KIRKUS REVIEW Debut author Mark A Luther offers a memoir thats also a collection of meditations on popular Christian topics As the author explains in the introduction I am now at age forty five a man who loves God above all else because I am above all else loved by him In the pages that follow he tells of his time as a raging alcoholic and his eventual redemption through steady prayer and belief He divides his sentiments into chapters with titles such as Love Forgiveness and Trust incorporating frequent biblical quotes and prayers as well as the sentiments of other writers such as C S Lewis and T S Eliot The book overflows with earnest guidance for the weary soul aiming toward a simplicity backed by personal experience The author asserts what it means to be Christian quite clearly living a life spent pursuing intimate daily fellowship with Jesus Christ Addressing whether human suffering is an expression of Gods anger he assures readers that Trouble and hard times are not God punishing us Love is paramount he says Get out in the world and go love somebody be the hands and feet of Jesus he urges later noting that Nobody is beyond Gods desire to love or his ability to use them For instance a recovering alcoholic friend found him drinking in his car when he should have been at work moments like that illuminate this unique tale The author avoids any sort of holier than thou tone in this book allowing it to offer a truly inspiring message If turning to prayer could work for a man who experienced such a series of Rock Bottom moments readers may think perhaps it could work for anyone A heartfelt message about one mans embrace of Christianity

In Him All Things Hold Together Rosemary Poole Morris, 2012-01-16 The book tracks Jesus s story and its implications in prose and poetry in scripture story and song sketches and snippets of essay After starting with a chapter on ways of being with scripture taking it seriously but often not literally and suggestive chapters on God and the Old Testament it moves from Jesus s incarnation through his ministry and passion for the Kingdom of God to his Passion and bodily resurrection These are followed by chapters on what happened next including two chapters on contemporary Christianity the good and the bad of it The take on Jesus as both title and sub title suggest is broad in some ways quite orthodox but insisting

on his call for compassion social justice inclusiveness and wholeness for all It s also about Jesus alive and with us now albeit in a different dimension from those with which we are familiar The many meditations are often brief and the poetry is for people and not just for critics and other poets There is much here to think about but it s not an academic tome It can be provocative and often it s just plain fun **Official - Automobile Blue Book** ,1909 [The Cult of the Mother of God in Byzantium](#) Leslie Brubaker,Mary B.
