines by asdic now known as sonar was carried out by hundreds of scientists officers and local men and women based at Fairlie As experiments took place into new ways of sinking German U boats the peace of the quiet village was shattered Winston Churchill described the work done at Fairlie as critical to winning the Battle of the Atlantic and ultimately the war The research remained relevant to anti submarine warfare long after the war and is still relevant today Fairlie s role in the war was not disclosed until relatively recently Highly illustrated throughout and making use of previously unpublished material this book tells the full story of the establishment at Fairlie for the first time It describes the impact it had on local people and their relationship with the naval officers and scientists who came to work there Winner of the John Strawhorn Memorial Quaich awarded by the Ayrshire Federation of Historical Societies to an individual or group who is judged to have made an outstanding contribution to the local history of Ayrshire Minutes of the Proceedings Worcestershire County Council,1927 *Awards ... 1919-1938* Great Britain. Industrial Court,1920 *Dirty Secrets, Dirty War* David Cox,2008 From 1976 1983 an estimated 30 000 people disappeared in Argentina They were victims of the Dirty War a brutal campaign designed by the government to root out possible subversives Robert J Cox editor of the Buenos Aires Herald did what few others were willing to do he told the truth about what was happening every day in his newspaper He challenged those in power asking questions and demanding answers *Wycliffe and the War* Wycliffe College,1923
