River Runs Salt Runs Sweet:

The River Runs Salt, Runs Sweet Jasmina Dervisevic-Cesic, Randall Larsen, Jay Lavender, 2014-08-08 At 15 Jasmina had typical teenage problems How could she talk to the boy she liked without making a fool of herself Would she find the right shoes to wear to the high school party She had heard the old stories about World War II when neighbor turned against neighbor but she never gave them a second thought That had all happened ages ago and she was living in a modern Yugoslavian city where Serbs and Muslims were close friends Then Yugoslavia started to break apart the national army turned its guns against its own people and Jasmina had to grow up fast The River Runs Salt Runs Sweet is a young woman s powerful and inspiring memoir of love loss and survival during The Bosnian War The innocent paid the greatest price in Bosnia More than half of the four million residents in Bosnia became refugees an estimated 100 000 people were killed and 20 000 50 000 women were raped many of them repeatedly The Bosnians didn t ask for NATO or UN troops just the means to defend themselves from genocide so they didn t have to fight tanks with old hunting rifles Jasmina wrote her story to bear witness to what happened to her country and to the people she loved and lost But as she wrote she came to understand that her story was about much more Everyone experiences loss Everyone even in peacetime loses loved ones Everyone feels jostled or even violated by events beyond their control Everyone suffers the losses of disillusionment and betrayal sooner or later As she thought about the things that kept her going in the worst of times Jasmina began to understand that her story was about more than Bosnia It was about how we manage to endure to support one another and to recover from the most difficult of trials My losses happened to come all at once personally physically and emotionally I lost some of my faith in humanity when I discovered that people who were your best friends one day could conspire to destroy you the next And there were more losses beyond that Ultimately I lost almost everything that many of us would call a normal life Yet here I am on the road back not only to a normal life but perhaps a happy one There are many who have endured the suffering Jasmina experienced as a young woman but survival is our most basic instinct What sets her apart is that in the midst of genocide her humanity survived And in her remarkable story we can find lessons and inspiration to help us persevere when

we encounter turbulent times of our own **The River Runs Salt, Runs Sweet** Jasmina Dervisevic-Cesic, Joanna Vogel, Bruce Holland Rogers, 2003 Wartime memoir of a Bosnian refugee from Visegrad who made her way to America and became a spokeswoman for the Bosnian cause

The Holocaust and Genocides in Europe Benjamin Lieberman, 2013-04-11 Focusing on the major cases of genocide in twentieth century Europe including the Armenian genocide the Holocaust and genocide in the former Yugoslavia as well as mass killing in the Soviet Union this book outlines the internal and external roots of genocide Internal causes lie in the rise of radical nationalism and the breakdown of old empires while external causes lie in the experience of mass violence in European colonial empires Such roots did not make any case of genocide inevitable but did create models for mass destruction The book enables students to assess the interplay between general causes of violence

and the specific crises that accelerated moves towards radical genocidal policies Chapters on the major cases of twentieth century European genocide will each describe and analyse several key themes acts of genocide perpetrators victims and bystanders and genocide in particular regions Using the voices of the human actors in genocide often ignored or forgotten provides arresting new insights The conclusion frames European genocide in a global perspective giving students an entry point to discussion of genocide in other continents and historical periods **Surviving the Peace** Peter

Lippman,2019-11-15 *Surviving the Peace* is a monumental feat of ground level reporting describing two decades of postwar life in Bosnia specifically among those fighting for refugee rights of return Unique in its breadth and profoundly humanitarian in its focus *Surviving the Peace* situates digestible explanations of the region's bewilderingly complex recent history among interviews conversations and tableaux from the lives of everyday Bosnians attempting to make sense of what passes for normal in a postwar society Essential reading for students of the former Yugoslavia and anyone interested in postwar or post genocide studies *Surviving the Peace* is an instant classic of long form reporting an impossible accomplishment without a lifetime of dedication to a place and people **Terrible Fate** Benjamin Lieberman,2013-12-16 In

the modern Greek city of Thessaloniki the ruins of a vast Jewish cemetery lie buried under the city's university Nearby is the site of the childhood home of one of the founders of the modern Turkish state These are tantalizing reminders of what was once the bustling cosmopolitan city of Salonica home not just to Greeks but to thousands of Sephardic Jews Turks Bulgarians and Armenians living and working peacefully alongside one another Thessaloniki is just one example among many of what used to be Over the past two centuries ethnic cleansing has remade the map of Central and Eastern Europe and the Middle East transforming vast empires that embraced many ethnic groups into nearly homogenous nations Towns and cities from Germany to Turkey still show traces of the vanished and nearly forgotten ethnic and religious communities that once called these places home In *Terrible Fate* Benjamin Lieberman describes the violent transformations that occurred in Salonica and hundreds of other towns and cities as the Ottoman Russian Austro Hungarian and German empires collapsed to be reborn as the modern nation states we know today His book is the first comprehensive history of this process that has involved the murder and forced migration of tens of millions of people Drawing upon eyewitness accounts contemporary journalism and diplomatic records Lieberman's story sweeps across the continent taking the reader from ethnic cleansing's earliest beginnings in Bulgaria Greece and Russia in the nineteenth century through the rise of nationalism both world wars the Armenian genocide the Holocaust and the rise and fall of the Soviet empire up to the breakup of Yugoslavia in the 1990s Along the way he examines the decisive roles of political leaders not only monarchs and dictators but also those who were democratically elected as well as ordinary people who often required very little encouragement to rob and brutalize their neighbors or who were simply caught up in the tide of history **The Thing I'm Most Afraid Of** Kristin Levine,2021-06-15
