Redemption Blues:

Redemption Blues Tim Griggs, 2000 **Redemption Blues** Griggs, Tim (Tim Douglas), 2001 Protest & Praise Jon Michael Spencer, 1989 Here is a skillful tracing of two tracks in the evolution of musical genres that have evolved from black religion Songs of protest developed from the spiritual through social gospel hymnody to culminate in songs of the civil rights movement and the blues Born in rebellion they envision the Kingdom of God Songs of praise by contrast express adoration Beginning with the ring shout Spencer follows the history of intoned declamation through the tongue song Holiness Pentecostal music and the chanted sermon of the black preacher Spencer's approach termed theomusicology unlocks the wealth of African American sacred music with a theological key The result is a fascinating account of a people's struggle with God in history *Tumbling* Diane McKinney-Whetstone, 1997-04-09 A beautiful and uplifting debut from one of the most exciting voices in new black fiction **Leaving Cecil Street** Diane McKinney-Whetstone, 2009-10-13 A riveting tale about a back room abortion that has devastating consequences for two teenage girls on a close knit Philadelphia block circa 1972 Block parties were king in this West Philadelphia neighborhood especially the year Cecil Street decided to have two These energetic sensual street celebrations serve as backdrops to the story of best friends Neet and Shay and their families When Neet becomes pregnant by one of the corner boys Shay arranges an abortion that goes terribly awry when Neet begins to hemorrhage Neet is left unable to bear children and to Shay's horror slips under the spell of her mother Alberta's severe esoteric religious beliefs Shay is left to struggle with the grief of losing a cherished friendship while she also bears witness to the the disintegration of her parents marriage The story climaxes during the second block party during which time it is discovered that Neet and Alberta have disappeared from Cecil Street the holy roller mother Alberta having finally been set free from the shackles of her church by none other than Shay's father Theology and the Blues Justin McLendon, 2024-11-25 While all music genres incorporate religious imagery the blues has its origin in the soil of the church In its infancy the blues was often dismissed as undermining the church's gospel songbook The initial resistance however could not suppress the organic development of a genre of music born from suffering The great Mississippi Delta bluesman Muddy Waters once said The blues was born behind a mule Behind a beast of burden the working man found in the blues a way to console the everyday experiences of struggle sin loss despair love grief sin death and the fear and hope of crossing the River Jordan into eternal life The church's gospel songbook explores doctrinal foundations set to music but the blues dares to uncover insight into the lived experiences of spiritual journeys Theology and the Blues showcases theological themes inherent within the organic and expressive genre of the blues **Oasis of Imagination** Ted Turnau, 2023-07-20 What should creative Christian cultural engagement look like Too often it has been marked by political strong arming or fearful withdrawal into the Christian bubble There is another way using our imaginations to plant oases in the desert breathable spaces that refresh challenge and draw together Christians and non Christians alike Oases refresh the soul provoke

discussion challenge assumptions and lead the imagination to a new place In *Oasis of Imagination* Ted Turnau lays out the Biblical mandate for engaging culture and why the imaginative path holds promise He explores the nature of the imagination from both Scripture and nature He asks What does a Christian imagination that resonates with non Christians look like He explores examples of Christian creativity done well from video games to movies to music to *The Lord of the Rings* He challenges the church artist and non artist alike to be intentional about their own imaginative lives how we can support each other as together we engage in building bridges and being cultural ambassadors to the wider community In depth and wide ranging *Oasis of Imagination* equips and encourages Christians whatever their calling to consider how to imaginatively enter into the broader cultural conversation *Body and Soul* Angelaurelio Soldi, 2017-10-10 The poems in this collection are sometime personal sometimes reflect on the human condition sometimes are angry Some poems ask questions some are playful funny or at least try Some poems are commentaries on characters aging love and life *Dubwise* Klive Walker, 2005 Reggae s influence can be heard in the popular music of nations in a variety of continents In *Dubwise* Klive Walker takes a fresh look at Bob Marley s global impact specifically his legacy in the Caribbean diaspora While considering Marley s status as an international reggae icon Walker also discusses the vital contributions to reggae culture authored by other important Jamaican innovators such as poet Louise Bennett hand drummer Oswald Count Ossie Williams jazz saxophonist Joe Harriott ska trombonist Don Drummond and singer Dennis Brown *The Poverty of Television* Jonathan Corpus Ong, 2015-05-15 Based on a 20 month ethnographic study of television and audiences in class divided Philippines this is the first book to take a bottom up approach in considering how people respond to images and narratives of suffering and poverty on television The book aims to contribute to the broader project of de Westernizing media studies and explore the tension between ethical prescription and anthropological description in the social sciences and humanities Winner of the 2016 Philippine Social Science Council Excellence in Research Award **Speculative Light** Amy J. Elias, 2024-12-13 Over the course of a thirty eight year friendship painter Beauford Delaney and writer James Baldwin shared their private lives and shaped one another s artistic values *Speculative Light* brings together scholars critics and artists who analyze the stylistic and historical import of Delaney s and Baldwin s works and examine how this friendship fundamentally shaped the pair s ideas about art and life The book s contributors explore how the two men sharing identities as queer Black American artists first in New York and then as expatriates in France created a speculative space in their work to think about more just and creative Black futures Essay topics and issues range from masculinity queerness Blackness and Americanness to the relationship between jazz painting and writing Throughout the contributors establish a positive history for Delaney s and Baldwin s arts that refuses a subordinate role to white artists of the modernist avant garde Ultimately *Speculative Light* demonstrates that Delaney and Baldwin s bond provides revolutionary grounds for theorizing contemporary Black art and life Contributors Hilton Als Nicholas Boggs Indie A Choudhury Shawn Anthony Christian Rachel Cohen Amy J Elias Monika Gehlawat David Leeming D

Banayee,2025-04-24 When Maiwand Banayee was 16 he wanted to become a suicide bomber for the Taliban In this inspiring tale of survival and self discovery the reader will follow Maiwand s journey down a dark path and his ultimate redemption Growing up in Kabul amid the Afghan wars he witnessed atrocities that no child should ever see rotting corpses starving families a neighbourhood torn apart He escaped to a refugee camp in Pakistan where religious militants began the gradual grooming of Maiwand and other Afghan boys These confused and traumatised children were indoctrinated radicalised and prepared to die in the name of a religious war But Maiwand escaped this life Fleeing Afghanistan he had a life altering crisis of faith confidence and meaning finding new purpose and rebuilding himself Maiwand taught himself how to read and write in English and here tells his astonishing story in crystalline prose *Delusions of Paradise* offers a powerful warning about the dangers of radical religion and is a stunning celebration of self determination and redemption from an important new voice

Poetry of Mourning Jahan Ramazani,1994-05-28 Through readings of elegies self elegies war poems and the blues this book covers a wide range of poets including Thomas Hardy Wilfred Owen Wallace Stevens Langston Hughes W H Auden Sylvia Plath and Seamus Heaney It is grounded in genre theory and in the psychoanalysis of mourning Higher Ground Craig Werner,2007-12-18 An insightful music writer brilliantly reinterprets the lives of three pop geniuses and the soul revolution they launched Soul music is one of America s greatest cultural achievements and Stevie Wonder Aretha Franklin and Curtis Mayfield are three of its most inspired practitioners In midcentury America it was soul music particularly the dazzling stream of recordings made by these three stars that helped bring the gospel vision of the black church into the mainstream energizing the era s social movements and defining a new American gospel where the sacred and the secular met What made this gospel all the more amazing was that its most influential articulators were the sons and daughters of sharecroppers storefront preachers and single parents in the projects whose genius gave voice to a new vision of American possibility *Higher Ground* seamlessly weaves the specific and intensely personal narratives of Stevie Aretha and Curtis s lives into the historical fabric of their times The three shared many similarities They were all children of the great migration and of the black church But Werner goes further and ties them together with a provocative thesis about American history and culture that compels us to reconsider both the music and the times And aside from the personalities and the history he writes beautifully about music itself the nuts and bolts of its creation and performance in a way that brings a new awareness and understanding to the most familiar music forcing you to listen to songs you ve heard a thousand times with fresh ears In *Higher Ground* Werner illuminates the lives of three unparalleled American artists reminding us why their music mattered then and still resonates with us today *Prophetic Leadership and Visionary Hope* Barbara Will,2023-05-09 Thirty years have passed since Cornel West s book *Race Matters* rose to the top of the bestseller lists in 1993 Yet his book remains as

relevant as ever to American culture even more so if one considers its influence on contemporary racial justice movements such as Black Lives Matter prison justice and the fight for police reform Prophetic Leadership and Visionary Hope an edited volume of essays by leading scholars in Black studies religious studies and social justice history looks back to the original 1993 text and forward into the future of racial understanding and healing in our current century responding to Dr West's own repeated insistence that we can only understand our present and future by looking back By reengaging with West's book at this seminal moment Prophetic Leadership and Visionary Hope offers new points of entry into the thorny issues that the 1993 text addressed the challenge of leadership in a culture marked by the legacy of white supremacy the limited value of liberal affirmative action programs in promoting the affirmation of Black humanity the dangerous seductions of African American conservatism and the question of Black self regard what West called black nihilism the necessity and difficulty of cross race solidarity and cross religious affinity the need to channel legitimate Black rage over untenable conditions of existence into productive opportunities and viewpoints All of these issues are even more marked in American society today The voices collected in this volume are the legitimate intellectual heirs of the original Race Matters With essays that span the topics of history politics philosophy religion cultural studies music and aesthetics Prophetic Leadership and Visionary Hope is as wide ranging as the thinker whose ideas it engages interrogates and celebrates Contributors Nkosi Du Bois Anderson Paul A Bov Matthew M Briones Farah Jasmine Griffin Susannah Heschel Lucius T Outlaw Jr Andrew Prevot Brandon M Terry Cornel West Barbara Will A Black Man's Inner Thoughts Kim R.
