Reflections Of The Heart An Inward Journey To Christ Centered Love:

Reflections of the Heart Donna Fletcher, 2005-10 As a wise person has said The longest journey is the eighteen inches between the head and the heart Every step of your journey from the egocentric self to the Christ centered heart opens your life to the miracle of living with God centered love The process is not unlike the opening of a rosebud The unfolding takes time but in each moment of opening new beauty is revealed The journey from infantile human love to God centered love is the most exciting of all journeys From the Introduction to Reflections of the Heart **Unscripted Spirituality** Luisa J. Gallagher-Stevens, 2021-08-12 Unscripted Spirituality Making Meaning of Leadership and Faith in College provides a contemporary exploration of Christian spirituality and leadership among emerging adults Drawing from an ecumenical Wesleyan and Jesuit theological foundation the text highlights an experiential approach to education and Christian spiritual formation Through the lens of undergraduate students faith narratives the text considers strategies to impact emerging adults inward spiritual journey cognitive thinking and outward expression of faith In Unscripted Spirituality leadership and spirituality are explored primarily through the narratives of undergraduate Protestant and Catholic student leaders at Gonzaga University a Jesuit liberal arts institution Through exploring students leadership and spiritual life experiences this text reveals unique insights into the perspectives of undergraduate student leaders as they face difficult life challenges have intimate encounters with God and explore their leadership identity Christian Mystics Ursula King, 2001 Ursula King's Christian Mystics offers a distinctive perspective on spirituality The author presents the Christian mystical tradition through short biographies of its great figures biographies which are highly readable without oversimplifying the ideas of these great figures This is an outstanding entryway into the rich and deep world of Christian mysticism recommended for readers of all backgrounds Michael Sells Professor of Comparative Religions Haverford College **Reflections from the Inner Light** James R. Newby, 2019-07-30 In this important book of Quaker spirituality Jim Newby writes about his spiritual journey and the ways he has sought to navigate an increasingly complex world and understand his purpose in it A lifelong Quaker Newby seeks to discern the primary ways in which he has grown spiritually which are divided into the following parts turning inward community and relationship pain and growth path of a seeker and affirmations Each chapter within these parts concludes with queries to encourage readers to reflect upon their own spiritual journeys Readers may find what Newby writes humorous or his writing may provoke tears questions and challenges to one's beliefs Humor and tears questions and spiritual challenges are all of God for to grow in Spirit encompasses all the feelings and emotions through which we pass in this life In the words of Newby's late friend and author Malcolm Muggeridge Every happening great and small is a parable whereby God speaks to us and the art of life is to get the message These reflections are Newby's attempt to get the message **Path of the Purified Heart** Laura Dunham, 2012-02-01 Path of the Purified Heart traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the

past and present Dunham illumines the common path all Christians and spiritual seekers may take toward union with God Through the motifs of the liturgical year and the labyrinth the author weaves in her own journey on this path during her year of purification
