Reflections On Jfks Assassination 250 Famous Americans Remember November 22 1963:

Reflections on JFK's Assassination John B. Jovich, 1988 **The Afterlife of John Fitzgerald Kennedy** Michael J. Hogan, 2017-03-03 In his new book Michael J. Hogan, a leading historian of the American presidency, offers a new perspective on John Fitzgerald Kennedy as seen not from his life and times but from his afterlife in American memory. The Afterlife of John Fitzgerald Kennedy considers how Kennedy constructed a popular image of himself in effect a brand as he played the part of president on the White House stage. The cultural trauma brought on by his assassination further burnished that image and began the process of transporting Kennedy from history to memory. Hogan shows how Jacqueline Kennedy, as the chief guardian of her husband's memory, devoted herself to embedding the image of the slain president in the collective memory of the nation, evident in the many physical and literary monuments dedicated to his memory. Regardless of critics, most Americans continue to see Kennedy as his wife wanted him remembered: the charming war hero, the loving husband and father, and the peacemaker and progressive leader who inspired confidence and hope in the American people. **Mourning Lincoln** Martha Hodes, 2015-02-24 A historian examines how everyday people reacted to the president's assassination in this highly original, lucidly written book. James M. McPherson, author of *Battle Cry of Freedom*, writes that the news of Abraham Lincoln's assassination on April 15, 1865, just days after Confederate surrender, astounded a war-weary nation. Massive crowds turned out for services and ceremonies. Countless expressions of grief and dismay were printed in newspapers and preached in sermons. Public responses to the assassination have been well chronicled, but this book is the first to delve into the personal and intimate responses of everyday people: northerners and southerners, soldiers and civilians, black people and white men, and women rich and poor. Exploring diaries, letters, and other personal writings penned during the spring and summer of 1865, historian Martha Hodes captures the full range of reactions to the president's death, far more diverse than public expressions would suggest. She tells a story of shock, glee, sorrow, anger, blame, and fear. 'Tis the saddest day in our history' wrote a mournful man. 'It was an electric shock to my soul' wrote a woman who had escaped from slavery. 'Glorious News' a Lincoln enemy exulted while for the black soldiers of the Fifty Fourth Massachusetts it was all too overwhelming, too lamentable, too distressing to absorb. Longlisted for the National Book Award, *Mourning Lincoln* brings to life a key moment of national uncertainty and confusion when competing visions of America's future proved irreconcilable and hopes for racial justice in the aftermath of the Civil War slipped from the nation's grasp. Hodes masterfully explores the tragedy of Lincoln's assassination in human terms, terms that continue to stagger and rivet us today. **Small Press Record of Books in Print**, 1992 **Jackie Under My Skin** Wayne Koestenbaum, 2013-09-17 Jackie Under My Skin is a nuanced description of how Jacqueline Kennedy Onassis transformed our definitions of personal identity and style. As Wayne Koestenbaum follows her into America's dreamwork, far from pious family values, he dares to see her as a pleasure principle, a figure of Circean extravagance, and liberates her from the propagandistic uses to which her image is often harnessed. **National News**
