## **Reflected Pleasures:**

*Hours of Reflection on Horror and Pleasure* John Hunt, 1845      Kant and the Role of Pleasure in Moral Action Iain P. D. Morrisson, 2008 Kant scholars since the early nineteenth century have disagreed about how to interpret his theory of moral motivation Kant tells us that the feeling of respect is the incentive to moral action but he is notoriously ambiguous on the question of what exactly this means In *Kant and the Role of Pleasure in Moral Action* Iain Morrisson offers a new view on Kant's theory of moral action In a clear straightforward style Morrisson responds to the ongoing interpretive stalemate by taking an original approach to the problem Whereas previous commentators have attempted to understand Kant's feeling of respect by studying the relevant textual evidence in isolation Morrisson illuminates this evidence by determining what Kant's more general theory of action commits him to regarding moral action After looking at how Kant's treatment of desire and feeling can be reconciled with his famous account of free maxim based action Morrisson argues that respect moves us to moral action in a way that is structurally parallel to the way in which nonmoral pleasure motivates nonmoral action In reconstructing a unified theory of action in Kant Morrisson integrates a number of distinct elements in his practical philosophy *Kant and the Role of Pleasure in Moral Action* is part of a new wave of interest in Kant's anthropological that is psychological works      Pleasure Lisa Shapiro, 2018 For many the word pleasure conjures associations with hedonism indulgence and escape from the life of the mind However little we talk about it though pleasure also plays an integral role in cognitive life in both our sensory perception of the world and our intellectual understanding This previously important but now neglected philosophical understanding of pleasure is the focus of the essays in this volume which challenges received views that pleasure is principally motivating of action unanalyzable and caused rather than responsive to reason Like other books in the Oxford Philosophical Concepts series it traces the development of the focal idea from ancient times through the 20th century The essays highlight points of departure for new lines of inquiry rather than attempting to provide a full picture of how the idea of pleasure has been explored in philosophy The volume begins by showing how Plato Aristotle early Islamic philosophers and philosophers in the Medieval Latin tradition such as Aquinas honed in on the challenge of unifying the variety of pleasures so that they fall under one concept In the early modern period philosophers shifted from understanding the logic of pleasure to treating pleasure as a mental state As the studies of Malebranche Berkeley and Kant show the central problem becomes understanding the relation of pleasure to other sensory experiences and the role of pleasure in human cognition and knowledge Short interdisciplinary reflections interspersed between essays focus on art of 16th and 17th century textbooks and the difficult music of composers like Bach which demonstrate translation of these concerns to cultural production in the period As the essay on Mill shows the 19th century development of scientific psychology narrowed the definition of pleasure and so its philosophical focus Contemporary accounts of pleasure however in both philosophy and psychology are now recognizing the limitations of this narrow focus and are once again recognizing the complexity of

pleasure and its role in human life      **The Tribute: a Collection of Miscellaneous Unpublished Poems by Various Authors** Alfred Tennyson, 2025-07-29 Reprint of the original first published in 1837 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Essays on Practical Education* Maria Edgeworth, Richard Lovell Edgeworth, 1815      *Essays on Practical Education; by Maria & R.L.
