Rivers Of Joy Gaither Gospel:

More Than Precious Memories Michael P. Graves, David Fillingim, 2004 Scott Tucker looks at the theme of heaven in six of the Gaither Homecoming songbooks David Fillingim looks at how Southern Gospel Music answers the question of theodicy from the perspective of the rural white working class Robert M McManus explores selected song lyrics to show how Southern Gospel Music helps construct the identity of the community compared to Contemporary Christian Music Darlene R Graves identifies key sustaining personality strengths of women that tend to preserve consistency between their public performance and personal spiritual walk Elizabeth E Desnoyers Colas and Stephanie Howard Asabi explore Southern Gospel and Black Gospel music through the influence of Thomas A Dorsey Michael Graves examines how the culture of Southern Gospel Music deals with its inevitable prodigal sons Raymond D S Anderson analyzes the Gaither Homecoming videos as examples of the postmodern turn in American popular Christian culture John D Keeler presents the first audience study of southern Gospel Music employing a Uses and Gratifications research framework Paul A Creasman examines the ways Southern Gospel Music as a culture memorializes its dead by use of the Internet Naaman Wood reviews significant scholarly approaches to the study of popular music **Schwann Spectrum** ,1999 *The Gaither Homecoming Bible, NKJV* ,2012-10-09 The Gaither Homecoming Bible will make the Bible come alive for those seeking truth in the twenty first century even for those who think they already know it For years Bill and Gloria Gaither have reached millions of people across generations with the Good News of Jesus Christ Their music of joy thanksgiving and praise ushers people into the presence of God so that He can do His wondrous work in their lives Featuring inspirational and insightful Scripture devotions by the Gaithers and other favorite Homecoming artists articles on beloved hymns gospel songs and Gaither classics and the inspiration behind them original poetry by Gloria Gaither to enlighten and inspire and quotes by greats of the faith reflecting on the importance of music in the life of believers this beautiful Bible featuring the New King James Version NKJV is one that readers will treasure for years to come The Gaithers and Southern Gospel Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing

community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

Then Sings My Soul Douglas Harrison, 2012-05-15 In this ambitious book on southern gospel music Douglas Harrison reexamines the music's historical emergence and its function as a modern cultural phenomenon Rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice Harrison presents southern gospel as a network of interconnected messages that evangelical Christians use to make individual sense of both Protestant theological doctrines and their own lived experiences Harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience building up individual and potentially subversive meanings beneath a surface of evangelical consensus Reassessing the contributions of such figures as Aldine Kieffer James D Vaughan and Bill and Gloria Gaither *Then Sings My Soul* traces an alternative history of southern gospel in the twentieth century one that emphasizes the music's interaction with broader shifts in American life beyond the narrow confines of southern gospel's borders His discussion includes the gay gospel paradox the experience of non heterosexuals in gospel music as a cipher for fundamentalism's conflict with the postmodern world
