Riverview Murders:

The Riverview Murders Michael Raleigh, 2015-02-15 The mystery fiction that Sara Paretsky fashions from Chicago's South Side is fully matched in Raleigh's gritty North Side tales. Publishers Weekly Margaret O'Mara's brother disappeared decades ago. But now that his last known associate has just been found dead, O'Mara hires PI Paul Whelan to investigate. Whelan makes the rounds through seedy bars and dilapidated apartment buildings, discovering connections to a long-gone Chicago amusement park that was once the site of another murder. Soon Whelan is navigating his way through dark pasts, deep secrets, and a mystery that may cost him his life. What makes this riveting private eye yarn work is a mixture of superior Chicago atmosphere with the ghost of the legendary Riverview amusement park lurking in the shadows, great dialogue, and compassionately drawn characters. Booklist

A Body in Belmont Harbor Michael Raleigh, 2015-02-15 Death on the Chicago waterfront pulls a PI into a twisting case. An underappreciated, carefully crafted series. Booklist Two years ago a computer software specialist was found dead in Belmont Harbor, an apparent suicide. Now the body of a low-rent bookie has been found very close to the same spot, and the businessman's wealthy widow hires Paul Whelan to find out whether her husband really killed himself at all. There are in fact connections between the two men, and as Whelan tries to sort them out with some unofficial help from a friend on the force, he's drawn into a world of missing accountants, mysterious tough guys, and dirty deals. Sleek plotting, Raleigh, who delivered the goods in his debut novel *Death in Uptown*, shows no signs of faltering. Publishers Weekly

Killer on Argyle Street Michael Raleigh, 2015-02-15 A Chicago PI hunts for a missing kid who fell in with the wrong crowd. Raleigh presents a genuine good guy in the luckless Whelan. Publishers Weekly An elderly woman has asked private investigator Paul Whelan to look into the disappearance of Tony Blanchard, a young man she'd taken in after his parents died. Instead, Whelan discovers a string of murders all tied to a car theft ring. All the evidence suggests that Tony is dead as well, but Whelan keeps digging until he finds himself surrounded by a dangerous maze of silent witnesses, crooked cops, and people willing to kill to keep the truth from surfacing. When a friend from Whelan's past emerges, a friend Whelan thought long dead, his investigation takes a dangerous turn, one that brings him no closer to Tony and a lot closer to his own demise. Raleigh's Paul Whelan series brings to mind the late Ross MacDonald's Lew Archer novels. Read Whelan now; he won't be a secret much longer. Booklist

Bowker's Guide to Characters in Fiction 2007 ,2008-02 **Murder at McDonald's** Phonse Jessome,2016-06-28 The true story of the Sydney River McDonald's massacre a botched robbery that would become the most sensational murder case in Canadian history It started with a broken conveyor belt When the mechanical malfunction brought eighteen year old McDonald's employee Derek Wood into the restaurant's back room he saw the safe and got a dangerous idea It would be so easy to prop the back door open allowing two friends to sneak inside and steal the money Wood assumed there was at least 200 000 in the cashbox an incredible haul for just a few minutes work but things would not go according to plan The robbery went wrong from the start and within minutes a fast food restaurant in the wilds of Nova Scotia was turned into a bloodbath Wood and his accomplices attacked the employees killing three instantly and leaving the fourth for dead In the safe where they had expected to find a fortune there was barely 2 000 They fled the scene instigating a manhunt that would captivate the nation In the tradition of *In Cold Blood* and *The Onion Field* this stunning work of true crime tells the story of the small town murder that shocked a nation Phonse Jessome brings a trained journalist's eye to the case which remains one of the most horrifying incidents of suburban violence in recent history

The Maxwell Street Blues Michael Raleigh,2015-02-15 A PI combs the seedy Chicago streets to untangle a web of old feuds that may have turned fatal This series is a small treasure Booklist Chicago private eye Paul Whelan is hired by an elderly jazz musician to find a missing street hustler named Sam Burwell As Whelan delves into Burwell's past in the world of sidewalk vendors and corner musicians he uncovers old enmities and love affairs but his search for Burwell comes up empty That is until Burwell is found murdered and Whelan is swept up into a whirlwind of old feuds dark pasts unlikely romances and a killer hiding in plain sight There is method as well as charm in the congenial manner of Mr Raleigh's detective who manages to conduct a very thorough investigation by winning over grumpy bartenders crabby waitresses and wary old men on benches He likes these people and that's good enough reason to like him Marilyn Stasio *The New York Times* The smells and the sounds are evocative the greasy food that Whelan thrives on the dank workingman's bars and the ever present rattle of the el overhead Raleigh presents a genuine good guy in the luckless Whelan and offers a knockout supporting cast Publishers Weekly

The Writers Directory ,2013 *Crucial Errors in Murder Investigations* Ted Duhs,2016-08-29 Why is it that some people are convicted of murders that they did not commit while others are not convicted of murders that they did commit Australian Police Services are generally well funded so something more must be involved Just what that is is investigated in this book To minimise the prospect of future errors we need both to scrutinise past cases where errors have been revealed and to

investigate police training procedures with a view to uncovering any errors of omission or commission to see what scope there is for improvements Each of us has good reason to take an interest in such matters since any one of us could be a victim if we are in the wrong place at the wrong time In fact all of us are victims to the extent that some guilty parties continue to walk free on our streets and as taxpayers all of us fund the additional costs of dealing with crime including the sizeable compensation payments that are made to those whose wrongful convictions are quashed This book deals with instructive cases which continue to agitate the public mind and makes practical suggestions for improved procedures
