Reflection Of Fear:

Reflections of Challenges and Triumphs Lincoln Wallace, 2010-12-23 In his powerful autobiography *Reflections of Challenges and Triumphs* first time author Lincoln Wallace offers an introspective glance into his life's journey from suffering to triumph. Living an emotionally impoverished childhood filled with self-abnegation and doubt, Lincoln could have gone on a downward spiral. Instead, paying heed to his own inner voice and holding fast to his dreams, he lifted himself out of the toxicity of negative beliefs and erroneous misconceptions about his personhood and his destiny, which he ultimately discovered only he could define. Latching on to his natural gift for the martial arts, Lincoln learned the art of respectful self-defense. Through seeking and encountering the best part of himself, he continuously reaches out as a guide and mentor to his admiring family members and students. He especially wants the disenfranchised, marginalized youth of our society to understand that they can lift themselves up even if circumstances aren't ideal or they don't have role models to emulate, and even if they are told that they are not good enough. Such heartless criticisms, outright falsehoods, were meted upon Lincoln by his mother, who berated and downgraded him. Nonetheless, he pursued and achieved his objective of becoming someone enriching lives in the process. I want kids to know that if I did it, they can do it too. What good is having experiences and gaining knowledge if lessons can't be shared, the author observes. His story demonstrates that no matter how downcast a heart may be, hope inheres in self-belief, holding one's head high, having faith in a brighter dawn, and knowing with every breath that such will come.

Reflections of Love and Loathing M. R. Gutierrez, 2014-01-30 On a hot June day, Liliana, a brilliant young woman of Native American, Hispanic, and Anglo-Saxon heritage, is irresistibly drawn to a cowboy despondently leaning on his truck on the side of the highway as she drives home to Grants. *Reflections of Love and Loathing* takes place in New Mexico, where Liliana loses her loving parents when she is five. Secret resources enable her abusive alcoholic grandmother, Carla, to keep her, so Liliana is forced to live with the persistent stalking of a serial pedophile, Joe, who is her great grandfather. When Terry sees her recklessly cross the highway to come to his aid, he begins the wild ride into Liliana's life. After meeting Carla and Joe, he has his doubts about being with Liliana, but soon he realizes that love binds him to her. After driving Terry to his destination in Texas, Liliana learns that Carla has accused her of killing Joe and flees in panic. She wakes to find herself broken and alone, her truck wrecked in a deep arroyo. Only her love for Terry gives her the strength to fight for survival in the flashflood that threatens to finish her off, and only Terry's mysterious link to her allows him to find and rescue her. While she lies broken in the hospital, Terry learns of the perversions and misuse of power that maintained multigenerational sexual abuse that destroyed the lives of three generations of women and dominated Liliana's life with Carla. Then begins Liliana's true challenge. As her body heals, she will have to rise above the emotional damage caused by Carla and the nightmare mirror image of Joe that tempts her to drive Terry away rather than face her fears and believe that she is worthy of Terry's love. The most difficult challenge of all.

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today

Johnson, Tracy B. Henley, 2013-04-15 This important volume looks back to 1890 and 100 years later asks some of the same questions William James was asking in his *Principles of Psychology* In so doing it reviews our progress toward their solutions Among the contemporary concerns of 1990 that the editors consider are the nature of the self and the will conscious experience associationism the basic acts of cognition and the nature of perception Their findings Although the developments in each of these areas during the last 100 years have been monumental James views as presented in the *Principles* still remain viable and provocative To provide a context for understanding James some chapters are devoted primarily to recent scholarship about James himself focusing on the time the *Principles* was written relevant intellectual influences and considerations of his understanding of this new science of psychology The balance of this volume is devoted to specific topics of particular interest to James One critical theme woven into almost every chapter is the tension between the role of experience or phenomenological data within a scientific psychology and the viability of a materialistic or biologically reductive account of mental life Written for professionals practitioners and students of psychology in all disciplines

Sensationality William Clark, 2006-10 If the contents of this publication were easy to understand it would be a much shorter book It s easy to wonder why being in love with someone or living in fear is so different from liking or being afraid of one thing or another Differences arise because what we like for example is definable but who we love isn t We assume that all words are definable but love isn t and neither is faith appreciation passion or a host of other words which relate to love In truth we can t define the sensation of fear sin or temptation either Why is it that we give such importance to words which can t be defined and why is it that many of our words including mind soul and God escape definition when we re certain that we know what they mean It s only by appreciating certain words that an understanding is achieved Our relationship with God the Father Christ the Son and the Holy Spirit are explored Not in a theological context but a sensational one not so different from a sixth sense perspective Contents of this book also include considerations of anger addiction homosexuality pain

management and much more An attempt is made to tie up all these seemingly diverse subjects into one tightly knit package
