Riverdale The First Fifty Years:

Riverdale Matthew V. Clemens, Riverdale Historical Committee, 2000-12-01 **The First Fifty Years** Sue Levi Elwell, Jessica Greenbaum, Hara E. Person, 2023-07-10 The ordination of Rabbi Sally J Priesand in 1972 was a watershed moment in Jewish history In *The First Fifty Years* contributors from across the Jewish and gender spectrums reflect on the meaning of this moment and the ensuing decades both personally and for the Jewish community In short pieces of new prose authors many of them pioneering rabbis share stories insights analysis and celebrations of women in the rabbinate These are intertwined with a wealth of poetry that poignantly captures the spirit of this anniversary The volume is a deep heartfelt tribute to women rabbis and their indelible impact on all of us This collection serves as a mile marker along the journey a momentary stopping place for reflection and commemoration While we experience the evolution of women in the rabbinate as inevitable that doesn't mean it was easy These pages likewise acknowledge challenges and complexities of these fifty years identifying some of the detours and roadblocks that still lie ahead In a mere half century rabbinic leadership effected a dramatic turning point in Jewish history an acknowledgment that the voices that were silent or silenced marginalized unheard and unseen are an essential part of the rich and variegated fabric of the Jewish story and must be included Becoming the most beautifully diverse inclusive and thriving community of our highest aspirations we all need to know what has led us here on the path to a healthy equitable and flourishing future From the introduction by Rabbi Hara E Person chief executive of the Central Conference of American Rabbis *The NYPD's First Fifty Years* BERNARD WHALEN, JON WHALEN, 2015-01-01 The New York Police Department is an iconic symbol of one of the world's most famous cities The blue uniforms of the men and women who serve on the force have long stood for integrity and heroism in the work to serve and protect the city's residents And yet as in any large public organization the NYPD has also suffered its share of corruption political shenanigans and questionable leadership In *The NYPD's First Fifty Years* Bernard Whalen himself a long serving NYPD lieutenant and his father Jon consider the men and women who have contributed to the department's past both positively and less so Starting with the official formation of the NYPD in 1898 they examine the commissioners politicians and patrolmen who during the next fifty years left a lasting mark on history and on one another In the process they also explore the backroom dealings the hidden history and the relationships that set the scene for the modern NYPD that so proudly serves the city today *The First 50 Years of Broadcasting* Broadcasting (Washington, D.C.), 1982 **Once Upon a Time Lord** Ivan Phillips, 2020-02-20 Every story ever told really happened *The Doctor Hell Bent* 2015 Stories are fundamentally what Doctor Who is all about In *Once Upon a Time Lord* Ivan Phillips explores a wide range of perspectives on these stories and presents a lively and richly varied analysis of the accumulated tales that constitute this popular modern mythology Concerned equally with classic and new Who Phillips looks at how aspects of the Time Lord's story have been developed on television and beyond tracing lines of connection and divergence across various media He discusses Doctor Who as a

mythology that has drawn on its own past in often complex ways at the same time reworking elements from many other sources whether literary cinematic televisual or historical Once Upon A Time Lord offers an original take on this singular hero's journey reading the unsettled enigma of the Doctor in relation to the characters narratives and locations that he has encountered across more than half a century

Children's Nature Leslie Paris,2010-05-10 The summer camps have provided many American children's first experience of community beyond their immediate family and neighbourhoods This title chronicles the history of the American summer camp from its invention in the late nineteenth century through its rise in the first four decades of the twentieth century OCLC

The Encyclopedia of New York City Kenneth T. Jackson,Lisa Keller,Nancy Flood,2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

My Memoirs Bernard Gwertzman,2016-09-16 Bernard Gwertzman tells the story of growing up as a journalist in the world of print newspapers his hometown New Rochelle New Yorks Standard Star then the Washington DC Evening Star both of which went under as print papers collapsed where he became a senior diplomatic correspondent until moving to the New York Times where he served during the Cold War as Moscow Bureau Chief and then traveled with Henry Kissinger who was making deals and opening the way toward peace in the Middle East He rose to foreign editor guiding the paper in covering the collapse of Communism from 1989-1993 the end of apartheid and other major stories In 1995 he helped lead the Times into the world of the Internet which may be the future of the press today

The Economist ,1924

Literature of the Holocaust Alan Rosen,2013-11-14 During and in the aftermath of the dark period of the Holocaust writers across Europe and America sought to express their feelings and experiences through their writings This book provides a comprehensive account of these writings through essays from expert

scholars covering a wide geographic linguistic thematic and generic range of materials Such an overview is particularly appropriate at a time when the corpus of Holocaust literature has grown to immense proportions and when guidance is needed in determining a canon of essential readings a context to interpret them and a paradigm for the evolution of writing on the Holocaust The expert contributors to this volume who negotiate the literature in the original languages provide insight into the influence of national traditions and the importance of language especially but not exclusively Yiddish and Hebrew to the literary response arising from the Holocaust

A Paradise For Boys and Girls Hallie E. Bond, Joan Jacobs Brumberg, Leslie Paris, 2006-06-30 For over a century children have spent their summers at sleepaway camps in the Adirondacks These camps inspired vivid memories and created an enduring legacy that has come to be a uniquely American tradition In A Paradise for Boys and Girls Children s Camps in the Adirondacks a complement to the Adirondack museum exhibit of the same name the authors explore the history of Adirondack children s camps their influence on the lives of the campers and their impact on the communities in which they exist Drawing on the rich documentary and pictorial evidence gathered from the histories of 331 camps located in the Adirondacks from 1886 to the present this collection chronicles the changing attitudes about children and childhood Historian Leslie Paris details social change in Pink Music Continuity and Change at Early Adirondack Summer Camps In the title essay of the book Hallie Bond offers a history of Adirondack camping from the establishment of Camp Dudley on Lake Champlain in 1892 to the present Finally historian Joan Jacobs Brumberg

concludes the collection with A Wiser and Safer Place The Meaning of Camping During World War II Lavishly illustrated with historic photographs the book includes a directory of Adirondack camps with brief descriptive notes for each of the camps The photographs and essays in this volume offer readers a richer understanding of this singular region and its powerful connection to childhood
