Rivers Of The Soul:

Rivers of the Soul Linnie Oysler,2003-11 Reader comments This book is meaningful to anyone who wants to step outside their suffering and into accepting the love that is there in abundance for all of us Linnie s writing touches me deeply giving me insight into my own life I am profoundly grateful for her gift and continue to be nourished by her thoughts and the beauty in the way she expresses herself Her words lead us on a journey of awakening to the simple beauty of our daily lives and the simple awareness of who we are Written with ease eloquence and insight this book is profoundly moving I must say it s very beautiful The language is just lovely It s exquisite full of dimension Linnie has a way of writing that makes me feel as though I am right there This is her life her gift to the world And it is also me It s all of us This is the spiritual journey of one woman a journey which connects her always with love of nature and family and with the wisdom of seeing understanding and assimilating what life is and means Through life s seasons Linnie s intuitive insight has evolved as told in Rivers of the Soul As you move through the passages of time with her you too will experience the true vibrancy of life and a deep sense of clarity and peace *A Passion for Christ, a Passion for Souls* Kwesi R. Kamau,2003-07 *Spiritual Canticle And Poems* R.H.J. Steuart,1999-01-07 The Spiritual Canticle is one of St John s greatest works Using the simple metaphor of the spouse and the bride he sketches a series of dialogues between God and the soul rich in natural imagery The fragrant vineyards fruitful valleys and green hills flocks of sheep and clear streams all speak of the Object of mystical love The images of the basic Spiritual Canticle are so beautiful and its music so captivating that many who first heard it begged St John to write a commentary together with its profound reflections on the relations of the soul to God has become one of the world s richest sources of meditation The commentary and the sublime poetry that inspired them form what is presented here as the complete Spiritual Canticle *The New Anthology of American Poetry* Steven Gould Axelrod,Camille Roman,Thomas J. Travisano,2003 The book includes over 600 poems by 65 american poets writing in the period between 1900 and 1950

Crossing the Soul's River William O. Roberts,2009-10-01 Moving articulate and insightful this book is a welcome exploration of men s spiritual journey at midlife Written by an author with his own extraordinary middle passage the book provides practical insights for men while offering women an invaluable window into men s souls Allan Chinen author of *Beyond the Hero* Classic Stories of Men in Search of Soul Lively and unembarrassed written with great psychological acumen *Crossing the Soul s River* is a major contribution to our understanding of men at midlife This is the conversation men need to have with another man when their familiar old assumptions and priorities no longer make sense Give it to a man you really care about Give it to a woman who wants to know men at the core Stephen Bank coauthor of *The Sibling Bond* *Crossing the Soul s River* is one of the second generation of men s books that are trying to chart concrete steps men can take to do the work we need to do to become more self actualized and therefore more responsible partners citizens and churchmen Roberts s articulation of men s needs for the wisdom of Sophia is the clearest I have ever read Stephen Boyd author of *The Men We*

Long to Be Beyond Lonely Warriors and Desperate Lovers William O Roberts s compelling book puts the male midlife crisis into its deepest context the growth of ourselves as spiritual beings In so doing it moves well beyond treatments which focus solely on the psychological dimension of this process though Roberts details these too with a sharp insightful eye honed by his own personal experience Most helpful is his detailing of various rites of passage designed to help men navigate through this difficult time In this the book is of practical as well as intellectual use I found the book deeply insightful and altogether illuminating Brian Fay author of Contemporary Philosophy of Social Science A Multicultural Approach Rivers of Love Ren Royal,2021-05-14 Through the depths of my soul God s love imparts Through rivers of stone like hardened hearts God s light shines right through My soul is quenched my soul anew My soul is quenched with rivers of God s love Shining with heaven s light beaming from above Shining through the river s hard rock and stone To rivers of love in God s heavenly throne Ren Royal is a Christian who is passionate about sharing insight from her heart and soul through poetry In a spiritual devotional that includes original artwork by retired pastor John Braulick Mrs Royal shares poems that each tell an inspirational story and include relatable scriptures and prayers Her poetry explores diverse topics such as the streams of life that constantly flow the catastrophic storms that God leads us through the divine treasure found on a walk the awesome power of the Lord and the constant reminders that God is always here Rivers of Love shares poetry prayers scripture and artwork that leads believers on an incredible spiritual journey to reawaken and strengthen their faith in Jesus Christ **From Vision to Folly in the American Soul** Thomas Singer,2020-11-09 In From Vision to Folly in the American Soul Thomas Singer collates his investigations into soul both in its personal and collective manifestations With selected essays from twenty years of writing about American politics in the context of contemporary cultural trends the book as a whole depicts an ongoing exploration of the complex relationships between individual and collective psyche in which reality illusion vision and folly get all mixed up in overlapping political cultural and psychological conflicts This text is a valuable resource for academics and students of Jungian and post Jungian ideas politics sociology and American studies as well as for anyone interested in the current state of the US **Rivers of Living Water** Jon Symes,2018-09-17 The Gospel of John was the first book in the Bible that I read in its entirety after I became a Christian In this Gospel Jesus said the following In the last day that great day of the feast Jesus stood and cried saying If any man thirst let him come unto me and drink He that believeth on me as the scripture hath said out of his belly shall flow rivers of living water But this spake he of the Spirit which they that believe on him should receive for the Holy Ghost was not yet given because that Jesus was not yet glorified John 7 3739 The phrase rivers of living water immediately caught my attention For the next several years I studied thought about questioned and wondered what that really meant The book you are about to read is the culmination of much study prayer and labor focused on this passage of scripture My prayer and desire is that you come to the same conclusion that Paul did in Philippians 2 13 For it is God which worketh in you both to will and to do of his good pleasure The Holy Spirit is so much more than we can ever truly

comprehend yet the Bible has a lot to say about him and how he interacts with us It is imperative for us to better know the helper Rom 8 26 especially in the days and times in which we live Re-Visioning the American Psyche Ipek S.

Burnett,2023-12-07 The United States is at a crossroads Moving away from the stalemate of political polarization and culture wars requires reflection critical thinking and imagination This book of collected essays brings together leaders in Jungian and archetypal psychology to forge this path by offering a comprehensive look at the American psyche Re Visioning the American Psyche examines the myths images and archetypal fantasies ingrained in the collective consciousness and unconscious in the United States The volume tends to manifest symptoms in political institutions social conflicts and cultural movements Using various interpretative processes from psychoanalytic to literary and to participatory it reflects on the meaning of democratic participation the psychological cost of wars and violence intergenerational trauma due to racism the emotional dimensions of political polarization deep seated oppositional thinking in patriarchal structures frailty of the American Dream and more With its rich scope interdisciplinary scholarship and critical engagement with historical and current affairs this book will be of great interest to those in Jungian and depth psychology as well as sociology politics cultural studies and American studies As a timely contribution with an international appeal it will engage readers who are invested in better understanding psychology s capacity to respond to social cultural and political realities *Daniel and Alla Andreev* Daniel H.
