The Gates of Hell Arline Boucher Tehan, 2010-10-13 The Gates of Hell Rodin s Passion in Stone is not just another biography of Rodin There are many excellent ones already Rather it is an attempt to understand the sculptor after immersion in his works by listening to his own words and those spoken about him For Rodin was more than a sculptor of genius He had the imagination and the courage to search for the truth not only with his artist s hands but with the penetrating gaze and mastery of the word that define the writer His book Les Cathedrales de France and his hundreds of letters offer a new close up of the artist both visual and verbal His musings on art and on life and his contemporaries views of him form a biographer s trove This rich assemblage of words like a hoard of tiny fragments of stone and glass when pieced together form a mosaic likeness of an artist who was himself a story teller in stone
