

Reel History

Miriam Forman-Brunell, Leslie Paris

Reel History:

Reel History Robert Brent Toplin, 2002 The author makes an argument for clemency in judging Hollywood's interpretations of history and thoroughly investigates its serious limitations and opportunities to construe history **Reel History** Stephen Farina, 2016-01-01 In this engaging hybrid work a blend of oral history and graphic novel Stephen Farina finds Juma Sultan in a local phonebook After an initial meeting at a roadside diner Juma takes Steve and a fellow researcher to a decrepit barn which amazingly contains a treasure trove of reel to reel audio tapes and 16mm films of jam sessions and jazz performances from the 1960s and 1970s As the men go through the boxes and begin the painstaking process of preservation Juma recalls the players places and time period when free jazz exploded then fused with the political momentum of the Civil Rights era This true story documents The Aboriginal Music Society Archival Project which was funded by the National Endowment for the Arts Available exclusively as an e publication Reel History's expressive and glowing black and white illustrations are augmented by audio clips and haunting silent video from Juma Sultan's unique archive This is an invaluable history for jazz historians and readers in the digital age **George P. Knauff's Virginia Reels and the History of American Fiddling** Chris Goertzen, 2017-09-25 George P Knauff's Virginia Reels 1839 was the first collection of southern fiddle tunes and the only substantial one published in the nineteenth century Knauff's activity could not anticipate our modern contest driven fiddle subcultures But the fate of the Virginia Reels pointed in that direction suggesting that southern fiddling after his time would happen outside of commercial popular culture even though it would sporadically engage that culture Chris Goertzen uses this seminal collection as the springboard for a fresh exploration of fiddling in America past and present He first discusses the life of the arranger Then he explains how this collection was meant to fit into the broad stream of early nineteenth century music publishing Goertzen describes the character of these fiddle tunes names and such titles in general what we can learn about antebellum oral tradition from this collection and how fiddling relates to blackface minstrelsy Throughout the book the author connects the evidence concerning both repertoire and practice found in the Virginia Reels with current southern fiddling encompassing styles ranging from straightforward to fancy old time styles of the Upper South exuberant West Virginia styles and the melodic improvisations of modern contest fiddling Twenty six song sheets assist in this discovery Goertzen incorporates performance descriptions and music terminology into his accessible engaging prose Unlike the vast majority of books on American fiddling regional tune collections or histories this book presents an extended look at the history of southern fiddling and a close examination of current practices *Oral History* Thad Sitton, George L. Mehaffy, O.L. Davis, 2011-05-18 More than a mode of gathering information about the past oral history has become an international movement Historians folklorists and other educational and religious groups now recognize the importance of preserving the recollections of people about the past The recorded memories of famous and common folk alike provide a vital complement to textbook history bringing the past to life through the stories of those who lived it Oral History

is designed to introduce teachers students and interested individuals to the techniques problems and pleasures of collecting oral history The authors themselves experienced educators examine the uses of oral history in the classroom looking at a wide range of projects that have been attempted and focusing on those that have succeeded best Besides suggesting many possible projects they discuss the necessary hardware and its use recording equipment and procedures interview outlines and preliminary research photography and note taking in the field transcription and storage of information legal forms and more For the teacher the authors offer helpful advice on training students to be sensitive interviewers in both formal and informal situations How can oral histories collected in the classroom be put to use The authors discuss their uses within the curriculum in projects such as oral history archives publications such as the popular Foxfire books and other media productions and in researching current community problems Useful appendixes survey a variety of reference tools for the oral historian and describe in detail how a Foxfire concept magazine may be developed

Reframing the Past Mia E. M. Treacey, 2016-02-26 Reframing the Past traces what historians have written about film and television from 1898 until the early 2000s Mia Treacey argues that historical engagement with film and television should be reconceptualised as Screened History an interdisciplinary international field of research to incorporate and replace what has been known as History and Film It draws from the fields of Film Television and Cultural Studies to critically analyse key works and connect past scholarship with contemporary research Reconsidered as Screened History the works of Pierre Sorlin Marc Ferro John O Connor Robert Rosenstone and Robert Toplin are explored alongside lesser known but equally important contributions This book identifies a number of common themes and ideas that have been explored by historians for decades the use of history on film and television as a way to teach the past the challenge of filmic and televisual history to more traditional historiography and an ongoing battle to find an appropriate historical way to engage with Film Studies and Theory Screened History offers an approach to exploring History Film and Television that allows room for future developments while connecting them to a rich and diverse body of past scholarship Combining a narrative of historical research on film and television over the past century with a reconceptualisation of the field as Screened History Reframing the Past is essential reading both for established scholars of History and Film Film History and other related disciplines and to students new to the field

Essays in the History of Canadian Law Philip Girard, Jim Phillips, 2011-12-15 This third volume of Essays in the History of Canadian Law presents thoroughly researched original essays in Nova Scotian legal history An introduction by the editors is followed by ten essays grouped into four main areas of study The first is the legal system as a whole essays in this section discuss the juridical failure of the Annapolis regime present a collective biography of the province's superior court judiciary to 1900 and examine the property rights of married women in the nineteenth century The second section deals with criminal law exploring vagrancy laws in Halifax in the late nineteenth century aspects of prisons and punishments before 1880 and female petty crime in Halifax The third section on family law examines the issues of divorce from 1750 to

1890 and child custody from 1866 to 1910 Finally two essays relate to law and the economy one examines the Mines Arbitration Act of 1888 the other considers the question of private property and public resources in the context of the administrative control of water in Nova Scotia

History and Legacy of the Suffragette Fellowship Eileen Luscombe, 2023-10-20 History and Legacy of the Suffragette Fellowship provides a biographical account of the scope and depth of the memory work of the now forgotten commemorative group the Suffragette Fellowship active from the 1920s to the 1970s The Suffragette Fellowship comprised members from the militant suffrage groups known as the Women s Social and Political Union the Women s Freedom League and the Actress Franchise League This research provides a comprehensive analysis of the Fellowship s attempts to form and sustain a collective Suffragette identity across four decades of activity It considers the legacy of contested histories attached to militant campaigning that pressured Fellowship leaders to take control of the public memory of suffrage history With close attention given to a neglected piece of feminist history this book highlights the cultural and political impacts that the Fellowship enacted in their memory of the women s suffrage movement Richly illustrated with images of members artefacts and publications this extensive study of the Suffragette Fellowship adds to transnational suffrage histories in the United Kingdom and Australia and will be of interest to scholars in memory studies and women s history

A History of the Hal Roach Studios Richard Lewis Ward, 2006-08-15 Once labeled the lot that laughter built the Hal Roach Studios launched the comedic careers of such screen icons as Harold Lloyd Our Gang and Laurel and Hardy With this stable of stars the Roach enterprise operated for forty six years on the fringes of the Hollywood studio system during a golden age of cinema and gained notoriety as a producer of short comedies independent features and weekly television series Many of its productions are better remembered today than those by its larger contemporaries In A History of the Hal Roach Studios Richard Lewis Ward meticulously follows the timeline of the company s existence from its humble inception in 1914 to its close in 1960 and through both its obscure and famous productions traces its resilience to larger trends in the entertainment business In the first few decades of the twentieth century the motion picture industry was controlled by an elite handful of powerful firms that allowed very little room for new competition outside of their established cartel The few independents that garnered some measure of success despite their outsider status usually did so by specializing in underserved or ignored niche markets Here Ward chronicles how the Roach Studios at the mercy of exclusive distribution practices managed to repeatedly redefine itself in order to survive for nearly a half century in a cutthroat environment Hal Roach s tactic was to nurture talent rather than exhaust it and his star players spent the prime of their careers shooting productions on his lot Even during periods of decline or misdirection the Roach Studios turned out genuinely original material such as the screwball classic Topper 1937 the brutally frank Of Mice and Men 1940 and the silent experiment One Million B C 1940 Ward s exploration yields insight into the production and marketing strategies of an organization on the periphery of the theatrical film industry and calls attention to the interconnected nature of the studio

system during the classic era The volume also looks to the early days of television when the prolific Roach Studios embraced the new medium to become for a time the premier telefilm producer Aided by a comprehensive filmography and twenty seven illustrations A History of the Hal Roach Studios recounts an overlooked chapter in American cinema not only detailing the business operations of Roach's productions but also exposing the intricate workings of Hollywood's rivalrous moviemaking establishment

The Girls' History and Culture Reader Miriam Forman-Brunell, Leslie Paris, 2011 Provides scholars instructors and students with the most influential essays that have defined the field of American girls history and culture and addresses topics ranging from diary writing and toys to prostitution and slavery from cover

Film History Through Trade Journal Art, 1916-1920 Jeff Cadori, 2020-03-31 The period in film history between the regimentation of the Edison Trust and the vertical integration of the Studio System roughly 1916 through 1920 was a time of structural and artistic experimentation for the American film industry As the nature of the industry was evolving society around it was changing as well arts politics and society were in a state of flux between old and new Before the major studios dominated the industry droves of smaller companies competed for the attention of the independent exhibitor their gateway to the movie goer Their arena was in the pages of the trade press and their weapons were their advertisements often bold and eye catching The reporting of the trade journals as they witnessed the evolution of the industry from its infancy towards the future is the basis of this history Pulled from the pages of the journals themselves as archived by the Media History Digital Library the observations of the trade press writers are accompanied by cleaned and restored advertisements used in the battle among the young film companies They offer a unique and vital look at this formative period of film history

Ledgers of History Sally Wolff, 2010-10-15 Emory University professor Sally Wolff has carried on a fifty year tradition of leading students on expeditions to Faulkner country in and around Oxford Mississippi Not long ago she decided to invite alumni on one of these field trips One response to the invitation surprised her I can't go on the trip But I knew William Faulkner They were the words of Dr Edgar Wiggins Francisco III and in talking with Wolff he revealed that as a child in the 1930s and 1940s he did indeed know Faulkner quite well His father and Faulkner maintained a close friendship for many years going back to their shared childhood but the fact of their friendship has been unrecognized because the two men saw much less of each other after the early years of their marriages In Ledgers of History Wolff recounts her conversations with Dr Francisco known to Faulkner as Little Eddie and reveals startling sources of inspiration for Faulkner's most famous works Dr Francisco grew up at McCarroll Place his family's ancestral home in Holly Springs Mississippi thirty miles north of Oxford In the conversations with Wolff he recalls that as a boy he would sit and listen as his father and Faulkner sat on the gallery and talked about whatever came to mind Francisco frequently told stories to Faulkner many of them oft repeated about his family and community which dated to antebellum times Some of these stories Wolff shows found their way into Faulkner's fiction Faulkner also displayed an absorbing interest in a seven volume diary kept by Dr Francisco's great great grandfather Francis

Terry Leak who owned extensive plantation lands in northern Mississippi before the Civil War. Some parts of the diary recount incidents in Leak's life but most of the diary concerns business transactions including the buying and selling of slaves and the building of a plantation home. During his visits over the course of decades, Francisco recalls Faulkner spent many hours poring over these volumes, often taking notes. Wolff has discovered that Faulkner apparently drew some of the most important material in several of his greatest works, including *Absalom, Absalom!* and *Go Down, Moses*, at least in part from the diary. Through Dr. Francisco's vivid childhood recollections, *Ledgers of History* offers a compelling portrait of the future Nobel Laureate near the midpoint of his legendary career and also charts a significant discovery that will inevitably lead to revisions in historical and critical scholarship on Faulkner and his writings. [The History of the North Carolina Communist Party](#) Gregory S. Taylor, 2009. This book presents a re-evaluation of the objectives and actions of the Tar Heel Reds from the 1920s to the 1960s. The author argues that contrary to widely held belief, they were not a threat to national security nor were they beholden to the Soviet Union and that their aims are now accepted parts of the national consensus.

A Woman Making History Mary Ritter Beard, 1991-01-01. Historian, social reformer, and women's suffrage campaigner. Mary Ritter Beard (1876-1958) was one of the most prominent intellectuals of her day. Co-author with her husband Charles Beard of *The Rise of American Civilization* and other works in US history, she also founded the modern field of women's history. This collection of her letters offers in effect an intellectual biography which is considered to be better documented and more vivid than any previous book about her. [International Cold War Military Records and History](#) William W.

Epley, 1996. [The Oxford Handbook of American Film History](#) Jon Lewis, 2025. In a series of newly commissioned chapters, *The Oxford Handbook of American Film History* offers a new and fully compelling discussion of American film as marked by significant moments of industrial and artistic change. Many of the chapters are built upon primary-sourced research, while others detail aspects of form and style. Together, the chapters in this book show a history shaped by multiple theses and voices and interests. **Taiwan, the United States, and the Hidden History of the Cold War in Asia** Hsiao-Ting

Lin, 2022-04-28. This book explores the challenges which faced the United States and Taiwanese alliance during the Cold War, addressing a wide range of events and influences of the period between the 1950s and 1970s. Tackling seven main topics to outline the fluctuations of the U.S.-Taiwan relationship, this volume highlights the impact of the mainland counteroffensive, the offshore islands, Tibet, Taiwan's secret operations in Asia, Taiwan's Soviet and nuclear gambits, Chinese representation in the United Nations, and the Vietnam War. Utilizing multinational archival research, particularly the newly available materials from Taiwan and the United States, to reevaluate Taiwan's foreign policy during the Cold War, revealing a pragmatic and opportunistic foreign policy disguised in nationalistic rhetoric. Moreover, this study represents a departure from previous scholarship, emphasizing the dictatorial and incompetent nature of the Chinese Nationalist regime to provide fresh insights into the nature of U.S.-Taiwan relations. Presenting a revisionist view of one of the strongest bilateral relationships of the Cold

War this will be an insightful resource for scholars and students of Chinese and East Asia History Cold War History Asian Studies and International Relations **Machine Accountant 3 & 2** United States. Bureau of Naval Personnel,1967

History of Kentucky William Elsey Connelley,Ellis Merton Coulter,1922 **A History of Flint Medical College, 1889-1911** Desha Rhodes,2007 After the Civil War black people in the New Orleans region did not have adequate medical care causing a health care crisis which lasted for almost two decades In 1889 an institution emerged in response to this emergency New Orleans University a Methodist Episcopal Church school opened a medical department which would later become Flint Medical College Flint was born of the missionary fervor of the Methodist Episcopal Church Although constantly facing the obstacle of chronic financial difficulty the medical school grew and in 1901 to honor its benefactor businessman John D Flint the university changed the name of the school to Flint Medical College In spite of positive development by 1905 advances in medical knowledge and practices threatened the adequacy of Flint s program By 1906 Flint was struggling academically and needed better clinical facilities Finally faced with challenges it was unable to meet in August 1911 the university announced the closing of Flint Medical College Divers elements combined to end Flint s existence in 1911 but it was not a failure This institution provided the foundation for organized health care for black people in the New Orleans area and signified a triumph of black self determination underwritten by Christian missionary fervor History Of Chartered Surveyors In Singapore, The: The First Hundred Years: 1868 - 1968 William James Jones,2023-03-21 There is a rich history of achievements by Chartered Surveyors in Singapore going back as far as the 1880s Their stories have largely gone untold This book tells the stories of individual Chartered Surveyors in Singapore over the first hundred years since the Royal Institution of Chartered Surveyors was founded 1868 to 1968 and explains the role they played in the development of Singapore The book also includes the stories of the pioneer Singaporean Chartered Surveyors from the 1940s onwards many of whom studied overseas but returned to Singapore where they would play important roles in the real estate industry over future decades Related Link s

The Top Books of the Year Reel History The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Reel History : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Reel History : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
