A Voice for My Soul Anna Beth Fore, 2017-02-10 A Voice for My Soul is a book of inspirational poems and prayers that speaks

from the authors soul The poems and prayers are reflections on Gods grace and faithfulness to his children during all the circumstances in a persons life Some of the poems declare the glory of God in creation and in the beauty of Jesus and the comfort of the Holy Spirit God is always present with his people when they face trials and suffering and he draws especially near to them as they journey through death and dying Regardless of the circumstances of life God is always present and close to his children Man desires to have a real relationship with God and with other people and God will fulfill his promises and bless all people who truly seek to know Him and to obey him One of the greatest of these blessings is knowing that there is always hope in this life and in the life to come when a person seeks to love God and submit to his will **Reflections of**

God's Grace Michelle Hanna,2016-07-27 Reflections of Gods Grace is a collection of devotional messages that have simple yet profound illustrations for Godly living They are reminders for many of us of what we have learned through sermons songs and Scripture Each devotion has a group of scriptures to support the message because Gods Word is most important Psalm 119 11 says Thy word have I hid in mine heart that I might not sin against thee These devotions will challenge you to examine your heart and your walk with the Lord and help you become a brighter Reflection of Gods Grace **Reflections Of God's**

Work Jerri Broglin,2017-03-29 The book is a collection of different lessons that people can go through such as going through losses There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others These lessons that are taught are through different avenues but we all come out with the same positive outcome We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God This shows how it s a learning process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through We learn to be close to others as we go through our unique lessons We become more positive in God s ways together God has put us through the lessons that bring out the best in each person This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes Otherwise without them we would never been taught about the greatest gifts ever that comes from God It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This will teach us the most as we are searching dearly for our soul s purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn
