Rivalry Revolution In South East Asi:

Rivalry and Revolution in South and East Asia Partha S. Ghosh, 2019-05-23 First published in 1997 this study reveals the forces of nationalism and internationalism at work side by side in the populous and volatile regions of South and East Asia which make up the 11 chapters of this volume They cover regional security political economy territorial disputes and national unification Problems such as those of Cambodia and the nuclearization of India Pakistan and North Korea create serious international concern while unresolved regional issues force nationalistic and military conflict The irresistible popular pressure for economic integration with the global system often without any corresponding commitment to political freedom underlies it all The cumulative effect of these diverse processes creates an explosive mix of international rivalries and national revolutions which raises the question of the possible arrival of the Asian Century **The Sino-Indian Rivalry**

Šumit Ganguly, Manjeet S. Pardesi, William R. Thompson, 2023-06-29 Drawing on a wide body of literature on international rivalries this comprehensive and theoretically grounded work explains the origins and evolution of the Sino Indian rivalry Contrary to popular belief the authors argue that the Sino Indian rivalry started almost immediately after the emergence of the two countries in the global arena They demonstrate how the rivalry has systemic implications for both Asia and the global order intertwining the positional and spatial dimensions that lie at the heart of the Sino Indian relationship Showing how this rivalry has evolved from the late 1940s to the present day the essays in this collection underscore its significance for global politics and highlight how the asymmetries between India and China have the potential to escalate conflict in the future

Global Rivalries From the Cold War to Iraq Kees van der Pijl, 2006-08-20 This book offers a highly original analysis of world events in the light of the Iraq War It explores the history and development of relations between major countries in the international community and the impact that successive wars and changes in the global political economy have had on the way states relate to each other today Tracing the liberal state structure back to the closing stages of the English Civil War and settlement in North America it argues that the rise of the English speaking West has created rivalries between contender states that are never entirely put to rest With each round of Western expansion new rivalries are created Offering a truly global analysis that covers every area of the world from Europe and America to China the Middle East Latin America and Russia he analyses the development of international relations post WWII and questions whether the neoliberal project and its human rights ideology have collapsed back into authoritarianism under the guise of the war on terror **International**

Handbook of War, Torture, and Terrorism Kathleen Malley-Morrison, Sherri McCarthy, Denise Hines, 2012-12-15 Armed conflict on domestic or foreign soil impacts people's daily lives and shapes policy around the world Millions live with the threat of terrorism whether from random sources or known enemies And the acceptability of torture is debated by politicians and public alike The International Handbook of War Torture and Terrorism synthesizes historical backgrounds current trends and findings from the Personal and Institutional Rights to Aggression and Peace Survey PAIRTAPS administered in forty

countries over nine global regions Contributors examine the social cognitive and emotional roots of people's thinking on war and national security issues particularly concerning the role of governments in declaring war invading other countries or torturing prisoners By focusing on the cultural traditions and colonial histories of broad regions rather than of individual nations the book demonstrates how context shapes ordinary citizens' views on what is justifiable during times of war as well as more nebulous concepts of patriotism and security The Handbook Introduces the PAIRTAPS and explains the methodology for analyzing responses Defines war related concepts from the unique perspectives of Western Europe U K U S Middle East Gulf States Russia Balkans Africa Latin America South Southeast Asia and East Asia Provides an integrative summary of definitions and points of view Situates results in terms of social engagement disengagement theory Considers implications for peace and reconciliation As a reflection of the changing global landscape the International Handbook of War Torture and Terrorism deserves to be read by a wide range of researchers in peace psychology political science sociology and anthropology

The Cambridge History of Southeast Asia Nicholas Tarling, 1999 Volume 2 discusses Southeast Asia's interaction with foreign countries during the period c 1500 to c 1800

Economic Integration in South Asia: Issues and Pathways Action Aid International, 2010 Economic Integration in South Asia Issues and Pathways is one of the volumes of the series Imagine a New South Asia presented by ActionAid International Asia It envisions a new South Asia free from human deprivation and demonstrates how South Asian countries can learn from the best practices in the region as well as from their failures and also by trying to emulate the successful strategies of East Asia China and Southeast Asian countries to introduce education and health systems

Southeast Asia and the Great Powers Nicholas Tarling, 2013-06-17 Southeast Asia has on the basis of the nation state secured both a large measure of interstate peace and cooperation and a degree of autonomy from great powers outside the region ASEAN both represents that position and promotes it But it also depends on the attitude of the great powers

ASEAN, Sovereignty and Intervention in Southeast Asia L. Jones, 2011-12-07 Drawing on the fields of political economy and historical sociology Jones dispels the overwhelming consensus among scholars that members of the Association of Southeast Asian Nations ASEAN never interfere in the internal affairs of other states and pioneers a new approach to the understanding of regional politics in Southeast Asia

Lost in the Cold War John T. Downey, Thomas Christensen, Jack Downey, 2022-08-30 In 1952 John T Jack Downey a twenty three year old CIA officer from Connecticut was shot down over Manchuria during the Korean War The pilots died in the crash but Downey and his partner Richard Dick Fecteau were captured by the Chinese For the next twenty years they were harshly interrogated put through show trials held in solitary confinement placed in reeducation camps and toured around China as political pawns Other prisoners of war came and went but Downey and Fecteau's release hinged on the United States acknowledging their status as CIA assets Not until Nixon's visit to China did Sino American relations thaw enough to secure Fecteau's release in 1971 and Downey's in 1973 Lost in the Cold War is the never before told story of Downey's decades as a prisoner of war and the

efforts to bring him home Downey's lively and gripping memoir written in secret late in life interweaves horrors and deprivation with humor and the absurdities of captivity He recounts his prison experiences fearful interrogations pantomime communications with his guards a 3 000 page overstuffed confession designed to confuse his captors and posing for show photographs for propaganda purposes Through the eyes of his captors and during his tours around China Downey watched the Great Leap Forward the Cultural Revolution and the drastic transformations of the Mao era In interspersed chapters Thomas J Christensen an expert on Sino American relations explores the international politics of the Cold War and tells the story of how Downey and Fecteau's families the CIA the U S State Department and successive presidential administrations worked to secure their release

Soviet Foreign Policy and Southeast Asia (Routledge Revivals) Leszek Buszynski, 2013-09-13 This book focuses on the activity of the Soviet Union in Southeast Asia and the effects of Soviet policy on the region from 1969 to the time of first publication in 1986 In particular Leszek Buszynski examines the rivalry between the Soviet Union and China Soviet presence in Vietnam and the responsive efforts of surrounding regions towards collective security U S policy in the region is a key consideration particularly in terms of American attempts to placate China and encourage Japan to assist in the defence of the region With a concluding assessment of regional trends and possible outcomes this is an important and valuable work for students and scholars with an interest in the history and politics of international diplomacy in Southeast Asia

Problems of Communism, 1974 **Southeast Asia and the Rise of China** Ian Storey, 2013-08-21 Since the early 1990s and the end of the Cold War the implications of China's rising power have come to dominate the security agenda of the Asia Pacific region This book is the first to comprehensively chart the development of Southeast Asia's relations with the People's Republic of China PRC from 1949 to 2010 detailing each of the eleven countries ties to the PRC and showing how strategic concerns associated with China's regional posture have been a significant factor in shaping their foreign and defence policies In addition to assessing bilateral ties the book also examines the institutionalization of relations between the Association of Southeast Asian Nations ASEAN and China The first part of the book covers the period 1949 2010 it examines Southeast Asian responses to the PRC in the context of the ideological and geopolitical rivalry of the Cold War Southeast Asian countries policies towards the PRC in first decade of the post Cold War era and deepening ties between the ASEAN states and the PRC in the first decade of the twenty first century Part Two analyses the evolving relationships between the countries of mainland Southeast Asia Vietnam Thailand Myanmar Laos and Cambodia and China Part Three reviews ties between the states of maritime Southeast Asia Indonesia Malaysia Singapore the Philippines Brunei and East Timor and the PRC Whilst the primary focus of the book is the security dimension of Southeast Asia China relations it also takes full account of political relations and the burgeoning economic ties between the two sides This book is a timely contribution to the literature on the fast changing geopolitics of the Asia Pacific region

Asymmetric Warfare in South Asia Peter R. Lavoy, 2009-11-12 A unique account of military conflict under the shadow

of nuclear escalation with access to the soldiers and politicians involved **South Asia's Cold War** Rajesh M. Basrur, 2008-04-28 This book is a groundbreaking analysis of the India Pakistan nuclear confrontation as a form of cold war that is a hostile relationship between nuclear rivals Drawing on nuclear rivalries between similar pairs the work examines the rise process and potential end of the Cold War between India and Pakistan The Cambridge History of Southeast Asia: Volume 2, The Nineteenth and Twentieth Centuries Nicholas Tarling, 1992 Southeast Asia has long been seen as a unity although other terms have been used to describe it Further India Little China the Nanyang The region has had a protracted maritime history Confucianism Buddhism Islam Hinduism Christianity are all represented It has seen a quintet of colonial powers Britain France The Netherlands Spain the United States Most recently it has become one of the fastest growing parts of the world economy The very term Southeast Asia is clearly more than a geographical expression The Cambridge History of Southeast Asia is a multi authored treatment of the whole of mainland and island Southeast Asia from Burma to Indonesia Unlike other histories of the region it is not divided on a country by country basis and is not structured purely chronologically but rather takes a thematic and regional approach to Southeast Asia s history This volume the second and final in the series takes us into the nineteenth and twentieth centuries from the late eighteenth century of the Christian era when most of the region was incorporated into European empires to the complexity and dramatic change of the post World War II period It covers the economic and social life as well as the religious and popular culture of the region as they develop over two centuries The political structures of the region are also closely examined from the insurgencies and rebellions of early this century to the modern Nationalist movements which challenged the control of the colonial powers and led to the formation of independent states Under the editorship of Nicholas Tarling Professor of History at the University of Auckland New Zealand each chapter is well integrated into the whole Professor Tarling has assembled a highly respected team of international scholars who have presented the latest historical research on the region and succeeded in producing a provocative and exciting account of the region s history **The Making of Southeast Asia** Amitav Acharya, 2013-02-22 Developing a framework to study what makes a region Amitav Acharya investigates the origins and evolution of Southeast Asian regionalism and international relations He views the Association of Southeast Asian Nations ASEAN from the bottom up as not only a U S inspired ally in the Cold War struggle against communism but also an organization that reflects indigenous traditions Although Acharya deploys the notion of imagined community to examine the changes especially since the Cold War in the significance of ASEAN dealings for a regional identity he insists that imagination is itself not a neutral but rather a culturally variable concept The regional imagination in Southeast Asia imagines a community of nations different from NAFTA or NATO the OAU or the European Union In this new edition of a book first published as *The Quest for Identity* in 2000 Acharya updates developments in the region through the first decade of the new century the aftermath of the financial crisis of 1997 security affairs after September 2001 the long term impact of the 2004 tsunami and the substantial changes

wrought by the rise of China as a regional and global actor Acharya argues in this important book for the crucial importance of regionalism in a different part of the world **US-China Rivalry** Brian C. H. Fong,2024-11-30 US China Rivalry offers a holistic analysis of the unfolding of US China competition in the Indo Pacific using a novel theory called neo offensive realism It synthesises quantitative and qualitative data to examine the intensification of US China competition across the Indo Pacific in recent years with a focus on why the competition is intensifying under the interplay of system level and unit level forces where the competition is unfolding across states and quasi states in the region how the competition is conducted through economic and military influence mechanisms and whither the competition is developing in the future **Congressional Record** United States. Congress,1981 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Asian Rivalries Sumit Ganguly,William R. Thompson,2011-08-17 The most typical treatment of international relations is to conceive it as a battle between two antagonistic states volleying back and forth In reality interstate relations are often at least two level games in which decision makers operate not only in an international environment but also in a competitive domestic context Given that interstate rivalries are responsible for a disproportionate share of discord in world politics this book sets out to explain just how these two level rivalries really work By reference to specific cases specialists on Asian rivalries examine three related questions what is the mix of internal domestic politics and external interstate politics stimuli in the dynamics of their rivalries in what types of circumstances do domestic politics become the predominant influence on rivalry dynamics when domestic politics become predominant is their effect more likely to lead to the escalation or de escalation of rivalry hostility By pulling together the threads laid out by each contributor the editors create a grounded theory for interstate rivalries that breaks new ground in international relations theory The EU, ASEAN and Interregionalism L. Allison,2015-01-31 Using a framework of norm diffusion to determine the EU s international actorness in the context of its relations with ASEAN this book provides a timely and in depth analysis of EU ASEAN relations By investigating three aspects of regionalism support by the EU it presents a comprehensive account of norm diffusion between the EU and ASEAN
