## River Of Blood:

**The River of Blood** Intirā Pārttacārati,1979      **'The River' Blood Brother Chronicles - Volume 1** T.

Beaulieu,2016-01-07 The River is the first offering of The Blood Brother Chronicles a dramatic series loosely based on family folklore that has been passed down through countless generations in the author s family Many of these legends reaching as far back as 1919 are about two 2 half brothers born in and around the turn of the century Slick and Skeeter Not much is known about the two brothers that were said to have disappeared either in New York City or on their way up North in 1927 except that they were contract killers with kind hearts that helped the poor After an extensive two 2 year family history search speaking with several older relatives the author was inspired to write The River Slick and Benjamin Skeeter are half brothers one white the other creole both growing up poor on a tobacco plantation in the late 1800 s Now grown men in the Roaring 1920 s the brothers work as contract killers for the highest bidder often the first option for wealthy white men the last option for the poor Always with ears to the the underworld the boys soon learn of white and black lynchings bullying land grabbing and resource stealing by big corporation Usually killing bigots and hate mongers for sport stakes are raised when large multinational companies stomp into South Carolina with steel toed boots and not much of a care whom they step on intimidating poor white black and native American farmers for their hard earned land Coming up with a small well thought out plan after finally locating the legal documents Slick and Benjamin discover that the parchments have been burned in the middle of the sheriff s office after a midnight raid This only deepens the men s suspicions as well as the mystery of whom or what owns vast amounts of land all around the Carolinas land certain well heeled men are willing to kill whole families for As the men travel through the dark under belly of corrupt South and North Carolina local government and the highest echelons of wealth and society their investigation is complicated when twelve 12 young prostitutes are discovered dismembered their body parts discovered in several Carolina rivers Each dead girl had one thing in common they all once worked for the infamous Madame Lolly owner of the most exclusive skin hustling business in all of the Deep South Rustling up clues and discovering the truth behind an investigation that will eventually take them all over the world the killers turn investigators call upon a complicated cast of characters many of which lie as easily as they tell truths protecting wealth heritage family and their own lives Slick and Benjamin have embarked on a journey they could have never imagined in darkest wildest dreams supernatural gods and powers vast wealth dark international brother hoods all while trying to stay safe as their enemies grow more and more powerful      **Heaven Talisman** Tian FuXiaoSheng,2020-06-22 An endless expanse of blue sea withered wood immortal mountains ten thousand miles in total without any sign of human habitation Endless rays of blue boundless sea dead wood immortal mountains ten thousand miles devoid of human habitation      **River of Blood** Malkin Kris (author),1901      [The Final Rapture](#) Doc Marquis,2017 The end is just the beginning The rapture is one of the simplest concepts found in the Holy Bible yet there is a great amount of confusion and division concerning whether the next and final

rapture will occur before the Tribulation in the middle of the Tribulation or after the Tribulation Doc Marquis settles the question once and for all in The Final Rapture Marquis dissects specific prophecies to show how close we truly are to the final rapture He uses information from the Book of Revelation to alert those who are in danger of missing it those who may still be on Earth during the Tribulation Period to what they must live through if they are still here Scholars'Hand-book of International Lessons for 1874, Etc. ... **The Portable Dante** Dante Alighieri, 2003-07-29 The famed Italian poet Dante Alighieri's two masterworks *The Divine Comedy* and *La Vita Nuova* in one volume A Penguin Classic As a philosopher he wedded classical methods of inquiry to a Christian faith As an autobiographer he looked unsparingly at his own failures to depict universal struggles As a visionary he dared draw maps of Hell with Purgatory and Paradise and populate all three realms with recognizable human beings As a passionate lover he became a poet of bereavement and renunciation As all of these Dante Alighieri paved the way for modern literature while creating verse and prose that remain unparalleled for formal elegance intellectual depth and emotional grandeur *The Portable Dante* captures the scope and fire of Dante's genius as thoroughly as any single volume can It contains complete verse translations of *The Divine Comedy* and *La Vita Nuova* as well as a bibliography notes and an introduction by the eminent scholar and translator Mark Musa For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
