## Road Race Around The World:

**Crazy Road Races** Jennifer Mason, 2017-07-15 The popularity of motorsports hasn't waned since the advent of the automobile. In fact, some races began for the sole purpose of getting people interested in driving cars for the first time, such as the Peking to Paris race of 1907. This wide-ranging book full of dynamic photographs is an intriguing historical look at the world of racing but also offers valuable information about the competitions of today, such as the Indy 500. Readers will love finding out about the famous figures of the racing circuit as well as learning about different kinds of races and racecars.

**Trail Running** Graeme Hilditch, 2014-05-22 Trail Running helps advise runners how to make the transition from road running to off-road running, whether your intention is purely for fun or to take part in specialist off-road events. The popularity of running has never been greater, and with thousands of everyday people taking in conventional 5k, 10k, half-marathon, and marathon road running events, there seems to be a natural desire to seek other, arguably more challenging forms of running. Including information about the importance of specialist running gear required, specialist exercises to strengthen/stabilise muscles (e.g. glutes, core) to counteract the uneven running surface and prevent injury, nutritional requirements particularly for long-distance trail runs, and the importance of the correct fluid and food to carry with you. Common injuries contracted during trail running and how to prevent/treat them. List of popular trail running events, both national and international.

Examples of training sessions and how certain sessions can help improve the highly specific fitness requirements of off-road running.

**The Way of the Runner** Adharanand Finn, 2016-06-07 Japan is the most running-obsessed country on earth. A 135-mile relay race or *ekiden* is the country's biggest annual sporting event. Thousands of professional runners compete for corporate teams in some of the most competitive races in the world. The legendary marathon monks run a thousand marathons in a thousand days to reach spiritual enlightenment. Yet so much of Japan's running culture remains a mystery to the outside world. Adharanand Finn, the award-winning author of *Running with the Kenyans*, spent six months immersed in this one-of-a-kind running culture to discover what it might teach us about the sport and about Japan. As an amateur runner about to turn 40, he also hoped to find out whether a Japanese approach to training might help him run faster. What he learns about competition, team work, chasing personal bests, and about himself will fascinate and surprise anyone keen to explore why we run and how we might do it better.

**Kings of the Road** Cameron Stracher, 2013-04-09 A lively, informative history of distance running's 1970s heyday, including the famous Falmouth Road Race, written with a true fan's contagious enthusiasm. *Newsweek*: "It was 1978, Jimmy Carter was president, gas prices were soaring, and Americans were hunkering down to weather the economic crisis. But Jim Fixx's *The Complete Book of Running* was a bestseller. Frank Shorter's gold medal in the 1972 Olympic marathon had put distance running on the minds of many Americans. The odd activity of jogging became running, and America was in love. That summer, a junior from the University of Oregon named Alberto Salazar went up against Shorter and Boston Marathon champion Bill Rodgers at the Falmouth Road Race. Though he lost to Rodgers's

record setting 32 21 the competition set the stage for an epic rivalry among the three greats Each pushed the others to succeed and in turn inspired a nation of couch potatoes to put down the remote and lace up their sneakers A lively informative history Newsweek The Daily Beast Essential reading for runners both competitive and casual Kirkus Reviews Kings of the Road is about marathon legends It s about running Fast It s about Will It s about the Real It s about drama of the finest kind Bernd Heinrich author of Why We Run and Racing the Antelope A rollicking informed account of how distance running helped define a generation John Brant author of Duel in the Sun and coauthor with Alberto Salazar of 14 Minutes

Boston Marathon Tom Derderian,2017-03-14 From running legend Tom Derderian comes a comprehensive look at one of the most storied and celebrated athletic events in the nation the Boston Marathon For more than 110 years the race has been regarded as one of the world s great racing traditions From the narrow starting line on Main Street through the Screams Tunnel past the coeds of Wellesley and up the infamous Heartbreak Hill Derderian chronicles the unforgettable passions triumphs and pitfalls of every race in the marathon s storied history The book also includes interviews and race recaps from marathoning greats such as Bill Rodgers Joan Benoit Samuelson Meb Keflezighi Uta Pippig Alberto Salazar Frank Shorter Kara Goucher Ryan Hall Desiree Davila Geoffrey Mutai Robert Kipkoech Cheruiyot and dozens more Complete with more than one hundred photographs and results from every year Boston Marathon belongs on the shelf of every runner
