The Holy Bible John Bellamy, 1818 *The Holy Word for Morning Revival - Crystallization-study of Exodus, Volume 8*
Witness Lee, 2016-07-18 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the summer training held July 4 9 2016 in Anaheim California on the continuation of the Crystallization study of Exodus Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **Sparkling Gems From the Greek Vol. 1** Rick Renner, 2012-12-18 Unlock a Cache of Enduring Riches In Sparkling Gems From the Greek Rick Renner unlocks an amazing cache of rich enduring treasures mined from deep within the Word to unveil a wealth of brilliant wisdom and sound counsel that will enrich and redefine your life Sparkling Gems is arranged in a devotional format with more than 1 000 in depth **Take the Day Off** Robert Morris, 2019-10-29 Rest your mind body and spirit and focus on God s principles for keeping the Sabbath with this helpful guide from bestselling author Robert Morris A constant stream of busyness can slowly wear away at us over time physically mentally emotionally and spiritually Yet believers often forget that taking a day of rest is one of the Ten Commandments When we don t give our minds and emotions a break our will to make good choices can often become compromised Resting is also important to those around you If you have a weary soul you can t pour yourself into others at home work or wherever you are It s vital you must take the day off In Take the Day Off Pastor Morris explains why rest is central to your wellbeing how to do it and how helpful it can be You will be inspired to experience true rest and make it a priority in the rhythm of your weekly schedule Don t wait and delay God s blessings in your life Start implementing the principle of rest in your life and you will see eternal benefits *The House That God Built* Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built* Gods Master Plan

for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocused fresh new look at God's original design for the marriage and family This plan is found in God's Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to God's plans so as to receive His best blessings upon our homes and upon our communities
