Regency Underworld:

The Regency Underworld Donald A. Low,1999 This is the second revised edition of Thieve s Kitchen Regency Underworld detailing the underworld where crime and vice flourished in Regency England The book presents a vivid picture of pleasure seekers criminals and body snatchers at work

Thieves' Kitchen Donald A. Low,1982 **Regency Underworld Special** Low A Donald,1999-01-21

Subcultures Ken Gelder,2007-01-24 This book presents a cultural history of subcultures covering a remarkable range of subcultural forms and practices It begins with London s Elizabethan underworld taking the rogue and vagabond as subcultural prototypes the basis for Marx s later view of subcultures as the lumpenproletariat and Henry Mayhew s view of subcultures as those that will not work Subcultures are always in some way non conforming or dissenting They are social with their own shared conventions values rituals and so on but they can also seem immersed or self absorbed This book identifies six key ways in which subcultures have generally been understood through their often negative relation to work idle parasitical hedonistic criminal their negative or ambivalent relation to class their association with territory the street the hood the club rather than property their movement away from home into non domestic forms of belonging their ties to excess and exaggeration as opposed to restraint and moderation their refusal of the banalities of ordinary life and in particular of massification Subcultures looks at the way these features find expression across many different subcultural groups from the Ranters to the riot grrrls from taxi dancers to drag queens and kings from bebop to hip hop from dandies to punk from hobos to leatherfolk and from hippies and bohemians to digital pirates and virtual communities It argues that subcultural identity is primarily a matter of narrative and narration which means that its focus is literary as well as sociological It also argues for the idea of a subcultural geography that subcultures inhabit places in particular ways their investment in them being as much imaginary as real and in some cases strikingly utopian

[Britain in the Hanoverian Age, 1714-1837](#) Gerald Newman,Leslie Ellen Brown,1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families

London's Criminal Underworlds, c. 1720 - c. 1930 Heather Shore,2015-03-14 This book offers an original and exciting analysis of the concept of the criminal underworld Print culture policing and law enforcement criminal networks space and territory are explored here through a series of case studies taken from the eighteenth nineteenth and twentieth

centuries *Babylon or New Jerusalem?*, 2016-08-29 Today more than ever literature and the other arts make use of urban structures it is in the city that the global and universal joins the local and individual *Babylon or New Jerusalem Perceptions of the City in Literature* draws a map of the concept of the city in literature and represents the major issues involved Contributions to the volume revisit cities such as the London of Wordsworth Dorothy Richardson and Virginia Woolf or Rilke's Paris but also travel to the politics of power in Renaissance theatre at Ferrara and to deliberate urban erasures in post apartheid South Africa The texts represented range from Renaissance plays to contemporary novels and to poetry from various periods with references to the visual arts including film The role of memory in contemplating the city and also specific urban metaphors developed in literature such as boxing the square ring and jazz are also discussed The transformation of cities by legislation on cemeteries by lighting or by projects of urban renewal are the subject of articles while others reflect on images of the city in worlds specifically forged by writers like William Blake and James Thomson The contributors themselves live and work in many varied cities thus representing a dynamic and real variety of critical approaches and introducing a strong theoretical and comparative element **Don't Bet the Farm** Liam O'Brien, 2014-09-01 The most comprehensive reference book on betting and gambling on the market with over 1200 cross referenced entries It explores the history systems theory law word origins and slang as well the scandals scams and the huge array of unforgettable characters and audacious coups *Sites of Discourse - Public and Private Spheres - Legal Culture*, 2022-05-09 The present collection of essays grew out of a conference held in Dresden in December 2001 exploring the relationship between the public sphere and legal culture The conference was held in connection with the ongoing research undertaken by the Sonderforschungsbereich 537 Institutionalisation and Historical Change and in particular by the project Circulation of Legal Norms and Values in British Culture from 1688 to 1900 The conference papers include essays on the theory of the public sphere from a systematic and historical point of view by Gert Melville by Peter Uwe Hohendahl and by Jürgen Schläeger all of whom try to re evaluate and or improve upon Jürgen Habermas seminal contribution to the discussion of the emergence of modernism Alastair Mann's contribution investigates the situation in Scotland particularly censorship and the oath of allegiance Annette Pankratz focuses on the king's body as a site of the public sphere Heinz Joachim Mollenbrock looks into the widespread culture of contention at the beginning of the eighteenth century and Eckhart Hellmuth considers the reform movement at the end of the century and the radical democrats insistence on the right to discuss the constitution Ian Bell who took part in the conference suggested the inclusion of part of the first chapter of his seminal study *Literature and Crime in Augustan England* 1991 Beth Swan Anna Christina Giovanopoulos and Christoph Houswitschka respectively analyse the ideologies of justice the interrelation between journalism and crime and the juridical evaluation of the crime of incest and its representation in public Greta Olson investigates keyholes as liminal spaces between the public and the private Juliet Wightman focuses on theatre and the bear pit Uwe Beker examines the court room and prison as public sites of

discourse and York Gothart Mix discusses the German emigrant culture in North America *The Tin Ticket* Deborah J. Swiss, 2010-10-05 The convict women who built a continent A moving and fascinating story Adam Hochschild author of King Leopold's Ghost Historian Deborah J Swiss tells the heartbreaking horrifying and ultimately triumphant story of the women exiled from the British Isles and forced into slavery and savagery who created the most liberated society of their time The Tin Ticket takes us to the dawn of the nineteenth century and into the lives of Agnes McMillan whose defiance and resilience carried her to a far more dramatic rebellion Agnes's best friend Janet Houston who rescued her from the Glasgow wynds and was also transported to Van Diemen's Land Ludlow Tedder forced to choose just one of her four children to accompany her to the other side of the world Bridget Mulligan who gave birth to a line of powerful women stretching to the present day It also tells the tale of Elizabeth Gurney Fry a Quaker reformer who touched all their lives Ultimately it is the story of women discarded by their homeland and forgotten by history who by sheer force of will become the heart and soul of a new nation

The Day Parliament Burned Down Caroline Shenton, 2013-08-29 The thrilling but largely unknown story of the day in 1834 that the 800 year old Houses of Parliament burned down an event that was as shocking and significant to contemporaries as the death of Princess Diana was to us at the end of the 20th century **A Natural History of Human**

Emotions Stuart Walton, 2007-12-01 A fresh and entertaining survey of the human emotional landscape and how it has shifted over the centuries Kirkus Reviews Using Charles Darwin's survey of emotions as a starting point Stuart Walton's *A Natural History of Human Emotions* examines the history of each of our core emotions fear anger disgust sadness jealousy contempt shame embarrassment surprise and happiness and how these emotions have influenced both cultural and social history We learn that primitive fear served as the engine of religious belief while a desire for happiness led to humankind's first musings on achieving a perfect utopia Challenging the notion that human emotion has remained constant *A Natural History of Human Emotions* explains why in the last 250 years society has changed its unwritten rules for what can be expressed in public and in private Like *An Intimate History of Humanity* and *Near a Thousand Tables* Walton's *A Natural History of Human Emotions* is a provocative examination of human feelings and a fascinating take on how emotions have shaped our past

Body Brokers Annie Cheney, 2007-03-13 You are a little soul carrying around a corpse Epictetus Wherever the corpse is there the vultures will follow Matthew 24:28 *Body Brokers* is an audacious disturbing and compellingly written investigative exposé of the lucrative business of procuring buying and selling human cadavers and body parts Every year human corpses meant for anatomy classes burial or cremation find their way into the hands of a shadowy group of entrepreneurs who profit by buying and selling human remains While the government has controls on organs and tissue meant for transplantation these body brokers capitalize on the myriad other uses for dead bodies that receive no federal oversight whatsoever commercial seminars to introduce new medical gadgetry medical research studies and training courses and U S Army land mine explosion tests A single corpse used for these purposes can generate up to 10 000 As

journalist Annie Cheney found while reporting on this subject over the course of three years when there s that much money to be made with no federal regulation there are all sorts of shady and fascinating characters who are willing to employ questionable practices from deception and outright theft to acquire market and distribute human bodies and parts In Michigan and New York she discovers funeral directors who buy corpses from medical schools and supply the parts to surgical equipment companies and associations of surgeons In California she meets a crematorium owner who sold the body parts of people he was supposed to cremate generating hundreds of thousands of dollars in profits In Florida she attends a medical conference in a luxury hotel where fresh torsos are delivered in Igloo coolers and displayed on gurneys in a room normally used for banquets That torso that you re living in right now is just flesh and bones to me To me it s a product says the New Jersey based broker presiding over the torsos Tracing the origins of body brokering from the resurrectionists of the nineteenth century to the entrepreneurs of today Cheney chronicles how demand for cadavers has long driven unscrupulous funeral home crematorium and medical school personnel to treat human bodies as commodities Gripping often chilling and sure to cause a reexamination of the American way of death Body Brokers is both a captivating work of first person reportage and a surprising inside look at a little known aspect of the death care world

The Irish in Britain, 1815-1939 Roger Swift, Sheridan Gilley, 1989-01-01 This work is a sequel to The Irish Victorian City As a collection of national and regional studies it reflected the consensus view of the subject by describing both the degree of the demoralization of the Irish immigrants into Britain for the early and mid Victorian period when they figured so largely in the official parliamentary and social reportage of the day and then in spite of every obvious difficulty posed by poverty crime disease and prejudice the positive aspect of the Irish Catholic achievement in the creation of enduring religious and political communities towards the end of the nineteenth century

Criminology Eamonn Carrabine, Pamela Cox, Nigel South, Maggy Lee, Ken Plummer, Jackie Turton, 2009-01-13 The new edition of Criminology A Sociological Introduction builds on the success of the first edition and now includes two new chapters Crime Place and Space and Histories of Crime More than a collection of orthodox thinking this fully revised and updated textbook is also ground in original research and offers a clear and insightful introduction to the key topics studied in undergraduate criminology courses including crime trends from historical overview to recent crime patterns criminal justice system including policing and prisons ways of thinking about crime and control from the origins of criminology to contemporary theories research methods used by criminologists new topics within criminology including terrorism cybercrime human rights and emotion The book is packed with contemporary international case studies and has a lively 2 colour text design to aid student revision Specially designed to be accessible and user friendly the new edition is also supported by a fully interactive companion website which offers exclusive access to British Crime Survey data as well as other student and lecturer resources

The Language of Whiggism Kathryn Chittick, 2015-10-06 The premise of Chittick s study is that the national discourse found in British periodical literature of 1802 30 is crucial to an understanding of the

literary language of the era *England in 1815* A. Rauch,2008-12-22 An annotated edition of an American s engaging account of culture and politics in England during a crucial period in British history This new edition features an extensive introduction numerous primary source appendices and other critical apparatus Urbanization and English Romantic Poetry Stephen Tedeschi,2018 This book re orientates the relationship between urbanization and English Romantic poetry by focusing on urban aspects of Romantic poems **Images of the Street** Nicholas Fyfe,2006-05-11 Images of the Street captures the vitality excitements and tensions of the street Using examples from the U K India Australia and North America the contributors draw on research in cultural geography sociology cultural studies and planning to explore the making and meaning of urban space Among the themes examined are 1 the way streetscapes are shaped by interplay between politics planning and local political economy 2 social differences of individuals experiences of the street 3 how social identities are shaped and represented in fiction and film 4 the meaning and significance of streets as settings to play out social practices 5 how social life is regulated on the street formerly by police and indirectly through architecture and urban design
