[Continuing Education of Reference Librarians](#) William A. Katz, 1990 Here is a crucial book on the neglected issue of continuing education of reference librarians For librarians seeking to enhance and maintain a high level of quality reference work and for managers who must assure that their staffs receive the basics in continuing education this is essential reading *Continuing Education of Reference Librarians* addresses the concerns of all librarians that they must be informed and educated in order to excel in their work In the first several chapters of this comprehensive volume on the job librarians focus on the increased need for nontraditional approaches to continuing education and training of reference staff They offer practical ways of making additional training both useful and relatively easy to carry out within the library setting Teachers of reference offer suggestions for contending with current formal courses and they also examine the responsibilities of not only the reference librarian but also the bibliographer and faculty member in staying abreast of current trends Also in this broad based look at continuing education is a list of critical skills most librarians expect of their reference people including reference interview techniques mastery of basic reference sources and an understanding of new technologies a review of the most revolutionary change in teaching reference librarianship in the last 100 years the online search and a discussion on ethics including the

need for librarians to be aware of the basic documents of the American Library Association and more importantly the need to treat all library users equally in terms of access and service regardless of status and personal prejudice Continuing Education of Reference Librarians focuses on specific types of training for librarians Authorities explain pioneering programs in California and Maryland which deal with teaching basic reference tools to beginning librarians and paraprofessionals They also discuss the role of multitype networks in continuing education as the most cost and time efficient means available today and the use of self directed contract learning as a method that requires long term planning and rewards in contrast to the immediate results of a short term plan of education The management perspective of continuing education is also included Working library directors offer their observations on sound inspirational approaches to continuing education They also examine the critical role department heads play as mentor to beginning reference librarians The Reference Library User William A. Katz,1990 Provide the best possible service to your library patrons With a healthy respect for those who seek assistance at the reference desk a group of library and information service specialists examine the public whom they serve The Reference Library User focuses on the possible interactions between the reference librarian and the library user The authoritative contributors discuss many problems in the relationship between the public and the library and all offer suggestions that will at least help librarians to better serve the public on a daily basis A major emphasis of The Reference Library User is on the various populations using the library and their particular needs For example one chapter examines the information needs of deinstitutionalized patrons and presents methods of providing service and a rationale for community outreach The state program in Rhode Island is outlined describing efforts to reach community residents through public libraries and the state operated Bookmobile Other chapters provide strategies for providing reference services to older adults the learning disabled the blind and the physically handicapped This informative new volume also deals with general concerns facing librarians today including determining the audience for both public and academic libraries educating the user encouraging nonusers to become library users and calming irate patrons Reference librarians will be particularly interested in the problems and solutions discussed in this new volume as will library managers and administrators who will always benefit from a fresh perspective on public service for the library user **Weeding and Maintenance of Reference Collections** Linda S Katz,2013-01-11 Here is unique volume offering practical advice on weeding and maintaining reference collections It covers different types of libraries academic corporate public and problems and librarians describe in detail methods and criteria used by their libraries in weeding their reference collections Dr Pierce has organized the topics of her book into relevant chapters These chapters bound to appeal to a variety of needs address and discuss the problems and management of growing reference collections As many librarians find weeding reference books a difficult task most reference departments suffer from a lack of space as a result Collection growth reduces shelf and seating space and both books and people are lost in the clutter In reading this essential book reference supervisors will come to understand the

importance of allowing reference area growth combined with effective weeding to promote an attractive and well stocked reference area Heads of reference will find Weeding and Maintenance of Reference Collections full of useful information from the specific criteria and detailed methods contributed by several librarians who have found success in weeding their reference collections to the practical hints on planning and evaluating collection contents and organization Students and faculty of library schools and information studies will gain insight into successful management of increasing amounts of reference material as the Information Age gathers momentum into the 1990s Rothstein on Reference- with Some Help from Friends Samuel Rothstein,1989 Now library professionals can enjoy the convenience of having 16 of Sam Rothstein s most memorable papers spanning over three decades all in one lively book Samuel Rothstein practitioner teacher and scholar has influenced the thinking and practice of more reference librarians who are currently practicing than has any other single individual In his honor the editors of Rothstein on Reference not only feature Rothstein s seminal writing but they have also included essays written by Rothstein s colleagues including Charles Curran Robert Hauptman Marilyn Domas White and Mary Biggs that explore important issues confronting reference librarians today Reference librarians and library historians will gain insights into the development of reference service in American libraries the evaluation of reference services the training and education of reference librarians and much more Both beginners and experts in the reference field will find much here for inspiration and enlightenment **Modern Library Technology and Reference Services** Samuel T.
