

A photograph of a stage set. The stage floor is made of dark wood planks. In the background, there is a large, ornate chandelier hanging from the ceiling. On either side of the stage are two sets of heavy, red velvet curtains tied back with gold-colored curtain rods. The lighting is dramatic, coming from above, which creates strong highlights and shadows on the curtains and the floor.

This is a comprehensive study of the impact of censorship on theatre in twentieth century Spain It draws on extensive archival evidence vivid personal testimonies and in depth analysis of legislation to document the different kinds of theatre censorship practised during the Second Republic 1931 6 the civil war 1936 9 the Franco dictatorship 1939 75 and the transition to democracy 1975 85 Changes in criteria administrative structures and personnel from these periods are traced in relation to wider political social and cultural developments and the responses of playwrights directors and companies are explored With a focus on censorship new light is cast on particular theatremakers and their work the conditions in which all kinds of theatre were produced the construction of genres and canons as well as on broader cultural history and changing ideological climate all of which are linked to reflections on the nature of censorship and the relationship between culture and the state **Lenguajes escénicos** Beatriz Trastoy,Perla Zayas de Lima,2007

[The Cultural Politics of Twentieth-Century Spanish Theater](#) Carey Kasten,2012-02-10 The Cultural Politics of Twentieth Century Spanish Theater argues that twentieth century artists used the Golden Age Eucharist plays called autos sacramentales to reassess the way politics and the arts interact in the Spanish nation s past and present and to posit new ideas for future relations between the state and the national culture industry The book traces the phenomenon of the twentieth century auto to show how theater practitioners revisited this national genre to manifest different oftentimes opposing ideological and aesthetic agendas It follows the auto from the avant garde stagings and rewritings of the form in the early twentieth century to the Francoist productions by the Teatro Nacional de la Falange to postmodern parodies of the form in the era following Franco s death to demonstrate how twentieth century Spanish dramatists use the auto in their reassessment of the nation s political and artistic past and as a way of envisioning its future
