*Awaken You* Shelly Bond,2022-01-14 In *Awaken You* yogi and storyteller Shelly Bond offers tangible ways of waking up to life Part guide and part memoir Shelly shares her journey of self doubt to self reflection and finally accepting love With an authentic voice she combats the inner critique as a way toward awakening to life flaws and all Inside this soulful guide are enlightened echoes of pain loss mending a broken marriage parenting acceptance healing compassion forgiveness and more Excerpts from the book Being a conscious parent is more than a thought it is a way of showing up for each and every child as the moment presents itself The false perception of parenting tells us our children need to be a certain way they need to look act think behave and test like everyone else and if they don t we have failed in the parenting realm These lies we have been fooled into believing are only putting more separation between parents and children We can stop the destruction now With the help of unconditional love compassion and forgiveness we can carve a new path for how we will parent from this moment moving forward Showing up and being a conscious parent is being open to what children are teaching us Be open to how we can grow from them and with them and work together to understand how each individual works Today is a beautiful day to be alive There is no better moment than this one there is nowhere to go nothing to do except this moment here and now Inhale a deep breath pause in between the thoughts and thank yourself for showing up followed by a sigh of relief on the exhale There is a hero within us all and dreams do come true when you hold them in your heart with belief no matter what I am inspired with love to share with you no matter your circumstances or life experiences With help we can change seemingly unchangeable events in our lives How you ask With the power of thought and intention linked with the power of loving and believing in yourself again Or for the very first time ever Speaking used to be my worst enemy I held fear of failure and purpose may as well have been on another planet beyond our solar system Yet my journey and these words are more significant than fear Allowing myself to be creative is a life with the possibility of purpose No matter the fear I still take the step I still write the words even when it s scary I write when my heart feels like exploding out of my chest when words

become constricting Fear has never gotten me anywhere but down yet purpose keeps me afloat      **Medical and Health Care Books and Serials in Print** ,1997      **An Ethical Framework for Complementary and Alternative Therapists**
