**Reflections** Marion Palm, 2018-03-05 This collection of poetry is a thirty year journey as an urban poet. Themes are trying to find love, losing love, and reconciling. Individual poems speak specifically to the experience of the empty nest, role reversals, separations, and adaptations to language and culture. Swinglish and made up words appear throughout the work along with chants and spells, which is why these poems have enjoyed popularity as performance poems. For every poet there comes a time when a poet needs to assemble his/her own favorites for this kind of book: a reflection.

Reflections of Me Melissa O. Freeman, 2007-04 The enclosed poems are on various subjects, most of which are my own personal religious viewpoints from anything as typical as finding a poem at a garage sale, i.e. prayer by an unknown Confederate soldier, patriotic poems, two poems about dogs, i.e. Ode to Dominique and O Good Shepherd, with religious crossovers. Many of them carry my affinity toward angels anywhere from a few lines, i.e. Harken to the Angels, to mere mentionings of angels or other religious topics that I feel strongly about, i.e. Circles from Heaven, which is basically about man and wife. Three poems about Christmas, poems either about Jesus or my personal feelings on societal topics, most of which I have tried to overlay religious topics and mix them with how I feel certain topics of society should be. Then there are also everyday topics, i.e. nature, friendship, old neighbors, soothsayers, etc. that may or may not have religious overtones, and poems on holidays, i.e. Easter, Memorial Day, the aforementioned Christmas poems, etc. I tried to include poems also for those people who don't believe in God, i.e. Where do Atheists go. All poems written with feeling and inspiration, were not written to offend anyone, and said author apologizes beforehand if certain viewpoints of said poems, which were written with enjoyment, do offend anyone. The author hopes that if you do have a notion to pick up this book, that you will at least find one poem you do like, as the author tried to put some variety in her poetry.

**Reflections on the Water** Ray Martin, 2021-09-30 Soon after publishing my first poetry book, *Time and Tide*, I began writing poetry for my second book. Writing *Reflections on the Water* has been an unforgettable journey, and I'm truly grateful to see this collection of poetry come into being. I believe the material in *Reflections on the Water* exhibits a progression in my writing that will be inspiring and enjoyable for anyone who reads it. *Reflections on the Water* has a wide array of subjects and themes, such as nature, the ocean, the moments of life, memories, God, His grace, love, faith, Jesus, and many more that I know will resonate with you. Packed with nearly 100 pages of my absolute best, all new poetry, *Reflections on the Water* runs the gamut from the aesthetic to the esoteric and explores certain types of poetry more deeply, such as sonnets and narrative poetry. No matter where you are on the spectrum as a reader, I truly believe you're going to love *Reflections on the Water*.

*Poetry Reflections* JB Frost, 2020-09-27 155 Poems A reflection is a distorted rendition of that which casts the reflection. A reflection is a mirrored image that defies the physics of its counterpart. A reflection is a chance to appreciate something in a different light. I have previously released books 1 & 2 for my *From the Mind: Imagination of J. B. Frost* series, but

something wasn't right. As I looked back on the content and the timing I realized I had to assemble a better assortment of my poetry that would better appeal to the poetry market. This E Book edition of Poetry Reflections contains many of my poems from my first two books and several new ones that were originally slated to be in book 3 of my earlier mentioned series. In my study of poets through the ages I've learned that most had written things that never made it to print or put out for public inspection and or approval. I had taken a more daring road in my first two poetry ventures and included just about everything I've written over the last few years. I wanted a collection that best mirrors the more positive messages I've written. I wanted a better representative of who I am as a writer and as a person I believe poetry is therapy and I believe we all can benefit from its sessions. I hope you enjoy my work.

As well as a few that fill the spirit when lost or empty. I have been writing since I was ten years old. The fulfillment I get from writing grows as the years pass by and I hope to bring to my readers a light at the end of their tunnel.

**Reflections on Poetry and the World** Emily Grosholz, 2020-12-18 This collection brings together 40 years of essays about poetry and literature written by Emily Grosholz. The first section includes essays about some of her favorite poets and thinkers in the United States, England, France and Germany. The second section brings poetry into relation with ethics, politics and practical deliberation and the third considers it alongside science and imagination. The last section is an homage to The Hudson Review for whom she has served as an Advisory Editor for many years. As a philosopher, Emily Grosholz has written and thought about feminism, racism and mathematics and science which has led her to admire all the more the distinct wisdom of poetry. These essays show how poetry reorganized language and memory, eros and experience and time and place and how and why it deepens our understanding of life.
