Rival Roommates:

Rival Roommates Amanda G. Russell, 2025-02-20 Valentina Alvarez's luck seems to have hit rock bottom when she's forced to move to a boarding school. But things only get worse when she discovers she'll be sharing the last available room with none other than Jordan Evans, the school's infamous jock and ladies man. Their initial encounter is explosive, with both Valentina and Jordan making it clear they can't stand each other. But as they're forced to cohabitate, their mutual disdain masks a growing attraction. As they engage in a series of heated battles and witty repartee, the tension between them builds. Valentina and Jordan must confront the undeniable chemistry between them all while navigating the challenges of living together. Is Valentina's luck really as bad as she thinks, or was being paired with Jordan the best thing that's ever happened to her? As they dance around their feelings, will they be able to admit their true desires and take a chance on each other?

Marriage without Misery Darrell Rose, Cynthia Rose, 2021-09-03 How can we communicate without arguing? How can I love my spouse who seems more like my enemy? How did we get so distant in our relationship? Is divorce the best option for us? Do any of these questions sound familiar? If so, then this book is for you. Darrell Rose and his wife Cynthia, married for more than thirty-five years, know firsthand what it is like to struggle. For two decades, they have counseled hundreds of married and pre-marital couples. *Marriage without Misery* uniquely uses actual counseling scenarios that are common in most marriage problems. This book not only identifies the root cause of chaos in marriages but also offers solutions that are biblical, comprehensible, and practical. *Marriage without Misery* was written for those considering marriage to give hope for troubled marriages and to strengthen good marriages. It is also a great counseling resource for pastors, biblical counselors, and church laity. As you journey through the pages of this book, you will come to realize that no matter how burdensome your marriage may seem, there is always hope. You can have a healthy, thriving marriage relationship by moving from chaos to conformity in Christ. *I Wish I Knew It Before Going To College*

parents of hockey hopefuls At a time of great change in hockey Justin Davis exposes the dark underbelly of the journey from the minors to the big leagues Hockey culture it s a commonly used phrase inside the game glorifying sacrifice toughness loyalty and a sense of identity Justin Davis viewed this culture as something he was lucky enough to experience After all he d won a Memorial Cup after leading the tournament in scoring and he d been drafted by the Washington Capitals In my mind he says I was the normal one Unfortunately after stepping outside the game he began to recognize the racism sexual abuse and bullying that was so deeply ingrained in the sport And then as his own children grew into teenagers the curtain was pulled back the memories came rushing forward and he was horrified Why was I naked in a bus bathroom for four hours with seven teammates What happened to my brain and why can t I remember the simplest things How did I end up living in a basement where the strangers upstairs were clearly engaged in domestic abuse As it navigates the sport s darkest corridors *Conflicted Scars* shares the story of the common Canadian player and offers a guide for parents who need to know how and why a typical teenager with NHL dreams from a small town now lives anxiously introvertedly and battling emotional detachment **Literary Obscenities** Erik M. Bachman,2018-03-14 This comparative historical study explores the broad

sociocultural factors at play in the relationships among U S obscenity laws and literary modernism and naturalism in the early twentieth century Putting obscenity case law s crisis of legitimation and modernism s crisis of representation into dialogue Erik Bachman shows how obscenity trials and other attempts to suppress allegedly vulgar writing in the United States affected a wide ranging debate about the power of the printed word to incite emotion and shape behavior Far from seeking simply to transgress cultural norms or sexual boundaries Bachman argues proscribed authors such as Wyndham

Lewis Erskine Caldwell Lillian Smith and James T Farrell refigured the capacity of writing to evoke the obscene so that readers might become aware of the social processes by which they were being turned into mass consumers voyeurs and racialized subjects Through such efforts these writers participated in debates about the libidinal efficacy of language with a range of contemporaries from behavioral psychologists and advertising executives to book cover illustrators magazine publishers civil rights activists and judges Focusing on case law and the social circumstances informing it Literary Obscenities provides an alternative conceptual framework for understanding obscenity s subjugation of human bodies desires and identities to abstract social forces It will appeal especially to scholars of American literature American studies and U S legal history
