Reflections Of Motherhood Belle Papierie, 2019-05-21 Do you need some time for nurturing and self care Every mom does and it s especially important when your new baby arrives To be the best mother and the best version of yourself you need to create those moments of guiet and peace for yourself even if it s just for 5 minutes a day Use this Journal to write down your thoughts about motherhood and the changes in your life or use it just to regain your sense of self Enjoy the peace of journaling and clearing your mind This journal has been sized perfectly for you to take with you wherever you need to go for your quiet time It is 6x9 inches 15 24 x 22 86 centimetres and contains 110 pages 55 sheets with lines on white paper and is finished off with an elegant matte softcover **Reflections on Motherhood** Heidi McKay Casto, 2011 I had dreamed of being a mother for some time These dreams were complete with expectations of how and when I would give birth and what motherhood would look and feel like Now that I am a mother I realize that my projected expectations in light of my true experience provide a conflicting story While adjusting to reality has not always been easy the experiences in unknown territory have brought beauty joy sadness pride and love in ways I never imagined I believe that the only way to fully grasp the intensity of the experience of motherhood is to actually live through it In this sense the significance of documenting the motherhood experience is to capture the emotions and the reality of being a mother I hope to put images to the continual conversation conflict and emotional battle that wages inside of me I feel driven to document this experience not only to preserve these feelings for my own sake but also to shed light on what I see as a misperception of motherhood My experience with motherhood as subject matter for my artwork has led me to feel a sense of judgment that to talk about motherhood in a fine art context is almost by nature taboo I find this strange as certainly we all have or have had mothers I hope to question this perceived negativity in the discussion of this relationship I also desire to give those who share my feelings regarding motherhood a voice to be confident in their experience their love for their children and to celebrate the common yet extraordinary role of being a mother Reflections on Motherhood Katrina Fried, 1997 The stoplight is always green on Main Street And you ll see green in your bottom line with unstoppable gift book sales of our Main Street Editions Main Street Editions make a perfect personal gift at an unbeatable price Strength of character Inner peace Knowing what really matters in life These are the virtues that have made Believing in Ourselves the best selling title in our Little Books line Capitalizing on that universal desire for serenity and self assurance these beautiful books provide additional ways to pave a pathway to spiritual growth *In Celebration of Mothers* Trisha Faye, 2016-10-22 A mother listening to her child s heartbeat A mother soothed as she holds her son s hand A daughter grateful for the pearls of wisdom from her mother gracing her neck in an
