merely a dangerous springboard for what's truly going on in their little patch of the Emerald Isle. Before long they're being followed, accosted, threatened, and then shot at when a mysterious woman shakes loose from her shopping cart and produces a 9mm pistol all to keep a global plot under wraps while the countdown to true mayhem begins. Tick tick tick **Raptor's Ridge** William Florence, 2018-06-26 A professor and private detective is called in by an Oregon lawman for help with a high profile murder. A mild mannered college professor is an unlikely candidate to hunt down the killer of the town's richest man and his movie star paramour. But because of a chance encounter years before Max Blake, a former newspaper reporter turned professor and part time private detective, is called in and forced to form unusual and sometimes dodgy alliances as he investigates the vicious killings with the city's police chief. To make things worse, there's a complicated history between Max and the chief, and the leading suspects are members of the city's police force. The trail winds through the incredible mansion called Raptor's Ridge and the streets and alleyways of Oregon's state capital and eventually spills into the beautiful but deadly High Desert near the town of John Day. When the killer is eventually cornered and violence explodes in unexpected ways, Max must use all of his wits and daring plus a little bit of luck to remain alive during a deadly night of terror and eventual reckoning. Fans of the author's Max Blake Westerns series will be delighted to discover this new and thoroughly modern Max, the great great grandson and namesake of the legendary federal marshal who forms the basis of five previous novels. **Secrets, Sex, and Spectacle** Mark D. West, 2008-09-15 A leader of a global superpower is betrayed by his mistress who makes public the sordid details of their secret affair. His wife stands by as he denies the charges. Debates over definitions of moral leadership ensue. Sound familiar? If you guessed Clinton and Lewinsky, try again. This incident involved former Japanese prime minister Sosuke Uno and a geisha. In *Secrets, Sex, and Spectacle*, Mark D. West organizes the seemingly random worlds of Japanese and American scandal, from corporate fraud to baseball cheaters, political corruption to celebrity sexcapades, to explore well ingrained similarities and contrasts in law and society. In Japan and the United States, legal and organizational rules tell us what kind of behavior is considered scandalous. When Japanese and American scandal stories differ, those rules that define what's public and what's private, rules that protect injuries to dignity and honor, and rules about sex, to name a few, often help explain the differences. In the cases of Clinton and Uno, the rules help explain why the media didn't cover Uno's affair, why Uno's wife apologized on her husband's behalf, and why Uno and not Clinton resigned. *Secrets, Sex, and Spectacle* offers a novel approach to viewing the phenomenon of scandal, one that will be applauded by anyone who has obsessed over or ridiculed these public episodes. **Redemption Trail** Peter Brandvold, 2016 *Riders of the Dusty Trail* Pasquale De Marco, 2025-08-11 In the untamed wilderness of the American frontier, justice was often hard to come by. But in the face of such adversity, a group of unlikely heroes emerged, united by a common goal to protect the innocent and bring justice to those who sought to exploit the lawlessness of the West. These were the Riders of the Dusty Trail, and their legend would be passed down through generations. They were a diverse group, each with their own unique

skills and experiences There was Wyatt Earp the legendary lawman known for his quick draw and unwavering sense of justice Annie Oakley the sharpshooting champion who could hit a target from a mile away and Billy the Kid the notorious outlaw who had turned his back on his former life of crime Together they faced countless challenges and overcame seemingly insurmountable odds They fought against outlaws corrupt politicians and even the elements themselves But through it all they never wavered in their commitment to justice The Riders of the Dusty Trail became a symbol of hope for the people of the West They were proof that even in the darkest of times there were still those who were willing to fight for what was right Their story is one of courage determination and the triumph of good over evil In this book we will explore the history of the Riders of the Dusty Trail from their humble beginnings to their rise as legends of the West We will meet the individual members of the group and learn about their motivations and their contributions to the cause of justice We will also explore the challenges they faced and the impact they had on the American frontier The story of the Riders of the Dusty Trail is a timeless one and it is one that continues to inspire us today Their courage determination and unwavering commitment to justice are qualities that we can all aspire to If you like this book write a review

Six months have passed since the Redemption and her crew set sail for the West Indies but tensions continue to mount back home as Napoleon Bonaparte in his vain quest to rule all of Europe creates a quick and efficient chaos to erupt among his countrymen as well as his British adversaries in neighboring England. Mounting an oppressive manhunt for suspected dissidents and traitors loyal to the French Republic Bonaparte creates a ruthless regime of terror in which daily executions are carried out in the name of political genocide. Jean Luc Rousseau along with Claude and Marielle Laroche are sheltered from the all too recent upheaval living in the quiet community of Guilers until an enchanting newcomer arrives. Her very presence threatens the placid complacency that has each of them under its spell but when calamity strikes all believe that only Rebecca can provide the evidence necessary to substantiate the truth.
