Poetry of Life Gwenda Cousins, 2016-11-07 I have enjoyed collating the poems for my first book The book of poetry came about when I met a young woman going through a very tough time in life As she told me her story she expressed her belief that butterflies were inspirational That night I went home and wrote The Butterfly for her Although our paths have not crossed for many years I feel the poem was a comfort to her as she was grateful when I wrote the poem for her From that time on I began to write more often Sometimes just a word or image would bring a poem to my mind I wrote Devotion for a man who was caring for his very ill wife His kindness and caring touched me deeply as he was so loving I wrote The Old House about a derelict farmhouse Some time after I wrote this poem the old house was pulled down and a new house built in its place One day I decided to take a copy of The Old House to the owners After the owners read the poem they told me I had written their life story without having met them I wrote Homeless and Broke in Houston Texas in the United States We stopped at traffic lights there and at one I saw the homeless man The poem immediately came to mind After I write a poem I rarely change it Words come to mind that fit my thoughts I wrote The Elephant for a friend who was experiencing troubled times This friend took comfort in elephants with their trunks up

Inspirations - Thoughts and Reflections for Life Markus Leyacker-Schatzl, 2008 Inspirations Do we not all long for inspiration in our lives In a time where life and society are becoming ever faster A time in which consumerism and entertainment are often superficial and spiritless Who or what really still inspires us today Truly inspiring things have become so rare that when they do come our way we usually immediately notice them Sometimes we do not recognize inspiration and regard it as corny because it no longer fits into our seemingly superficial world Thoughts Reflections We have hardly any time for these nowadays anymore or rather often believe not to have the time for contemplating life certain things and their relationships But is this the right way We run through life like lemmings The fact that we meet many familiar faces along the way makes us feel we are on the right path in the right direction Without inspiration without reflection simply running Let yourself be inspired by this book
