Matuzo, Elizabeth B. Lindsay, 2008-07-31 Characterized by its move away from Romanticism and toward mundane every day subjects as well as incorporating such ideas as metanarrative stream of consciousness and disjointed timelines the American Modernist Era was at its heyday during the years 1914 1949 It produced such great authors as Ernest Hemingway William Faulkner and F Scott Fitzgerald and memorable works like *As I Lay Dying* and *The Great Gatsby* Literary Research and the American Modernist Era offers the scholar and researcher a clear introduction to the best contemporary library resources and practices for researching American modernist writing Graduate students advanced undergraduates researchers and scholars specializing in American modernist writing will improve their information skills and fluency whether in the real or the virtual library Even those lacking access to some of the resources described here can profit from this overview of literary research because it will help them frame questions indicate where to go for answers and demonstrate useful connections between many of the secondary scholarly sources This guide offers a coherent account of how contemporary research skills and resources can complement one another in helping the scholar effectively deal with typical challenges they encounter in their work How to Teach American Literature Elizabeth McCallum Marlow, 2017-09-01 How does one keep classic books alive for young people today and teach them that literature

is instructional and delightful How does the teacher foster a classroom environment that encourages student participation and promotes enjoyment so that teenagers learn to appreciate literary study More specifically how can teachers cover centuries of American literature with students who dont appreciate why they should read material written centuries ago about people and issues that appear to be irrelevant to life today in a language that seems esoteric The author of this series of high school teaching guides addresses these issues How to Teach American Literature A Practical Teaching Guide provides a detailed resource for teachers or anyone interested in an in depth study of the subject This second book in the series covers American literature from the Puritan era to contemporary works Included are suggestions for cultivating a love for literature teaching techniques detailed analyses of each work questions for review and test questions with suggested responses essay topics audiovisual aids classroom handouts and recommended books that enhance teaching The author emphasizes two basic reasons for teaching literature it is instructional and delightful This book provides a comprehensive methodology for teaching the subject that a teacher could apply to one years lesson plans without further investment in time Elizabeth McCallum Marlow has developed quality comprehensive guides for the teaching community based on her thirty five years of experience and her passion for literature Teaching professionals will find her tried and true practices to be invaluable Johnathan Arnold MBA M Ed D Ed Min Headmaster Covenant Christian Academy Cumming GA
