Reflections Of Rock River:

Reflections of Rock River Jonathan Barry,2004-11-01 Something horrifying had happened on Rock River that would haunt John Houlton throughout his life He became a mysterious man with undeniable strength In his late twenties torn between the life he wanted and the possessive thoughts of reality the battle between good and evil spirits would take over his dreams Dreams would become unspeakable nightmares On his own he was determined to win this battle Stripped of his pride he will seek his revenge Developing two personalities he managed to mask this other side to those who know him It was only his wife who suspected but only through time would feel his pain You will be left with eerie feelings of manipulating facts

Reflection on America's Great Loop George Hospodar,Patricia Hospodar,2012 Adventure is not just for the young Though I own a boat was the opening phrase to their courtship and eventual married life little did Baby Boomer couple George and Pat Hospodar know then that those words would lead to their making a year long journey of a lifetime aboard their boat Reflection almost forty years later This book welcomes and encourages not only fellow boaters but also armchair adventurers and dreamers of all ages to join them aboard as they share a light hearted real life account of their travels on the circumnavigation of the waterways of the eastern United States and Canada In addition for those who may consider making this journey themselves the authors offer insights and tips on Routes Anchorages Navigation Locking Marinas Free dockage Low bridges Fuel stops Restaurants Shopping Points of interest and local history Border crossings in Canada and the United States Local marine weather websites and phone numbers The History of Wisconsin William Rudolph Smith,1854 The History of Wisconsin: v. 1.
